The 6,098 square-foot site is located on a corner lot in the Appealable Jurisdiction of the Coastal Zone and is developed with a 3,686 square foot two-story single-family residence. On July 22, 2013, the Single Family Design Board approved alterations to the residence including the replacement of windows and doors, replacement of the exterior siding to match existing, and replacement of the existing roof with a new metal roof. Following the approval, the applicant revised the project to include a new second story window.
