CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 029-08

810 BOND AVENUE AND 516 N. NOPAL STREET

TENTATIVE SUBDIVISION MAP AND CONDOMINIUM CONVERSION

APRIL 9, 2008

APPLICATION OF OROSZ ENGINEERING GROUP, INC., AGENT FOR PETER AND SYLVIA KURRELS, 810 BOND AVENUE AND 516 N. NOPAL STREET, APN 031-234-022, C-2, COMMERCIAL ZONE, GENERAL PLAN DESIGNATION: INDUSTRIAL (MST2004-00351)

The proposed project involves the conversion of an existing four-story, mixed-use development consisting of three apartments and one commercial unit to four condominium units on a 7,185 square foot lot. The residential units consist of one 601 square foot one-bedroom unit, one 1,137 square foot two-bedroom unit, and one 1,262 square foot three-bedroom unit for a total of 3,000 square feet. The commercial space is 3,171 square feet. Seven parking spaces (two covered and five uncovered) are provided. No exterior architectural alterations are proposed.

The discretionary applications required for this project are:

1. Tentative Subdivision Map for a one-lot subdivision to create three residential condominium units and one commercial condominium unit (SBMC§27.07); and
2. Condominium Conversion to allow the conversion of three apartments and one commercial unit to four condominium units (SBMC§28.88).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 (Existing Facilities).

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak either in favor of the application or opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, April 2, 2008.
2. Site Plans
3. Correspondence received in opposition to the project:
Paula Westbury, 650 Miramonte Drive, Santa Barbara, CA 93109

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

Denied the project, as unable to make the findings for a Tentative Subdivision Map and Condominium Conversion; therefore making the determination that the overall design, including project amenities and physical condition of the condominium conversion for mixed-use, will not result in an aesthetically attractive, safe, and quality construction for a condominium conversion project per Ordinance standards.

This motion was passed and adopted on the 9th day of April, 2008 by the Staff Hearing Officer of the City of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the City of Santa Barbara Staff Hearing Officer at its meeting of the above date.
