**APPLICATION OF THOMAS A. WOODWARD, FOR THOMAS A. WOODWARD TRUST,

Also proposed is demolition of an existing 350 square foot concrete slab at the rear of the property. The existing 1,137 square foot, one-story dwelling unit at the front of the parcel will remain unaltered.

The discretionary application required for this project is a Parking Modification to allow three covered parking spaces instead of the two covered and two uncovered parking spaces required (SBMC § 28.90.100.G and SBMC § 28.92.110).

The project activity is within the scope of the 2011 General Plan and the Program EIR analysis for the General Plan. No further environmental document is required for this project pursuant to the California Environmental Quality Act (Public Resources Code §21083.3 and Code of Regulations §15183). City Council environmental findings adopted for the 2011 General Plan remain applicable for this project.
