Mission Creek

Life is like a road with two paths, the regular life or nature path. I choose nature.

When I go to Mission
Greek I hear Birds Brown
Sycamora tronks & green tree
leaves. I feel the cold water &
the ~~Gray~~ bumpy rocks. Becareful of the ichy
poison oak it, every where. Mission Creek
is Beautiful!

Mission Creek

I put this shell on because there wasn't a lot of shells at the lake. I put this here cause there were tons of poison oak at the Misoin creek. I put this brown bark because there were tons of trees. I put this pile of string because there was the Mision creek at Rock Knook Park.
