

PLANNING COMMISSION CONDITIONS OF APPROVAL

2210 EDGEWATER WAY
COASTAL DEVELOPMENT PERMIT
OCTOBER 6, 2005

- A. Recorded Agreement.** Prior to the issuance of any Public Works permit or building permit for the project on the Real Property, the following conditions shall be imposed on the use, possession and enjoyment of the Real Property and shall be recorded by the Owner in a written instrument which shall be reviewed as to form and content by the City Attorney, Community Development Director and/or Public Works Director, which shall be recorded in the Office of the County Recorder:
1. **Uninterrupted Water Flow.** The Owner shall provide for the uninterrupted flow of water through the Real Property including, but not limited to, swales, natural water courses, conduits and any access road, as appropriate. The Owner is responsible for the adequacy of any project related drainage facilities and for the continued maintenance thereof in a manner that will preclude any hazard to life, health or damage to the Real Property or any adjoining property.
 2. **Water Rights Assignment.** Owner shall assign to the City of Santa Barbara the exclusive right to extract ground water from under the Real Property. This assignment of rights does not include a right of surface entry on or from the Real Property.
 3. **Allowed Development.** The development of the Real Property approved by the Planning Commission on October 6, 2005 is limited to approximately 443 sq. ft. of second story building area and approximately 170 sq. ft. of second story deck area for the existing single-family residence, and the improvements shown on the development plans signed by the chairman of the Planning Commission on said date and on file at the City of Santa Barbara.
 4. **Lighting.** Exterior lighting, where provided, shall be consistent with the City's Lighting Ordinance. No floodlights shall be allowed. Exterior lighting shall be directed toward the ground.
- B. Building Permit Plan Requirements.** The following requirements shall be incorporated into the construction plans submitted to the Building and Safety Division with applications for building permits. All of these construction requirements shall be carried out in the field and completed prior to the issuance of a Certificate of Occupancy:
1. **Design Review Requirements Included on Plans:** Plan submitted for building permits shall show all design elements as approved by Architectural Board of Review.
 2. **Construction Hours.** Construction (including preparation for construction work) is prohibited Monday through Friday before 8:00 a.m. and after 5:00 p.m., and all day on Saturdays, Sundays and holidays observed by the City of Santa Barbara as shown below:

D. Prior to Certificate of Occupancy. Prior to issuance of the Certificate of Occupancy, the Owner of the Real Property shall complete the following:

- 1. Repair Damaged Public Improvements.** Repair any damaged public improvements (curbs, gutters, sidewalks, etc.) subject to the review and approval of the Public Works Department. Where tree roots are the cause of the damage, the roots shall be pruned under the direction of a qualified Arborist.
- 2. New Construction Photographs.** Photographs of the new construction, taken from the same locations as those taken of the story poles prior to project approval, shall be taken, attached to 8 ½ x 11” board and submitted to the Planning Division.

E. Litigation Indemnification Agreement. In the event the Planning Commission approval of the Project is appealed to the City Council, Applicant/Owner hereby agrees to defend the City, its officers, employees, agents, consultants and independent contractors (“City’s Agents”) from any third party legal challenge to the City Council’s denial of the appeal and approval of the Project, including, but not limited to, challenges filed pursuant to the California Environmental Quality Act (collectively “Claims”). Applicant/Owner further agrees to indemnify and hold harmless the City and the City’s Agents from any award of attorney fees or court costs made in connection with any Claim.

Applicant/owner shall execute a written agreement, in a form approved by the City Attorney, evidencing the foregoing commitments of defense and indemnification within thirty (30) days of the City Council denial of the appeal and approval of the Project. These commitments of defense and indemnification are material conditions of the approval of the Project. If Applicant/Owner fails to execute the required defense and indemnification agreement within the time allotted, the Project approval shall become null and void absent subsequent acceptance of the agreement by the City, which acceptance shall be within the City’s sole and

absolute discretion. Nothing contained in this condition shall prevent the City or the City's Agents from independently defending any Claim. If the City or the City's Agents decide to independently defend a Claim, the City and the City's Agents shall bear their own attorney fees, expenses and costs of that independent defense.

NOTICE OF COASTAL DEVELOPMENT PERMIT TIME LIMITS:

The Planning Commission's action approving the Coastal Development Permit shall expire two (2) years from the date of approval, per SBMC 28.45.009.q, unless:

1. Otherwise explicitly modified by conditions of approval of the development permit, or unless construction or use of the development has commenced.
2. A building permit for the work authorized by the coastal development permit is issued prior to the expiration date of the approval.
3. A one (1) year time extension may be granted by the Planning Commission if the construction authorized by the permit is being diligently pursued to completion and issuance of a Certificate of Occupancy. Not more than three (3) extensions may be granted.
