The discretionary application required for this project is a Modification to permit the building's accessibility ramp and landing to be located within the required 10-foot front yard setback facing Castillo Street (SBMC §28.49.030).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15305.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak either in favor or in opposition of the application thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, February 6, 2008.
2. Site Plans
3. Correspondence received in opposition to the project:
Paula Westbury, 650 Miramonte Drive, Santa Barbara, CA 93109

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

Approved the front yard modification for the access ramp, subject to time limit approval until December 31, 2013, and review of the access ramp and related landscaping by the Architectural Board of Review, making the findings that the Modification is necessary to secure an appropriate improvement on the lot by providing access to the building and meets the purpose and intent of the Ordinance by not providing floor area within the required 10-foot setback.

This motion was passed and adopted on the 13th day of February, 2008, by the Staff Hearing Officer of the City of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the City of Santa Barbara Staff Hearing Officer at its meeting of the above date.
