Single Family Design Board

The Community Development Department, Planning Division, would like to invite you to join the City's e-Subscriptions system. This system allows you to manage subscriptions to City email lists that cover a wide range of City topics and services, including the Single Family Design Board.

In an effort to increase efficiency and reduce our paper usage, the e-Subscriptions service is being offered to replace mailed meeting agendas. If you would like to continue receiving Single Family Design Board agendas and begin using e-subscriptions, please type the link below into your web browser, follow the instructions, and sign-up for the e-Subscriptions notification.
