Address: 717 W. Islay St.

Location of Tree: 715 W. Islay St.

Tree Species: *Jacaranda mimosifolia* **Common Name:** JACARANDA

Requested Reason for Removal: The roots get into the sewer lines going to our house and rental. We have to call the roter man to clean them and pay him. The tree looks like it's old and dying.

Species recommended by the Approved Plan:

Advisory Committee Recommendation: *Approve Removal:* *Deny Removal:*

Staff Recommendation: *Approve Removal:* *Deny Removal:*

Date Posted: 7/10/07

Comments: The Committee and staff deny removal and insist the tree simply needs water. Sewer lines repair is not a valid justification for its removal.
