Nancy –

Here are the final plans from Rob Fowler. These are the plans to submit to the City.

The reason we are requesting the removal of the street trees along Meigs is that they are a hazard to pedestrians and the plans call for planting trees on the property along Meigs which will substitute for the street trees.

Let me know if there is anything else you need.

Dan,

Those are not the current plans. I've attached the current plans - For future reference, the Revision date in the upper right hand corners of Sheets L-1 & L-2 respectively should be 9/08/15 in confirming that you have the latest plans that I was issued by Sam Maphis via E-mail last November the 2nd, 2015. These should be
