RE: Nightclub Dance Permit Status

Mr. Clayton:

In the course of processing of your most recent Nightclub Dance Permit Renewal application, we discovered that within the past 8 months there have been 4 citations involving minors gaining access into your premise, and 3 incidents in which cocaine was discovered in possession of your patrons.

Due to the frequency of the above citations in such a short period of time, new conditions have been added to your Nightclub Dance Permit to mitigate the problems:

- A restroom attendant must be stationed at the restroom area nightly from 9:00 pm until close. The restroom area must be checked often to ensure no illegal activity is occurring.
- All security guards must complete LEADS and Responsible Beverage Server (RBS) Training;
- All security guards must be currently licensed with the California Department of Consumer Affairs as a Proprietary Security Officer;
- The individual, partnership, corporation or LLC must possess a Proprietary Private Security Employer's License issued by the California Department of Consumer Affairs.

Furthermore, because the above citations indicate a concerning trend at your nightclub, should there be one more citation for drugs and/or patrons under the age of 21 years on premise within the next year, your Nightclub Dance Permit will be brought before the Fire and Police Commission with the recommendation that it be suspended and/or revoked.

In an effort to identify ways to prevent future violations, you may request to take part in an "Intervention" meeting. The meeting would include you, Police Department representatives, a Fire and Police Commissioner, and a member of the Bar and Restaurant Committee who does not have any personal interest in your business. Please contact the Police Technician at (805) 897-2333 or permits@sbpd.com if you would like to schedule an intervention meeting.

Sincerely,

Captain Gil Torres
