Dear Sarah Hanna,

I'm a neighbor of the Louise Lowry Davis Center and was not able to attend the meeting recently re: serving of alcohol. There have already been some serious noise problems at parties that went on for hours at that location and the police had to be called. I am very concerned about the consumption of alcohol in addition to loud music on the premises. When people drink they're less aware of their behavior and the combination of music and consuming alcohol. Its a situation that is problematic. We already have ongoing noise problems with the teen center on Chapala & Victoria and the Moose Lodge customers.

This is a residential area with many seniors in residence. It is my home -- and like your home --it is my sanctuary. Although I have heard from a neighbor that this is already a "done deal" and the meeting was just to appease neighbors I certainly hope that is NOT so and that you will not implement this new option for the LLD Center renters.

Thank you for your kind and thoughtful consideration of this matter.

Sincerely,

A concerned neighbor
