CITY OF SANTA BARBARA PLANNING COMMISSION

**RESOLUTION NO. 011-11
2409 MEDCLIFF DRIVE
COASTAL DEVELOPMENT PERMIT
MAY 5, 2011**

APPLICATION OF MICHELLE MCTOLDRIDGE AGENT FOR ALEX MCGEEVER, 2409 MEDCLIFF DRIVE, APN 041-330-045, E-3/SD-3 SINGLE FAMILY RESIDENTIAL /COASTAL OVERLAY ZONES, GENERAL PLAN DESIGNATION: RESIDENTIAL 5 UNITS/ACRE (MST2011-00045/CDP2011-00002)

The project consists of a new 500 net square foot garage with roof mounted solar panels, a new driveway approach, the conversion of the existing garage to habitable space, removal of existing driveway and approach, new landscaping, a new outdoor shower, and the addition of a new second floor balcony for an existing two-story single-family residence.

The discretionary application required for this project is a Coastal Development Permit (CDP2011-00002) to allow the proposed development in the Appealable Jurisdiction of the City's Coastal Zone (SBMC §28.45.009);

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 (Existing Facilities).

WHEREAS, the Planning Commission has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak in favor of the application, and 1 person appeared to speak in opposition thereto or with concerns, and the following exhibits were presented for the record:

1. Staff Report with Attachments, April 28, 2011.
2. Site Plans
3. Correspondence received in opposition to the project:
 - a. Mark Hansen and Ann Bronstein, via email
 - b. Paula Westbury, Santa Barbara, CA

NOW, THEREFORE BE IT RESOLVED that the City Planning Commission:

- I. Approved the subject application making the following findings and determinations:

Coastal Development Permit (SBMC §28.44.150)

The project is consistent with the policies of the California Coastal Act, the City's Local Coastal Plan, all implementing guidelines and all applicable provisions of the Code because the remodel is compatible with the existing neighborhood, would not be visible from the beach or impact views from public view corridors, would not impact public access, would not contribute to safety or drainage hazards on the site, including those related to seacliff retreat, and is not located on an archaeologically sensitive site, as described in Section VI of the staff report.

II. Said approval is subject to the following conditions:

A. **Order of Development.** In order to accomplish the proposed development, the following steps shall occur in the order identified:

1. Pay Land Development Team Recovery Fee.
2. Record any required documents (see Recorded Conditions Agreement section).
3. Permits.
 - a. Make application and obtain a Building Permit (BLD) for construction of approved development.
 - b. Make application and obtain a Public Works Permit (PBW) for all required public improvements.

Details on implementation of these steps are provided throughout the conditions of approval.

B. **Recorded Conditions Agreement.** The Owner shall execute a *written instrument*, which shall be prepared by Planning staff, reviewed as to form and content by the City Attorney, Community Development Director and Public Works Director, recorded in the Office of the County Recorder, and shall include the following:

1. **Approved Development.** The development of the Real Property approved by the Planning Commission on May 5, 2011 is limited to the conversion of approximately 382 square feet of existing floor area into habitable space, the construction of a second story balcony and the construction of a new detached 500 square foot two-car garage and the improvements shown on the Tentative Subdivision Map plans signed by the chairman of the Planning Commission on said date and on file at the City of Santa Barbara.
2. **Uninterrupted Water Flow.** The Owner shall provide for the continuation of any historic uninterrupted flow of water onto the Real Property including, but not limited to, swales, natural watercourses, conduits and any access road, as appropriate.
3. **Recreational Vehicle Storage Limitation.** No recreational vehicles, boats, or trailers shall be stored on the Real Property unless enclosed or concealed from view as approved by the Single Family Design Board (SFDB).
4. **Landscape Plan Compliance.** The Owner shall comply with the Landscape Plan approved by the Single Family Design Board (SFDB). Such plan shall not be modified unless prior written approval is obtained from the SFDB. The landscaping on the Real Property shall be provided and maintained in accordance with said landscape plan, including any tree protection measures. If said landscaping is removed for any reason without approval by the SFDB, the owner is responsible for its immediate replacement.
5. **Storm Water Pollution Control and Drainage Systems Maintenance.** Owner shall maintain the drainage system and storm water pollution control devices in a functioning state. Should any of the project's surface or subsurface drainage structures or storm water pollution control methods fail to capture, infiltrate, and/or treat water, or result in increased erosion, the Owner shall be responsible for any necessary repairs to the system and restoration of the eroded area. Should repairs or restoration become necessary, prior to the commencement of such repair or restoration work, the Owner shall submit a repair and restoration plan to the Community Development Director to determine if an amendment or a new Building Permit and Coastal Development Permit is required to authorize such work. The Owner is

responsible for the adequacy of any project-related drainage facilities and for the continued maintenance thereof in a manner that will preclude any hazard to life, health, or damage to the Real Property or any adjoining property.

6. **Areas Available for Parking.** All parking areas and access thereto shall be kept open and available in the manner in which it was designed and permitted.
- C. **Requirements Prior to Permit Issuance.** The Owner shall submit the following, or evidence of completion of the following, for review and approval by the Department listed below prior to the issuance of any permit for the project. Some of these conditions may be waived for demolition or rough grading permits, at the discretion of the department listed. Please note that these conditions are in addition to the standard submittal requirements for each department.
1. **Public Works Department.**
 - a. **Approved Public Improvement Plans.** Public Improvement Plans as identified in condition D.1.d "Medcliff Road Public Improvements" shall be submitted to the Building and Safety Division of Community Development for review and approval by the Public Works Department. Upon acceptance of completed public improvement plans, a Public Works permit shall be issued concurrently with the Building permit.
 - b. **Water Rights Assignment Agreement.** The Owner shall assign to the City of Santa Barbara the exclusive right to extract ground water from under the Real Property in an *Agreement Assigning Water Extraction Rights*. Engineering Division Staff prepares said agreement for the Owner's signature.
 - c. **Drainage and Water Quality.** The project is required to comply with Tier 3 of the Storm Water Management Plan treatment, rate, and volume. The Owner shall submit drainage calculations prepared by a registered civil engineer or licensed architect demonstrating that the new development will comply with the City's Storm Water Management Plan. Project plans for grading, drainage, stormwater facilities and treatment methods, and project development, shall be subject to review and approval by the City Building Division and Public Works Department. Sufficient engineered design and adequate measures shall be employed to ensure that no significant construction-related or long-term effects from increased runoff, erosion and sedimentation, urban water pollutants including, but not limited to trash, hydrocarbons, fertilizers, bacteria, etc., or groundwater pollutants would result from the project.
 - d. **Medcliff Road Public Improvements.** The Owner shall submit building plans for construction of improvements along the property frontage on Medcliff Road. As determined by the Public Works Department, the improvements shall include remove and replace to City standards, the following: approximately 22 linear feet of sidewalk and a driveway apron modified to meet Title 24 requirements with a maximum width of 18 feet. Any work in the public right-of-way requires a Public Works Permit.
 - e. **Construction-Related Truck Trips.** Construction-related truck trips for trucks with a gross vehicle weight rating of three tons or more shall not be scheduled during peak hours (7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m.) in order to help reduce truck traffic on adjacent streets and roadways.

2. **Community Development Department.**

a. **Recordation of Agreements.** The Owner shall provide evidence of recordation of the written instrument that includes all of the Recorded Conditions identified in Section B "Recorded Conditions Agreement" to the Community Development Department prior to issuance of any building permits.

~~b. **Design Review Requirements.** Plans shall show all design, landscape, and tree protection elements, as approved by the appropriate design review board and as outlined in Section C "Design Review," and all elements/specifications shall be implemented on-site.~~

e.b. **Conditions on Plans/Signatures.** The final Resolution shall be provided on a full size drawing sheet as part of the drawing sets. A statement shall also be placed on the sheet as follows: The undersigned have read and understand the required conditions, and agree to abide by any and all conditions which are their usual and customary responsibility to perform, and which are within their authority to perform.

Signed:

_____		Date
Property Owner		
_____		Date
Contractor		License No.
_____		Date
Architect		License No.
_____		Date
Engineer		License No.

D. **Construction Implementation Requirements.** All of these construction requirements shall be carried out in the field by the Owner and/or Contractor for the duration of the project construction, including demolition and grading.

1. **Construction Contact Sign.** Immediately after Building permit issuance, signage shall be posted at the points of entry to the site that list the contractor(s) name and telephone number, construction work hours, site rules, and construction-related conditions, to assist Building Inspectors and Police Officers in the enforcement of the conditions of approval. Said sign shall not exceed six feet in height from the ground if it is freestanding or placed on a fence. It shall not exceed 24 square feet if in a multi-family or commercial zone or six square feet if in a single-family zone.
2. **Construction Storage/Staging.** Construction vehicle/ equipment/ materials storage and staging shall be done on-site. No parking or storage shall be permitted within the public right-of-way, unless specifically permitted by the Transportation Manager with a Public Works permit.
3. **Unanticipated Archaeological Resources Contractor Notification.** Standard discovery measures shall be implemented per the City master Environmental Assessment throughout grading and construction: Prior to the start of any vegetation or paving removal, demolition, trenching or grading, contractors and construction personnel shall be alerted to the possibility of uncovering unanticipated subsurface archaeological features or artifacts. If such

archaeological resources are encountered or suspected, work shall be halted immediately, the City Environmental Analyst shall be notified, and the Owner shall retain an archaeologist from the most current City Qualified Archaeologists List. The latter shall be employed to assess the nature, extent and significance of any discoveries and to develop appropriate management recommendations for archaeological resource treatment, which may include, but are not limited to, redirection of grading and/or excavation activities, consultation and/or monitoring with a Barbareño Chumash representative from the most current City qualified Barbareño Chumash Site Monitors List, etc.

If the discovery consists of possible human remains, the Santa Barbara County Coroner shall be contacted immediately. If the Coroner determines that the remains are Native American, the Coroner shall contact the California Native American Heritage Commission. A Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.

If the discovery consists of possible prehistoric or Native American artifacts or materials, a Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.

A final report on the results of the archaeological monitoring shall be submitted by the City-approved archaeologist to the Environmental Analyst within 180 days of completion of the monitoring and prior to any certificate of occupancy for the project.

E. **Prior to Certificate of Occupancy.** Prior to issuance of the Certificate of Occupancy, the Owner of the Real Property shall complete the following:

1. **Repair Damaged Public Improvements.** Repair any public improvements (curbs, gutters, sidewalks, roadways, etc.) or property damaged by construction subject to the review and approval of the Public Works Department per SBMC §22.60.090. Where tree roots are the cause of the damage, the roots shall be pruned under the direction of a qualified arborist.
2. **Complete Public Improvements.** Public improvements, as shown in the building plans, including utility service undergrounding shall be completed.

F. **General Conditions.**

1. **Compliance with Requirements.** All requirements of the city of Santa Barbara and any other applicable requirements of any law or agency of the State and/or any government entity or District shall be met. This includes, but is not limited to, the Endangered Species Act of 1973 [ESA] and any amendments thereto (16 U.S.C. § 1531 et seq.), the 1979 Air Quality Attainment Plan, and the California Code of Regulations.
2. **Approval Limitations.**
 - a. The conditions of this approval supersede all conflicting notations, specifications, dimensions, and the like which may be shown on submitted plans.
 - b. All buildings, roadways, parking areas and other features shall be located substantially as shown on the plans approved by the Planning Commission.

- c. Any deviations from the project description, approved plans, or conditions must be reviewed and approved by the City, in accordance with the Planning Commission Guidelines. Deviations may require changes to the permit and/or further environmental review. Deviations without the above-described approval will constitute a violation of permit approval.
3. **Land Development Team Recovery Fee Required.** The land development team recovery fee (30% of all planning fees, as calculated by staff) shall be paid at time of building permit application.
4. **Litigation Indemnification Agreement.** In the event the Planning Commission approval of the Project is appealed to the City Council, Applicant/Owner hereby agrees to defend the City, its officers, employees, agents, consultants and independent contractors ("City's Agents") from any third party legal challenge to the City Council's denial of the appeal and approval of the Project, including, but not limited to, challenges filed pursuant to the California Environmental Quality Act (collectively "Claims"). Applicant/Owner further agrees to indemnify and hold harmless the City and the City's Agents from any award of attorney fees or court costs made in connection with any Claim.

Applicant/Owner shall execute a written agreement, in a form approved by the City Attorney, evidencing the foregoing commitments of defense and indemnification within thirty (30) days of being notified of a lawsuit regarding the Project. These commitments of defense and indemnification are material conditions of the approval of the Project. If Applicant/Owner fails to execute the required defense and indemnification agreement within the time allotted, the Project approval shall become null and void absent subsequent acceptance of the agreement by the City, which acceptance shall be within the City's sole and absolute discretion. Nothing contained in this condition shall prevent the City or the City's Agents from independently defending any Claim. If the City or the City's Agents decide to independently defend a Claim, the City and the City's Agents shall bear their own attorney fees, expenses, and costs of that independent defense.

NOTICE OF COASTAL DEVELOPMENT PERMIT TIME LIMITS:

The Planning Commission action approving the Coastal Development Permit shall expire two (2) years from the date of final action upon the application, per Santa Barbara Municipal Code §28.44.230, unless:

1. Otherwise explicitly modified by conditions of approval for the coastal development permit.
2. A Building permit for the work authorized by the coastal development permit is issued prior to the expiration date of the approval.
3. The Community Development Director grants an extension of the coastal development permit approval. The Community Development Director may grant up to three (3) one-year extensions of the coastal development permit approval. Each extension may be granted upon the Director finding that: (i) the development continues to conform to the Local Coastal Program, (ii) the applicant has demonstrated due diligence in completing the development, and (iii) there are no changed circumstances that affect the consistency of the development with the General Plan or any other applicable ordinances, resolutions, or other laws.

Chair Jostes opened the public hearing at 1:04 P.M. and, with no one wishing to speak, closed the hearing.

III. **CONCEPT REVIEW:**

ACTUAL TIME: 1:05 P.M.

APPLICATION OF DEVICENTE + MILLS ARCHITECTURE, ARCHITECT FOR HABITAT FOR HUMANITY OF SOUTHERN CALIFORNIA, 822 & 824 E. CAÑON PERDIDO STREET, 031-042-006 & 031-042-007, C-2 COMMERCIAL ZONE, GENERAL PLAN DESIGNATION: RESIDENTIAL 12 UNITS/ACRE (MST2011-00182)

The project involves the demolition of two existing single-family residences and garages, merging the two existing parcels (APNs 031-042-006 and 031-042-007) totaling 19,303 square feet, a one-lot subdivision for the purposes of constructing 12 affordable (low- and very-low income) condominiums. The units mix is comprised of a 725 square foot, one-bedroom unit, nine two-bedroom units ranging in size from 974 to 1,187 square feet, and two 1,356 square foot three-bedroom units. Fifteen parking spaces are provided; 12 attached one-car garages and three guest parking spaces. The project proposes to use the City's Bonus Density Program. The purpose of the concept review is to allow the Planning Commission and the public an opportunity to review the proposed project design at a conceptual level and provide the Applicant and Staff with feedback and direction regarding the proposed land use and design. The opinions of the Planning Commission may change or there may be ordinance or policy changes that could affect the project that would result in requests for project design changes. **No formal action on the development proposal will be taken at the concept review, nor will any determination be made regarding environmental review of the proposed project.**

The discretionary applications required for this project are:

1. A request for a Voluntary Lot Merger to merge to existing lots into a single 19,303 square foot lot.
2. A Modification to provide less than required front setback of 10 feet for the two-story building and 15 feet for the three-story building.
3. A Modification to provide less than the required 10 foot interior setback.

4. A Modification to provide less than the 27 required parking spaces (SBMC§ 28.90.100.G.3)
5. Two Modifications to allow the distance between main buildings to less than the required 15 feet. (SBMC§28.21.070).
6. A Lot Area Modification to provide less than the required 28,230 square feet of lot area.
7. A Tentative Subdivision Map for a one-lot subdivision to create twelve (12) residential condominium units (SBMC 27.07 and 27.13).

Case Planner: Suzanne Riegle, Assistant Planner
Email: SRiegle@SantaBarbaraCA.gov

Phone: 805-564-5470, ext. 2687

Suzanne Riegle, Assistant Planner, gave the Staff presentation.

Edward de Vicente, DMA Architects, gave the applicant presentation joined by Ryan Mills, DMA Architects; Jon Peterson, Director of Operations, Habitat for Humanity; and Jan Hubbell, Board Member, Habitat for Humanity.

The Planning Commission provided the following comments on the project:

1. The majority of the Commission felt that the affordability covenants should be a part of the Conditions of Approval. Commissioner Jordan added that local resident purchase be included as a part of the Conditions of Approval, and not just a part of the Applicant's policy.
2. Commissioners Jacobs and Larson suggested a Solar Study be conducted on the West side of the property. Staff responded that under the Solar Access Ordinance, this project did not require a study, but had one been required, it would have been limited to the East side of the property line where there is more sun.
3. Many Commissioners expressed a desire to learn more about the project's impact on on-street parking and felt that the neighborhood could not support any increase in on-street parking. Commissioner Jordan suggested that parking management condition of approval consider alternatives to enforcement that were not fee related. Also, suggested that guest parking be moved up front.
4. Commissioner Bartlett suggested consideration of carriage-style garage doors with window panes to allow monitoring that garage use was for parking and not alternative uses.
5. Commissioners held varied opinions on the location of the playground, with some suggesting consideration of alternatives, such as a center location.
6. The Commission expressed support for the Pedestrian Master Plan improvements; however, many commissioners did not support the front setback modification that would be created by a dedication for the improvements. Direction was given to the applicant to provide the minimum required front setback; which could be achieved by reducing unit sizes, particularly the two-bedroom units.
7. Some Commissioners suggested that the project height be reduced and cell tower locations of the neighboring property be considered.

8. Commissioners Larson and Schwartz expressed appreciation for the sustainability efforts made by the Applicant. Commissioner Larson recommended that hard surfaces be pervious paving and suggested consideration for bicycle parking and a trash plan.

IV. DISCUSSION ITEMS

ACTUAL TIME: 2:21 P.M.

RECUSALS: To avoid any actual or perceived conflict of interest, the following Commissioners recused themselves from hearing the following two agenda items:

- Commissioner Larson recused herself due to her husband being employed by Cottage Hospital.
- Commissioner Bartlett recused himself due to his firm being a contractor to Cottage Hospital.

Commissioners Bartlett and Larson left the dais at 2:22 P.M.

A. **CONSTRUCTION UPDATE FOR SANTA BARBARA COTTAGE HOSPITAL (SBCH), 320 WEST PUEBLO STREET, APNS: 025-100-001; 025-061-015; & 025-171-050; SP-8 HOSPITAL ZONE, GENERAL PLAN DESIGNATION: MAJOR PUBLIC AND INSTITUTIONAL/MEDICAL CENTER (MST2003-00152)**

Annual construction updated on the construction activities for Santa Barbara Cottage Hospital. The project was approved by the Planning Commission (PC) on March 24, 2005 (Resolution No. 020-05) and by the City Council on April 25, 2005 (Amended PC Resolution No. 020-05). The City Council certified the Final Environmental Impact Report (FEIR) for the project on March 24, 2005 pursuant to the California Environmental Quality Act Guidelines Sections 15091.

DISCUSSION ITEM - Staff presented an annual update on the status and effectiveness of construction related mitigations and monitoring for the Cottage Workforce Housing Project. **No formal action on the project was taken during this discussion item.**

Case Planner: Suzanne Riegler, Assistant Planner
Email: SRiegler@SantaBarbaraCA.gov

Phone: 805-564-5470, ext. 2687

Suzanne Riegler, Assistant Planner, gave the Staff presentation.

Suzanne Elledge, Suzanne Elledge Planning & Permitting Services, responded to questions regarding how construction complaints were received and tracked.

Ron Biscaro, Chief Vice President for Project Management, Santa Barbara Cottage Hospital, responded to the Planning Commission's questions.

Chair Jostes opened the public hearing at 2:34 P.M. and, with no one wishing to speak, the public hearing was closed.

The Planning Commission appreciated the project's progress and commended the good job in neighborhood outreach and response to neighborhood concerns, especially given the magnitude and scale of the project. The Commission also appreciated the inclusion of artwork by local artists that will be showcased in the hospital.

ACTUAL TIME: 2:39 P.M.

B. CONSTRUCTION UPDATE FOR VILLA RIVIERA REAL ESTATE COMPANY, 601 E. MICHELTORENA ST, 027-270-030, C-O (MEDICAL OFFICE) AND R-2 (TWO FAMILY RESIDENTIAL) ZONES, GENERAL PLAN DESIGNATION: MAJOR PUBLIC AND INSTITUTIONAL-MEDICAL CENTER AND RESIDENTIAL-12 DWELLING UNITS PER ACRE (MST2003-00827)

Six-month construction update on the demolition of the former St. Francis Hospital complex and construction of 115 residential condominiums on approximately 5.94 acres of the 7.39 acre site (previously referred to as the "Cottage Workforce Housing Project"). The project was approved by the Planning Commission on September 21, 2006 (Resolution No. 039-06), and by the City Council on December 19, 2006 (Resolution No. 06-103). The City Council certified the Final Environmental Impact Report (FEIR) for the project on December 19, 2006 pursuant to the California Environmental Quality Act Guidelines Sections 15090 and 15091. An addendum to the certified FEIR was prepared pursuant to California Environmental Quality Act Guidelines Section 15164.

DISCUSSION ITEM - Staff presented a six-month update on the status and effectiveness of construction related mitigations and monitoring for the Cottage Workforce Housing Project. **No formal action on the project was taken during this discussion item.**

Case Planner: Allison DeBusk, Project Planner
Email: ADebusk@SantaBarbaraCA.gov

Phone: 805-564-5470, ext. 4552

Allison DeBusk, Project Planner, gave the Staff presentation.

Ron Biscaro, Chief Vice President for Project Management, Santa Barbara Cottage Hospital, responded to the Planning Commission's questions.

Chair Jostes opened the public hearing at 3:01 P.M. and with no one else wishing to speak, the public hearing was closed.

Discussion was held on a potential request by the Applicant for schedule flexibility, particularly during concrete pour work, but also for lumber deliveries. The majority of the Commission could not support Saturday deliveries, but understands the need to extend weekday work hours for concrete set-up and pours, and could support that portion of the request.

The Commission acknowledged that the number of complaints received relative to the scope of the project was remarkable and found the value of mitigation monitoring evident in both Cottage Hospital presentations.

V. ADMINISTRATIVE AGENDA

ACTUAL TIME: 3:08 P.M.

A. Committee and Liaison Reports.

1. Staff Hearing Officer Liaison Report

None was given.

2. Other Committee and Liaison Reports

- a. Commissioner Lodge reported on the Airport Commission meeting of May 18, 2011 and announced the upcoming airport gala on June 17, 2011 and June 19, 2011 public open house. Additional information could be found at www.FlySBA.com.

VII. ADJOURNMENT

Chair Jostes adjourned the meeting at 3:11 P.M.

Submitted by,

Julie Rodriguez, Planning Commission Secretary
