

## RESOLUTION NO. 1026

A RESOLUTION OF THE REDEVELOPMENT AGENCY OF THE CITY OF SANTA BARBARA APPROVING THE TRANSFER OF ALL INTERESTS IN REAL PROPERTY, INCLUDING ALL LEASEHOLDS AND EASEMENTS, OWNED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SANTA BARBARA TO THE CITY OF SANTA BARBARA TO IMPLEMENT THE PROVISIONS SET FORTH IN THE MULTI-YEAR COOPERATION AGREEMENT AND THE REDEVELOPMENT PLAN FOR THE CENTRAL CITY REDEVELOPMENT PROJECT AREA.

WHEREAS, the Redevelopment Agency of the City of Santa Barbara ("Agency") was created to pursue activities in the Central City Redevelopment Project Area ("Project Area") of the City of Santa Barbara which eliminate blight and enhance the physical and economic health of the Project Area. The Redevelopment Plan for the Project Area was adopted November 14, 1972 by the City Council of the City of Santa Barbara ("City") by City Council Ordinance No. 3566. In August 1977, the First Amended Redevelopment Plan for the Santa Barbara Central City Redevelopment Project was adopted by City Council Ordinance No. 3923. The Plan was further amended on December 16, 1986, by Ordinance No. 4438 to incorporate provisions required by amendments to the California Community Redevelopment Law ("CRL"). As required by the CRL Reform Act of 1993, the Redevelopment Plan for the Project Area was further amended by City Ordinance No. 4894 on December 6, 1994, to specify the latest dates for incurring and repaying indebtedness or receipt of tax increment. On November 12, 1998, City Ordinance No. 5085 was adopted to extend the Redevelopment Agency's authority to exercise eminent domain to August 30, 2007. The Plan was further amended by City Council Ordinance No. 5089 adopted January 12, 1999, City Ordinance No. 5314 adopted on April 27, 2004, City Ordinance No. 5363 adopted June 14, 2005, and City Ordinance No. 5388 adopted June 6, 2006 ("Redevelopment Plan");

WHEREAS, In accordance with the CRL and the Redevelopment Plan, the Agency may not incur additional indebtedness after December 31, 2003, and the Project Area will expire on August 30, 2015;

WHEREAS, on December 16, 2003, in accordance with Section 407 of the Redevelopment Plan and Section 33220 et seq. of the CRL, the City Council adopted Ordinance No. 5301 approving an Agreement for Public Improvement, Public Transportation and Administrative and Other Services Between the Agency and the City ("Multi-Year Cooperation Agreement") in which the City is obligated to fund and to undertake all activities to redevelop, revitalize and eliminate blight in the Project Area on behalf of the Agency and the Agency is obligated to reimburse the City for all funds expended by the City to carry out the activities contemplated therein;

WHEREAS, pursuant to the Multi-Year Cooperation Agreement, the Agency is obligated to reimburse the City with currently available and future tax increment funds received by the Agency pursuant to Health & Safety Code section 33670;

WHEREAS, in accordance with the CRL Section 33342, and as authorized by Section 402 of the Redevelopment Plan, the Agency acquired, for redevelopment purposes, the interests in real property described in detail in the attached Exhibit A, incorporated herein by this reference as though set forth in full, and generally described as follows:

- Waterfront Properties encompassing 2.41 acres and located generally northeasterly of Calle Cesar Chavez, southwesterly of Quarantina Street, and northwesterly of the operating right of way owned by the Union Pacific Railroad Company (Assessor's Parcel Numbers APN 017-113-029, -030, -034 and -035). The Waterfront Properties were acquired by the Agency for the purpose of future implementation of redevelopment activities and projects including a possible community arts center, extension of Cacique Street from Quarantina Street to Calle Cesar Chavez, remote parking for the Cacique Street homeless facility (Casa Esperanza) Fiesta Parade float storage, recreation and social services. The property acquisition was intended to encourage private redevelopment of the surrounding area and further the elimination of blight.
- Chase Palm Park Expansion Properties encompassing 8.21 acres and including:

Chase Palm Park Garden Street Access Parcel located generally northerly of Cabrillo Boulevard, easterly of Garden Street, and southeasterly of the operating right of way owned by the Union Pacific Railroad Company, (APN 017-680-004);

Chase Palm Park Parkland Parcel, Portions North of Cabrillo Boulevard, located northerly of Cabrillo Boulevard, easterly of Garden Street, and southeasterly of the operating right of way owned by the Union Pacific Railroad Company, (APNs 017-680-011 and -012).

In July 1981, the City adopted the original Park Plaza Specific Plan for the property located at 325 East Cabrillo Boulevard – property which was subsequently developed, in part, as the Fess Parker Red Lion Inn (now the Fess Parker Double Tree Hotel). The Specific Plan was later amended to also provide for the development of a public/private project to be jointly developed by the Agency and a Fess Parker Family entity known as American Traditions, acting as a hotel developer. The subsequent development and “public-private” partnership consisted of a City Development Agreement approving the future construction of a 150-room luxury hotel and an adjacent approximately 10 acres City park together with the required public parking for the park. The 10-acre park portion of the public private partnership consisted of 5 acres of City owned property along Cabrillo Boulevard (at Santa Barbara Street) and 5 acres of real property owned by the Parker Family. As a condition of approval for the luxury

hotel on the 3 acres adjacent to the park and retained by the Parker Family, the Parker Family was required to construct and operate a 100-bed youth hostel at a location approved by the City.

The Agency merely facilitated the merger and re-subdivision of the two real properties (the City parcel and the Parker Family parcel) into three parcels as necessary to effectively provide for the development as contemplated in the Specific Plan and the Chase Palm Park and Hotel Development Agreement between the City and the Parker Family. After the subdivision, the site consisted of three parcels know as the Hotel Parcel, the Deed Parcel and the City Parcel. At completion of the development of the Chase Palm Park Expansion project in 1998, the 3-acre Hotel Parcel owned by the Parker Family would be developed with the hotel and the Deed Parcel and City Parcel would be combined and become an expanded portion of the City's Chase Palm Park.

In order to effectuate the Specific Plan and the Development Agreement as described above, the City and Agency entered into a Cooperation Agreement. In the Cooperation Agreement, the City agreed to (i) abandon and convey certain public rights of way including portions of Carpinteria Street, Mason Street and Santa Barbara Street to the Agency, (ii) convey the City Parcel to the Agency, and (iii) cooperate and coordinate with the Agency for the Agency's acquisition of other real property to enable the Agency and the hotel developer to assemble the component real properties into the site for development of the site as a public park and luxury hotel.

The City also agreed to construct, operate and maintain the necessary off-site public parking for public use of the park and to construct traffic and related street infrastructure improvements as required for the development.

At this time, the Park is fully constructed and operational and, as contemplated in the Plan, should be conveyed to the City for future operation and maintenance. Both the hotel and hostel are under construction.

- Ortega Water Treatment Facility encompassing 1 acre located southeasterly of Ortega Street and southwesterly of Garden Street (APN 031-152-033), and which property had been owned by the City for decades (and originally acquired by the City using City Water Division funds) was temporarily conveyed by the City to the Agency in order to provide for the merger and subdivision and subsequent transfer of a portion of the property to Mental Health Association of Santa Barbara County (MHA) so that the MHA could construct a major very low and low income affordable housing Project, utilizing, in part, Agency Housing Set-Aside funds. MHA developed a mixed-use affordable housing project on the consolidated property which MHA had purchased adjacent to the City Ortega Water Treatment Facility property. The MHA development consisted of 51 low and moderate income housing units of which 38 are dedicated to serve mental health clients. The portions of the former City property remaining under the Agency's ownership were intended to be merged and consolidated and

conveyed by the Agency back to the City of Santa Barbara for its continuing operation and management of the Ortega Water Treatment Facility and other uses that effectuate redevelopment purposes and, in accordance with the fact that this real property was originally acquired by the City using City Water funds.

- Railroad Depot encompassing 5.39 acres and including:

Santa Barbara Railroad Depot encompassing portions of the operating rights of way of Union Pacific Railroad Company, located southeasterly of Montecito Street and southwesterly of State Street, (APNs 033-010-011, -012 and -013, 033-041-013, 033-042-012, -016 and -017, 033-075-012; acquired by the Redevelopment Agency in June 1995 from a private property owner pursuant to State Rail bond funds approved by voter initiative. This acquisition of the Depot property allowed for the consolidation of the Depot property with adjacent property owned by the City (at Chapala Street) which City property was to be conveyed to the Agency by the City in order for the Agency to provide consolidation of the Depot real property for the purposes of the restoration of the Historic Railroad Depot. The state issued a grant to the Agency/City of state Railroad bond funds for the express purpose of having the historic Depot transferred into public ownership by the City of Santa Barbara.

Railroad Depot, Vacated Streets encompassing those certain parcels of real property underlying those vacated portions of Chapala Street and Yanonali Street, and being adjacent to the operating rights of way of Union Pacific Railroad Company, located southeasterly of Montecito Street and southwesterly of State Street, (APNs 033-010-014 and -015, 033-041-012, 033-042-014 and 015, 033-075-014. The City conveyed the vacated streets to the Agency based upon a finding that the parcels were integral and necessary for the Agency's redevelopment of the railroad depot.

Railroad Depot, Montecito Street, Area 1: APNs 033-042-001 (former 35 W. Montecito Street) and -002 (former 29 W. Montecito Street);

Railroad Depot, Montecito Street, Area 2: APNs 033-042-003 (former 25 W. Montecito Street) and -004 (former 23 W. Montecito Street);

Railroad Depot Parking Lot (235 State Street Public Parking Lot) located southwesterly of State Street and southeasterly of Montecito Street (APN 033-042-019). The property was acquired as excess property by the Agency from the State Department of Transportation which had previously acquired it to complete the State's "Cross-town Freeway Project." The Agency determined that the acquisition and improvement of the property was of benefit to the Central City Redevelopment Project area and would assist in the elimination of blight within the project area by improving the site and achieving the restoration of the Historic Railroad Depot.

All of the Railroad Depot property was also acquired under the State Rail Bond approval for the purpose of providing a regional transportation center, with increased parking and other public services as necessary to eliminate blight and the conditions which foster blight.

- Parking Lots encompassing approximately 12.23 acres and including:

Cota Street Commuter Parking Lot (APN 031-151-018) located northwesterly of Cota Street and southwesterly of Santa Barbara Street, was an opportunity acquisition from the Santa Barbara School Districts and was acquired for the purpose of providing enhanced downtown parking opportunities for downtown commuters.

217 Helena Street Parking Lot (APN 033-051-020) an unimproved property acquired by the Redevelopment Agency as an Opportunity Acquisition with the intent of developing the site for: 1) a public parking lot to address the deficit of parking within the waterfront area, the lack of which had been frequently cited as an impediment to economically viable private redevelopment and removal of blight in the Lower State Street area; or 2) a youth hostel required as part of the Waterfront Park and Hotel project (also known as the "Chase Palm Park Expansion Project"). The parking lot design has been deemed complete by the local design review body and a construction contract is scheduled for approval in June 2011.

Mason Street and Santa Barbara Street Public Parking Lot located southeasterly of Mason Street and northerly of the operating right of way owned by the Union Pacific Railroad Company, (APN 033-113-014 and sometimes APN 033-113-022) acquired by the Agency for redevelopment purposes and in support of the City's operation of the Regional Transportation Center at the Railroad Depot.

Garden Street and Cabrillo Boulevard Public Parking Lot located westerly of Garden Street, northwesterly of Cabrillo Boulevard and southerly of the operating right of way owned by the Union Pacific Railroad Company, (APN 033-113-016, -017 and -018, and sometimes APN 033-113-023); conveyed from the City, as former City street right-of-way, to the Agency for the purpose of optimizing the development of the Chase Palm Park Expansion property, for inclusion in the Garden Street Public Parking Lot development as part of the larger Chase Palm Park Expansion project.

Parking Structure No. 10 at Ortega Street and Anacapa Street located southwesterly of Anacapa Street and southeasterly of Ortega Street (APN 037-132-035, -036 and -038); this real property was acquired in the late 1970s and early 1980s by the City of Santa Barbara using assessment district funds obtained by the levying of assessment against the real properties within the City's Central Business District for the purposes of acquiring public retail parking to serve the Central Business District. This

property was transferred to the Agency as part of the City's approval of the Agency's Paseo Nuevo project in 1987 in order to allow the Agency to construct a multi-level parking structure on the former City owned real property.

Parking Lot No. 11 at State Street (West Paseo) located northeasterly of State Street (APN 037-173-047);

Parking Lot No. 11 at Cota Street (North Paseo) located southeasterly of Cota Street (APN 037-173-049);

Parking Lot No. 11 located southwesterly of Anacapa Street and northwesterly of Haley Street (APN 037-173-050);

Parking Lot No. 11 parcels were acquired by the Agency in 1984 for the purpose of constructing a public parking lot on the east side of the 500 block of State Street within the Project Area pursuant to the Redevelopment Plan in order provide a public parking lot. The public interest and necessity required the construction of a public parking lot in order to promote the redevelopment of a blighted area. The parking lot was planned and located in a manner that was the most compatible with the greatest public good and the least private injury.

Parking Lot No. 12 located southwesterly of State Street, northwesterly of U.S. Highway 101, northeasterly of Motor Way, and southeasterly of Gutierrez Street (APN 037-252-011); acquired by the Agency for public parking purposes as contemplated in the Plan in order to eliminate blight and foster commercial revitalization.

Granada Garage (Parking Lot No. 6) located southwesterly of Anacapa Street and northwesterly of Anapamu Street (APNs 039-183-046, -053 and -054) which was real property entirely owned by the City since the 1970s when it was acquired as part of the City's Central Business District's parking assessment district. The real property which formed the land underneath the Granada Garage was acquired by the Agency from the City in order to assist the City in creating a downtown theater district by providing additional public parking. A portion of the property was utilized for the development of low and moderate income residential rental units. The Agency acquired this property with the understanding that it would be transferred back to the City upon the completion of the Granada Garage parking structure.

Carrillo Street Commuter Parking Lot located northwesterly of Carrillo Street and southwesterly of Castillo Street (APN 039-261-009) acquired for the purpose of providing downtown public parking needed to stimulate economic development.

Parking Lot No. 2 located northeasterly of Chapala Street and northwesterly of Canon Perdido Street (APNs 039-321-045, -047, -048, -051, -054, -055

and -056) acquired for the purpose of providing downtown public parking needed to eliminate blight and stimulate economic development. This real property was acquired in the late 1970s and early 1980s by the City of Santa Barbara using assessment district funds obtained by the levying of assessment against the real properties within the City's Central Business District for the purposes of acquiring public retail parking to serve the Central Business District. This property was transferred to the Agency as part of the City's approval of the Agency's Paseo Nuevo project in 1987 in order to allow the Agency to construct a multi-level parking structure on the former City owned real property which is now referred to a Lot No. 2.

All of the Parking Lot property was acquired for the purpose of providing public parking for downtown customers, commuters, and visitors to support economic vitality in the Project Area.

- Paseo Nuevo Retail Center Properties encompassing 6.29 acres, bounded by Canon Perdido Street, State Street, Ortega Street and Chapala Street (APN 037-400-001, -002, -003, -004, -005, -006 and -019) acquired by the Agency pursuant to a Disposition and Development Agreement. The purpose of the Agreement was to effectuate the Redevelopment Plan by implementing the "Santa Barbara Retail Revitalization Project" within the Project Area. Implementation of the Project required the acquisition and assemblage of seven parcels by the Agency. Additionally, two parcels (the City Lot No. 1 parcel and the City De La Guerra Street parcel) owned by the City for decades were incorporated into the Paseo Nuevo Project including one located in the public right-of-way, which was vacated by the City and acquired by the Agency, and one retained by the City but restricted for pedestrian use only. Once the property was acquired and assembled by Agency, it was conveyed through leaseholds to the retail developer for construction of a major retail center consisting of a mall component, pedestrian and paseo areas, an arts complex, on-site parking facilities, and department stores. The City's Parking Lot No. 1 parcel was originally acquired by the City as part of the City's Central Business District parking assessment district utilizing assessment funds paid by the CBD property owners. The City Parking Lot No. 1 parcel comprised approximately 50% of the real property which was eventually incorporated into the Paseo Nuevo mall project.

- Bath Street Properties at Mission Creek encompassing .06 of one acre and including:

635 Bath Street located southwesterly of Bath Street and southeasterly of Ortega Street (APN 037-113-009); and

633 Bath Street located southwesterly of Bath Street and southeasterly of Ortega Street (APN 037-113-010).

Both residential properties were acquired for the purpose of furthering the City and Agency priorities set forth in the Mission Creek Flood Control Enhancements Project and the West Downtown Neighborhood Improvement Program. The properties are contiguous and adjacent to Mission Creek which make them desirable for subsequent conversion to a West Downtown neighborhood park that would also serve as open space adjacent to Mission Creek.

All such real property described above is hereinafter referred to as the "Agency Property";

WHEREAS, in accordance with CRL section 33430, and as specifically provided in Section 420 et seq. of the Redevelopment Plan, the Agency finds that in order to accomplish the goals and objectives of the Redevelopment Plan and to complete the redevelopment projects contemplated in the Multi-Year Cooperation Agreement, it is necessary and appropriate to transfer all Agency Property to the City;

WHEREAS, pursuant to Section 15061(b)(3) of the State California Environmental Quality Act ("CEQA") Guidelines, the transfer of real property is exempt from environmental review under CEQA because it can be seen with certainty that there is no possibility that the transfer may have a significant effect on the environment and pursuant to Section 15301 of the State CEQA Guidelines, the transfer of real property is exempt from environmental review under CEQA because the transfer will result in a continuation of existing facilities involving no expansion of use, and any future development for the real property will require separate environmental review; and

WHEREAS, the transfer of the Agency Property to the City will (i) carry out the goals and purposes of the Multi-Year Cooperation Agreement, (ii) accomplish and achieve the purposes of the Redevelopment Plan for the Project Area, (iii) sustain the redevelopment accomplished by the implementation of the Plan, (iv) expand and improve the City's supply of affordable housing and, (v) enforce existing covenants, contracts and other obligations arising from the redevelopment projects.

NOW, THEREFORE, BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SANTA BARBARA, AS FOLLOWS:

SECTION 1. The above recitations are true and correct.

SECTION 2. Because the Agency Property, which was acquired by the Agency from the City, and the Agency Property which was acquired by the Agency from private land owners, was generally acquired by the Agency for the temporary purpose of parcel consolidation and assemblage and redevelopment purposes pursuant to public-private partnerships which have now been accomplished, the Agency hereby authorizes and directs the transfer of all Agency Property, as generally described above and in more detail in Exhibit A, to the City for use by the City for public purposes consistent with the manner in which these properties were originally acquired by the City and otherwise and consistent with the previously approved Multi-Year Cooperation Agreement and the

Redevelopment Plan to facilitate and achieve the ongoing efforts to redevelop, revitalize and eliminate blight in the Project Area.

SECTION 3. The Executive Director, subject to approval by Agency Counsel, is authorized to execute any and all deeds and other documents as necessary to transfer said Agency Property to the City in accordance herewith.

SECTION 4. The Redevelopment Agency of the City of Santa Barbara, a body politic, hereby transfers all of its title and interest in the real property located within the City Limits of the City of Santa Barbara and as identified herein by the properties' common names or facilities and referred to by their respective Santa Barbara County Assessor's Parcel Numbers, and as more particularly described in Exhibit A attached hereto and incorporated herein by this reference to the City of Santa Barbara.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice to ensure transparency and accountability.

2. The second part outlines the procedures for handling discrepancies. It states that any variance between the recorded amounts and the actual cash flow should be investigated immediately. The responsible personnel should identify the source of the error and take corrective action to prevent recurrence.

3. The third part details the process for reconciling accounts. It requires that all bank statements be reviewed and compared against the company's ledger. Any differences must be explained and resolved within a specified timeframe to maintain the integrity of the financial data.

4. The final part of the document provides guidelines for the storage and security of financial records. It mandates that all records be kept in a secure, fireproof location and that access be restricted to authorized personnel only. Regular backups should be performed to protect against data loss.
