MEMORANDUM

COUNCIL ACTIONS

- Mick Kronman, Harbor Operations Manager, was presented with the "Harbor Master of the Year" award, which was given to him by the California Association of Harbor Masters and Port Captains.

NEW HARBOR COMMISSIONERS

On December 15, 2009, the City Council will appoint new Harbor Commissioners to both fill the vacancy created by Ken Owen's term expiring and the recent City Charter measure to expand the Commission from five to seven members. Two candidates have applied and interviewed before City Council. Both Jim Sloan and Eric Friedman have completed the application process and will more than likely be appointed by Council. At the January 2010 Harbor Commission meeting, we will welcome and seat the two new members on the Board of Harbor Commissioners. The remaining vacancy will continue until the bi-annual recruitment for City Boards and Commissions, which takes place next spring.
