9. Average days for returned items to be available on shelf (at City libraries)	1.8	1.1	1.0	1.3	1.1	1.11

COMMENTS ON OTHER PERFORMANCE MEASURES:

- 1. The popularity of digital materials resulted in much higher than anticipated performance on downloadable materials, yet also resulted in the adult print and media circulation declining further than anticipated.
- 6. Visits to the website were likely down because many SBPL online services provided through 3rd party vendors are accessible without visiting the library's website first. Visits to non-library websites are not tracked.
