## CITY OF SANTA BARBARA PLANNING COMMISSION

RESOLUTION NO. 008-16

1417 SAN MIGUEL AVENUE

STAFF HEARING OFFICER APPEAL OF FRONT SETBACK MODIFICATION

MARCH 10, 2016

**APPLICATION OF DON SWANN, DESIGNER FOR MICHAEL AND JAMI GOTT, 1417 SAN MIGUEL AVENUE, APN 045-132-006, E-3/SD-3 (ONE FAMILY RESIDENCE/COASTAL) ZONES, GENERAL PLAN DESIGNATION: LOW DENSITY RESIDENTIAL (MAX.5 DU/ACRE) (MST2015-00426)**

The 10,589 square-foot site is currently developed with a 1,513 sq. ft., two-story, single family residence, a detached two-car garage and an uncovered parking space. The proposed project involves a circular driveway and parking/loading space at the front of the house, with a new curb cut and driveway. The discretionary application required for this project is a Front Setback Modification to allow uncovered parking in the required 20-foot front setback (SBMC §28.15.060 and SBMC §28.92.110).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 and 15305 (Existing Facilities and Minor Alterations to Land Use Limitations).

**WHEREAS**, the Planning Commission has held the required public hearing on the above application, and the Applicant was present.

**WHEREAS**, no one appeared to speak in favor of the application, or appeared to speak in opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, March 3, 2016
2. Site Plans

**NOW, THEREFORE BE IT RESOLVED** that the City Planning Commission:

Denied the appeal and upheld the Staff Hearing Officer's decision to deny the subject application.

The Planning Commission finds that the Modification to allow an uncovered parking space within the Front Setback is not consistent with the purposes and intent of the Zoning Ordinance and is not necessary to secure an appropriate improvement on the lot, as the uncovered parking space is inconsistent with the pattern of development within the neighborhood and three conforming parking spaces currently exist onsite.

This motion was passed and adopted on the 10th day of March, 2016 by the Planning Commission of the City of Santa Barbara, by the following vote:

AYES: 6 NOES: 1 (Thompson) ABSTAIN: 0 ABSENT: 0

PLANNING COMMISSION RESOLUTION No.008 -16  
1417 SAN MIGUEL AVENUE
