PLEASE BE ADVISED

Consent Items are reviewed in the David Gebhard Public Meeting Room at 630 Garden Street in a sequential manner as listed on the Consent Calendar Agenda. For example item "A" listed on the Consent Calendar will be heard first and item "Z" heard last. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced for hearing the item, the item will be moved to the end of the calendar agenda.

The applicant's presence is suggested so that the applicant can answer questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda.

Actions on the Consent Calendar agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent Calendar reviewing member of the ABR may refer items to the Full Board for review.

Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office, City Hall, 735 Anacapa St. Appeals must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the date the action is ratified (at the next regular Full Board meeting of the ABR).

(The proposal is a redesign of a project previously approved by the Planning Commission. The proposed project consists of 48 residential condominium units in four, two- and three-story buildings, on a 1.8-acre vacant lot. The size of the residential units would vary, ranging between 994 and 2,086 square feet. Each of the four buildings would contain twelve residential units and would have individual courtyards. All units would have a two-car garage, with a mix of side by side configuration and tandem configuration. Four guest parking spaces would be provided, resulting in a total of 100 on-site parking spaces. Vehicle access would be provided from both East Montecito Street and Calle Cesar Chavez. Forty of the 48 units would be sold as below-market rate units. A 14-foot wide shared access easement is provided along the western perimeter of the project site. The prior approvals consisted of a Tentative Subdivision Map, a Modification to provide less than the required amount of guest parking and City Council approval of a Specific Plan (SP-10). The redesigned project received a Substantial Conformance Determination at the Planning Commission on 11/19/2009.)
