1. Study the location and design of the "Victoria Court" wall sign at the west (rear) elevation. The Committee expressed concern about the height of the sign on the elevation and would like it to appear as a more discreet sign.
2. The "VC" mural signage in the courtyard is acceptable as it is not visible from public rights-of-way.
3. One Committee member expressed concern about the appearance of the surface-mounted piping on the west (rear) elevation, as it relates to its potential conflict with signage.
