- II. Said approval is subject to the following conditions:
  - A. If the building is demolished beyond what is shown on the Staff Hearing Officer approved plans, then the construction of the project shall be halted, and the applicant and/or property owner shall contact Planning Division Staff for a determination on whether the interior setback Modification is still valid.
  - B. The new door within the south interior setback shall be for access to the water softener only. No exterior lighting shall be permitted within the interior setback.
