Proposal to develop 40 new residential condominium units totaling 83,772 square feet and a 1,800 square foot, commercial space to be used as a neighborhood corner store.

The lot is 2.2 acres and is currently developed with 38,067 square feet of commercial and industrial buildings. Modifications are also being requested to allow encroachment

into the front- and interior-yard setbacks and reduce the parking required for the commercial corner store.

Proposal to construct five new condominium units in four buildings, replacing and demolishing 13 existing apartment units on a 12,500 square foot site located in the Coastal Zone. The project includes two one-bedroom units, one two-bedroom unit and two three-bedroom units. A voluntary lot merger is also a part of the project.
