BICYCLE MASTER PLAN

The Public Works Department will provide the Planning Commission with an update on the progress of the 2016 Bicycle Master Plan and the additional public outreach directed by City Council. Public comment is welcome.

The intent of the Bicycle Master Plan is to establish a set of goals, policies and projects for the City of Santa Barbara in order to improve safety for all road users, reduce collisions, close gaps in the bicycle network and improve transportation options and public health. The 2016 Santa Barbara BMP is a Bicycle Transportation Plan pursuant to Section 891.2 of the Streets and Highways code.

The California Environmental Quality Act (CEQA) Statute, Section 21080.20 and 21080.37 of the Government Code, requires that a proposed Bicycle Transportation Plan hold at least one noticed public hearing in areas affected by the proposed Plan to hear and respond to public comments. This is the third noticed hearing on the BMP to fulfill this requirement and allow for a Notice of Exemption to be filed with the Office of Planning and Research at time of City Council approval/adoption of the BMP.

Information related to the Draft BMP is kept current on the website: www.SantaBarbaraCA.gov/BMP.
