The discretionary application required for this project is a Modification to permit alterations to portions of the residence currently located within the required thirty-foot (30') front setback (SBMC §28.15.060).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15301.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one people appeared to speak in favor or opposition of the application, and the following exhibits were presented for the record:

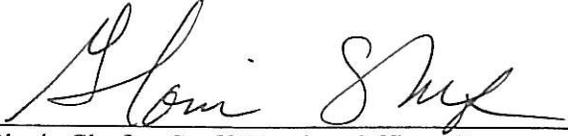

1. Staff Report with Attachments, October 15, 2008.
2. Site Plans.
3. Correspondence received in opposition to the project:
Paula Westbury, 650 Miramonte Drive, Santa Barbara CA 93109.

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

- I. Approved the modification to alter window sizes and locations and add a 13' long by 3' wide entry porch with a 2' roof overhang in the front setback making the finding that the alterations are consistent with the purposes and intent of the zoning ordinance and are necessary to secure appropriate alterations to accommodate the new floor plan.
- II. Said approval is subject to the condition that a zoning compliance declaration be recorded against the property's title, due to the configuration of the proposed under-story area.

This motion was passed and adopted on the 22nd day of October, 2008 by the Staff Hearing Officer of the city of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the city of Santa Barbara Staff Hearing Officer at its meeting of the above date.
