

Start the 2009-10 New School Year Right!

Enroll in RAP—offered all 180 school days through the City of Santa Barbara Parks & Recreation Department.

This recreation afterschool program provides crafts, clubs, field trips, sports, special programs and homework assistance to children grades 1 through 6 who attend Adams, Cesar Chavez (including Franklin), Monroe, OAS, Roosevelt and Washington elementary schools.

RAP provides a supervised, fun program where children can make new friends and hang out with current friends in a relaxed afterschool environment. Parents love RAP for its convenience, affordability and safety, along with knowing their children are being cared for by well-trained staff.

Where & When:

This program takes place at your child's school site on all school days. Every effort is made to provide a program during parent/teacher conference and early release days. All program sites are open until 5:30pm, except Roosevelt which ends at 5pm daily and Cesar Chavez which closes at 4pm on Thursdays only. Please check with the Program Site Director to verify schedules.
