RESOLUTION NO. 019-09  
2140 MISSION RIDGE ROAD  
MODIFICATION  
MARCH 11, 2009

**APPLICATION OF EAST BEACH VENTURES FOR DISRAELI LIVING TRUST,  
2140 MISSION RIDGE ROAD, APN 019-071-003, A-1 ONE-FAMILY RESIDENCE ZONE,  
GENERAL PLAN DESIGNATION: RESIDENTIAL 1 UNIT PER ACRE (MST2008-00318)**

The 15,745 square foot project site is currently developed with a single family residence, attached 2-car garage, swimming pool, and detached accessory building. The proposed project involves a 1,000 square foot first floor addition and 79 square foot second story addition to the residence, and 96 square feet of new accessory space. Nine existing trees are proposed to be removed. The discretionary application required for this project is a Modification to permit the addition to be located within the required Open Yard Area (SBMC §28.15.060).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15305.

**WHEREAS**, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

**WHEREAS**, no one people appeared to speak in favor of the application, and two people appeared to speak in opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, March 4, 2009.
2. Site Plans
3. Correspondence received in opposition to the project:
  - a. Sally Anderson, 28 Mountain Drive
  - b. Paula Westbury, 650 Miramonte Drive
  - c. Patricia Aomoya, 2134 Mission Ridge Road

**NOW, THEREFORE BE IT RESOLVED** that the City Staff Hearing Officer:

- I. Approved the subject application making the following findings and determinations:

The Modification is consistent with the purposes and intent of the Zoning Ordinance and is necessary to secure an appropriate improvement on the lot. The site is constrained in that it is irregularly shaped and the existing house is to the rear of the site. The proposed addition does not reduce the private outdoor living area which is located in front of the residence which is improved with amenities for the intended use.

- II. Said approval is subject to the following conditions:
1. Reduce the turn around area within the interior setback to the minimum necessary per the Transportation Department.
  2. Return to the Single Family Design Board to study the planting for adequate screening between the neighbor's property.

This motion was passed and adopted on the 11th day of March, 2009 by the Staff Hearing Officer of the city of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the city of Santa Barbara Staff Hearing Officer at its meeting of the above date.
