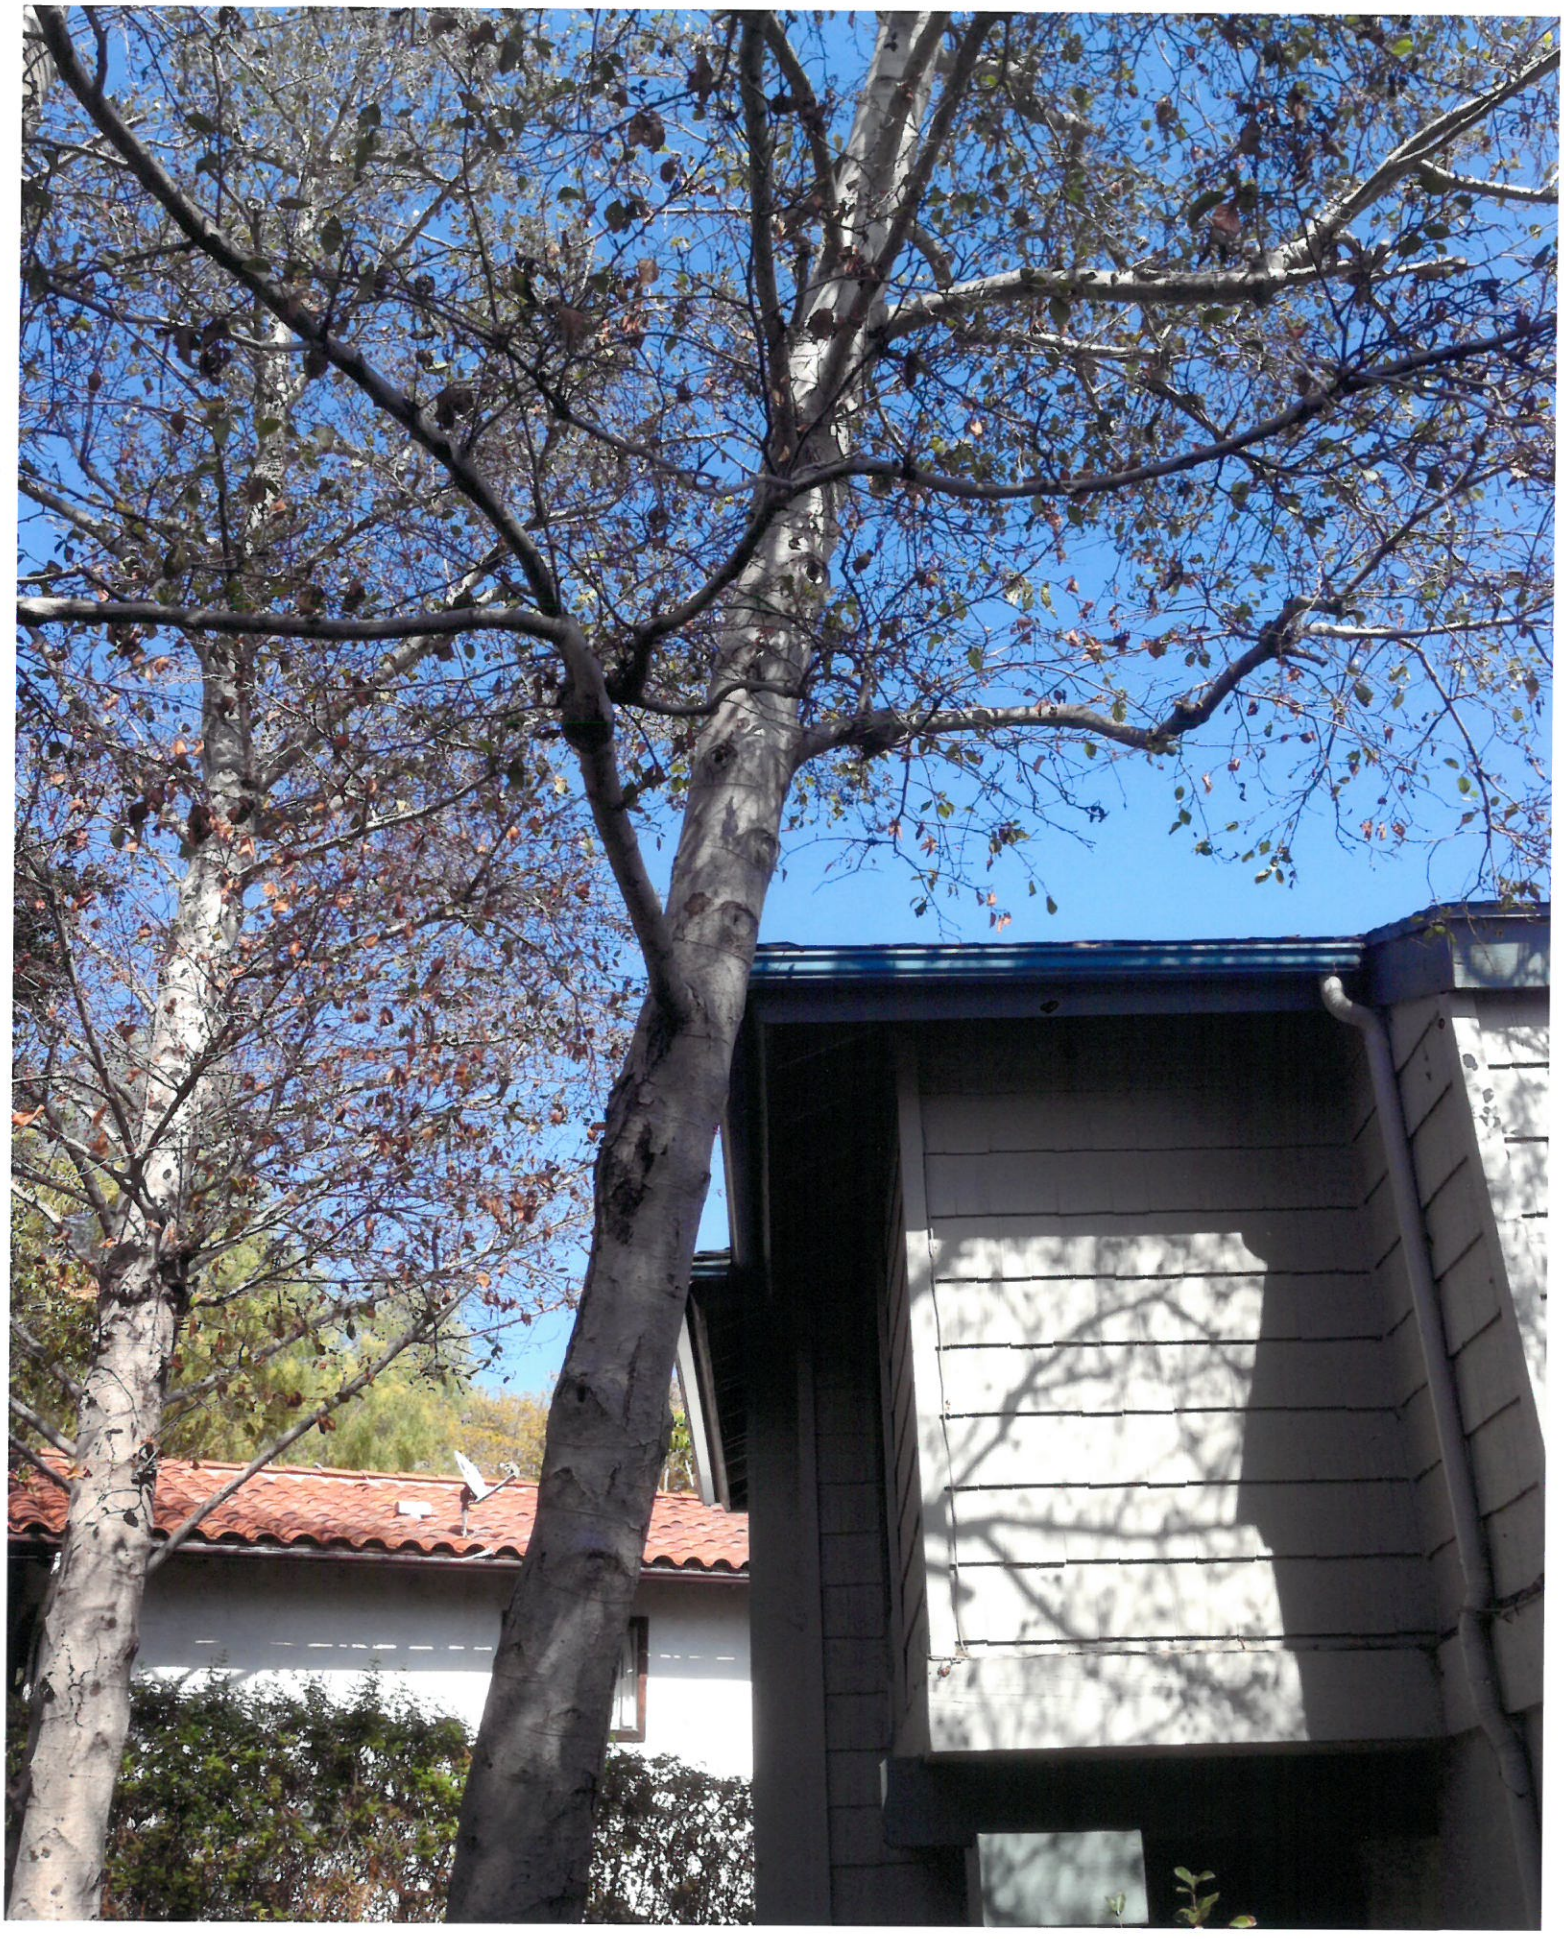
To Whom It May Concern:

I am an owner of a condo at 1026 E. De La Guerra, Unit #B, SB 93103. We are a 6 unit HOA and I serve as the Treasurer of the HOA.

Our HOA is requesting to be able to remove four trees in the front yard of Unit A. Perhaps the damage to the trees is drought-related but Mesa Tree Co. has advised us that all four trees are dead (or dying) and could be a danger to our buildings during a strong winter season. These are not native trees.

Enclosed please find the completed **SETBACK TREE REMOVAL APPLICATION** and photographs of the trees in question. Thank you for your help with this matter. Feel free to contact me if you have other questions.

Sincerely


David A. Morley
