AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of all documents relating to agenda items are available for review at 630 Garden Street and agendas and minutes are posted online at www.SantaBarbaraCA.gov/HLC. If you have any questions or wish to review the plans, please contact Susan Gantz, Historic Landmarks Commission (HLC) Planning Technician, at (805) 564-5470, ext. 3311, or by email at SGantz@SantaBarbaraCA.gov. Office hours are 8:30 a. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under *City Calendar* to verify closure dates. **Materials related to an item on this agenda submitted to the HLC after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street, during normal business hours.** Writings that are a public record under Government Code § 54957.5(a) and that relate to an agenda item for an open session of a regular meeting of the HLC and that are distributed to a majority of all of the members of the HLC during the meeting are available for public inspection by the door at the back of the David Gebhard Public Meeting Room, 630 Garden Street, Santa Barbara, CA.

PUBLIC COMMENT. The public has the opportunity to comment on any item on today's agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the HLC Secretary (adjacent to the window) before the agenda item begins. Please indicate which item you would like to address on the speaker slip and, in your testimony, which portion of the project you will be addressing in your comments. Each speaker is allocated two minutes for public comment due to time constraints. Written public comment letters and emails received prior to the meeting are typically distributed to the HLC at their meeting.

STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY. State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a "sole practitioner" to make informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

PLEASE BE ADVISED

The following advisories are generally also contained in the City's Historic Landmarks Commission General Design Guidelines and Meeting Procedures (HLC Guidelines). The specific HLC Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the HLC Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following HLC agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans. (3.2.4)
- Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)
- Concept review comments are generally valid for one year. Per SMBC 22.22.180, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An HLC approval does not constitute a Zoning clearance or a Building and Safety Permit.

- All approvals made by the HLC are based on compliance with Municipal Code Chapter 22.22 and with adopted HLC guidelines. Decisions of the HLC may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting and which the Board took action or rendered its decision. (3.2.9)
- **AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the Planning Division at (805) 564-5470, ext. 3310. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.

(This is a revised project. The original Cabrillo Boulevard Bridge project was approved by the Planning Commission and Historic Landmarks Commission. The revised proposal involves the relocation of the beachway component of the bridge. The proposed bridge is to be a stand-alone bridge approximately 59 feet to the south of the originally-approved location. The beachway bridge width dimension would change from 18.5 feet wide to approximately 14 feet wide. The proposed 148 foot long beachway (pedestrian/bicycle) bridge would replace the approved temporary beachway bridge. The relocated beachway bridge would also provide room for the harbor dredge pipeline underneath.)
