The 5,970 square-foot site is currently developed with a 1,333 square-foot one-story single family dwelling with an attached 263 square foot one-car garage. The project will address violations identified in a Zoning Information Report (ZIR2016-00083).

The discretionary application required for this project is a Front Setback Modification to allow an addition and alterations to the dwelling including new entry steps and guardrails and new and relocated window and doors within the required twenty-foot secondary front setback facing Calle Rosales (SBMC §28.15.060, 28.45.008, 28.15 and 28.92.110).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 and 15305 (Existing Facilities and Minor Alterations in Land Use Limitations).
