

DESIGN PROJECT SITE UPDATE

Last Updated: April 3, 2012

Project Name: Cota Street Bridge Over Mission Creek Replacement Project

Contact Information:

City Project Manager: Jim Colton, P.E.

Phone: (805) 564-5537

E-mail: JColton@SantaBarbaraCA.gov

Project Description:

The bridge is located on Cota Street between Bath and De La Vina Streets. The project will involve replacement of the existing structurally deficient bridge with a new structure which will also improve hydraulic conveyance of Mission Creek as discussed in the Army Corps of Engineers, Lower Mission Creek EIR/EIS.

Project Progress:

Caltrans has reviewed the City's request for funding of this structurally deficient bridge. Funding was approved and has been earmarked in Caltrans's HBP Project Summary Report. The City has received authorization for design of this project. Final design is scheduled to be completed Spring of 2013. Pending design, right of way, and construction funding authorizations, this project is scheduled to go out to construction Spring 2014.

Current Schedule:

Construction Start: Spring 2014

Duration of construction: 14 months

Estimated Project Cost: \$4,300,000
