Agreement

An agreement must be submitted by the owner or an authorized representative of each business AND each property that is impacted by any Outdoor Business Facility which extends beyond the frontage of the operating business. An Outdoor Business Facility license will not be issued until the city is in receipt of agreements signed by all parties along with all other required application submittals.

I agree to allow the business named above to extend their Outdoor Business Facility into the frontage of my business or property. This permission is revocable at any time by written notice to the city and to the operator of the Outdoor Business Facility. *(Electronic signatures are not accepted)*
