SUMMARY MINUTES

The Santa Barbara Municipal Airport Noise Abatement Committee met on Wednesday, March 30, 2016 at 10:00 a.m. in the Airport Administration Conference Room.

Present:

Scott Lechner
Kellie Knauss
Tracy Lincoln
Warren Miller
Aaron Mueller
Kristy Odermann

1. Public Comment

   None

2. Noise Complaint Reports

   Kellie Knauss reported that private and military training helicopters rerouted in February due to wind, they could not go over the ocean, but they were at appropriate altitude. A call was put in to military contact and they said they would not be in the area in the near future and they will attempt to limit future trainings in the area to shorter periods.

3. Discussion of complaint responses

   None

4. Open Discussion
   Tracy Lincoln reported that the Airport has been working with the noise system vendor to integrate systems to allow for complaints to be filed online. Mr. Lincoln mentioned the FAA has proposed changing noise standards to require new aircrafts to be quieter and cleaner.

ADJOURNMENT
There being no further business to come before the Committee, the meeting was adjourned at 10:25 a.m.
