PRIVATE TREE PRUNING/REMOVAL APPLICATION REVIEW

Chapter 15.24 of the City of Santa Barbara Municipal Code establishes protections for privately owned trees. Protected trees include designated Specimen and Historic trees, trees located in the front zoning setback of a parcel, trees located in commercial parking lots, and trees identified on an approved plan. This chapter requires that a property owner apply for a permit to remove or to significantly prune a tree.

Pruning: Whenever a property owner desires to significantly prune a tree (alter the natural character or remove more than one-quarter or 25% of the crown of the tree in a 12-month period), the owner shall submit an arborist report for approval by the Parks and Recreation Department or the Community Development Department.

Tree Removal: Whenever a property owner desires to remove a designated Specimen or Historic tree or a tree located in the zoning setback from the street (setback tree), the applicant shall apply to the Parks and Recreation Department for a removal permit. Setback tree removal applications are first reviewed by the Street Tree Advisory Committee. A site visit, by the Street Tree Advisory Committee, is included as part of the review process. The Street Tree Advisory Committee makes recommendations to the Parks and Recreation Commission. The review process takes up to 60 days. Both the Street Tree Advisory Committee and the Parks and Recreation Commission consider tree applications during regularly scheduled public meetings. If the removal request is approved, the full cost of tree removal and replacement, if required, shall be borne by the applicant.

Applications to remove trees located in the El Pueblo Viejo Landmark District, Brinkerhoff Avenue Landmark District, commercial parking lots, or on an approved plan are processed by the Community Development Department.

APPEAL PROCESS

If the Parks and Recreation Commission denies a setback removal application, the Commission's decision can be appealed to the Santa Barbara City Council and a written notice thereof must be filed within 10 days of the Commission's action. The appeal notice can be either hand delivered to the Clerk's Office at City Hall, 735 Anacapa Street, Santa Barbara, CA 93102, or mailed to the City Clerk at P.O. Box 1990, Santa Barbara, CA 93102-1990. An appeal processing fee is required in the amount of \$150, as currently set per City Council resolution.

PRUNING OR REMOVAL OF A SETBACK TREE WITHOUT A PERMIT
