PLEASE BE ADVISED

Consent Items are reviewed in the David Gebhard Public Meeting Room at 630 Garden Street in a sequential manner as listed on the Consent Calendar Agenda. For example item "A" listed on the Consent Calendar will be heard first and item "Z" heard last. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced for hearing the item, the item will be moved to the end of the calendar agenda.

The applicant's presence is suggested so that the applicant can answer questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Single Family Design Board (SFDB) agenda.

Actions on the Consent Calendar agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent Calendar reviewing member of the SFDB may refer items to the Full Board for review.

Decisions of the SFDB may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office, City Hall, 735 Anacapa St. Appeals must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the date the action is ratified, (at the next regular Full Board meeting of the SFDB).

(Proposal to permit the "as-built" replacement of an existing 74 linear foot six-foot tall wood fence located within required front setback and the right-of-way along La Jolla Circle, and to relocate an "as-built" 64 linear foot 3.5-foot tall wood fence located in the right-of-way along Medcliff Road. The parcel is currently developed with an existing one-story single-family residence. The improvements will address the enforcement issues identified in ENF2011-00086. The project requires Staff Hearing Officer review for a requested zoning modification to allow a portion of the existing "as-built" fence to exceed 3.5 feet in height within the required setback. This proposal also requires an encroachment permit from the Public Works Department to allow the construction of the fences to be located within the public right-of-way.)
