(Concept review of permanent signs for Acura to replace their temporary signs. The application includes an exception request to increase the total square footage on the site where the maximum allowable square footage is already exceeded. Proposed are two 6.2 square foot face-lit channel letter wall signs and an internally illuminated 27 square foot ground sign. The total proposed 39.4 square feet of permanent signage replaces 19.5 square feet of temporary signage. An exception is requested to allow the proposed total of 180.5 square feet to exceed the maximum of 90 square feet. An addition of 39.4 square feet of signage is being requested in addition to 160.6 square feet of existing signage. The linear building frontage is 260 feet. The allowable signage is 90 square feet.)

(Project requires exception findings for total square footage over the maximum allowable.)

Postponed indefinitely.
