Each applicant must correctly fill in one (1) of such application forms, sign the same and certify, under penalties of perjury, that the contents are true and correct. The completed applications shall be submitted to the Tax and Permit Inspector who shall compute the proper tax amount and on payment of such amount, and any accrued penalties, shall issue the appropriate receipt. (Ord. 2983 §2(part), 1964; Ord. 2930 §10(b), 1963.)

- (2) Number and/or type of vehicles used; or
- (3) Lineal feet of billboard; or
- (4) Number of coin-operated machines; or
- (5) Number of employees and/or agents; or

gross income, number and/or type of vehicles, lineal feet of billboard, number of coin-operated machines, number of employees and/or agents, or increments of building values on building permits, or number of real estate transactions, as is appropriate, which will be applicable to his business for the following twelve (12) month period. Such estimate, if accepted as reasonable, shall be used by the Tax and Permit Inspector in determining the amount of tax to be paid by such applicant during such twelve (12) month period; provided, however, that the amount of tax so determined shall be tentative only and such applicant shall, within twenty-eight (28) days after the expiration of the twelve (12) month period for which such estimate was made and taxes paid, submit to the Tax and Permit Inspector a certified or sworn statement upon a form furnished by the Tax and Permit Inspector, containing the actual gross income, number and/or type of vehicles, lineal feet of billboards, number of coin-operated machines, number of employees and/or agents, or increments of building values on building permits, or number of real estate transactions, as is appropriate, applicable to such person's business during the preceding twelve (12) month period. The taxes based upon such actual data shall be then finally ascertained and, if greater than amounts actually paid, the applicant shall pay the difference between the two (2) amounts. If such finally ascertained tax amount be less than taxes actually paid, such excess shall be credited against the tax required to be paid for the next year; or, if such excess shall be refunded to the payee upon his filing a claim therefor in the Finance Office within one (1) year from the expiration of the twelve (12) month period for which the taxes were paid. The Tax and Permit Inspector shall not issue to any such person another receipt for payment for the same or any other business until such person shall have furnished to him the written statement and paid the tax as required. (Ord. 3951, 1978; Ord. 2983 §3(part), 1964; Ord. 2930 §11(a), 1963.)

5.04.250 Fixed Sum Tax - Renewal.

Where there has been no change in the conduct, character or extent of business, any person required to pay a fixed sum annual tax under this chapter shall not be required to file a renewal application upon the expiration of the period for which such tax has been paid. (Ord. 2983 §4(part), 1964; Ord. 2930 §12(a), 1963.)

5.04.260 Variable Sum Tax - Renewal.

Any person required to pay an annual tax which is measured by applying a specified rate or amount to a variable factor, shall submit an application for renewal of such receipt of tax payment within twenty-eight (28) days following the expiration of the period for which such tax has been paid. The application for renewal shall be upon a form to be provided by the Tax and Permit Inspector, certified under penalties of perjury to be true and correct, setting forth such information concerning the applicant's business during the preceding year as may be required by the Tax and Permit Inspector to enable him to ascertain the amount of tax to be paid by such applicant for the renewal period. (Ord. 2983 §4(part), 1964; Ord. 2930 §12(b), 1963.)

5.04.270 Corrected Application and Statements.

The Tax and Permit Inspector may require a corrected statement or a corrected application to be filed for any period for which payment of a tax was made at any time within three (3) years from the expiration of such tax period in order to explain an unreasonable inconsistency between reported facts and facts gleaned from other sources. (Ord. 3951, 1978; Ord. 2983 §4(part), 1964; Ord. 2930 §12(c), 1963.)

5.04.280 Information Confidential - Disclosure.

The information furnished or secured pursuant to this chapter, except for the name of the applicant, the name and address of the business, and the nature of the business, shall be confidential. Any willful and unwarranted disclosure or use of such confidential information by any officer or employee of the City shall constitute a misdemeanor. (Ord. 2983 §5, 1964; Ord. 2930 §13, 1963.)

5.04.290 Failure to File Application - Tax and Permit Inspector's Powers to Determine.

If any person fails to file any required application or statement within the time prescribed, or if after demand made by the Tax and Permit Inspector he fails to file a corrected statement or a corrected application, the Tax and Permit Inspector may determine the amount of tax due from such person by means of such information as he may be able to obtain, adding any accrued penalties computed with respect to the determined tax amount. (Ord. 2983 §6(part), 1964; Ord. 2930 §14(a), 1963.)

5.04.300 Tax and Permit Inspector - Notice of Tax Determination and Penalties.

In case such a determination is made, the Tax and Permit Inspector shall give notice of tax determination, together with accrued penalties, by serving such notice personally upon the person liable for payment, or by depositing it in the United States Post Office at Santa Barbara, or a mail box, sub-post office, substation or mail chute, or other like facility regularly maintained by the Government of the United States, in a sealed envelope, postage prepaid, addressed to such person at his last known address. Service by mail is complete at the date of deposit, except that one (1) additional day within which such person may respond to such notice as required shall be allowed for every full one hundred (100) miles distance between the place of deposit and the place of address. (Ord. 2983 §6(part), 1964; Ord. 2930 §14(b), 1963.)

5.04.310 Failure to Pay Determined Amount - Hearing - Notice.

Within ten (10) days after service of the notice of tax determination, the person served may pay the determined tax amount, together with accrued penalties. If such person does not pay the determined amount, together with accrued penalties, on or before the expiration of such tax (10) day period, the Tax and Permit Inspector must cause the matter to be set for hearing before the City Council within twenty-one (21) days. Notice of hearing shall be served by the Tax and Permit Inspector upon such person at least ten (10) days prior to the date set for such hearing in the manner prescribed above for service of notice of tax determination. Upon the hearing, the Council shall consider all evidence produced, and written notice of its findings thereon, which findings shall be final, shall be served upon such person by the Tax and Permit Inspector in the manner prescribed above for the service of notice of tax determination. If the Council finds that the amount of tax due and unpaid is equal to or greater than the amount initially determined by the Tax and Permit Inspector, the Council shall add twenty dollars (\$20.00) to the total of the amount of tax unpaid and accrued penalties to cover the cost of administration and hearing in the matter. (Ord. 2983 §6(part), 1964; Ord. 2930 §14(c), 1963.)

5.04.320 Accrual of Penalties.

The City Council of the City of Santa Barbara finds that air quality in the City and surrounding area now violates Federal Air Quality Standards on a significant number of days each year, that motor vehicle emissions contribute a greater quantity of pollutants than any other source, that commercial and fleet vehicles registered in the City contribute a significant part of the pollutants from all motor vehicles and that the health, safety and welfare of the residents of the City are seriously affected by deterioration in air quality. It is the purpose of this chapter to reduce the quantity of emissions from commercial and fleet vehicles by providing a reduction in business tax to owners of such vehicles to encourage conversion to a gaseous fuel system emitting low levels of pollutant. (Ord. 3588, 1973.)

Such reduction in tax shall commence with the original payment or repayment of a business tax following the effective date of this ordinance and upon such application being made. (Ord. 3588, 1973.)

5.06.040 Computation of Tax Reduction.

Business tax reduction pursuant to this chapter shall be computed at fifty percent (50%) of the vehicle day schedules set forth in Sections 5.04.480 and 5.04.490 of this Code. Such reduction, however, shall not be limited to individuals operating businesses of trucking, hauling or transporting persons for hire, but shall for the purpose of this chapter apply to all those who have paid business taxes. Notwithstanding the above, it is hereby provided:

- (a) That no reduction pursuant to this chapter shall exceed an amount equal to fifty percent (50%) of the total business tax due before reduction, and
- (b) That no reduction shall exceed the sum of fifty dollars (\$50.00) on account of any one (1) motor vehicle during the total period of years during which said motor vehicle is operated. (Ord. 3588, 1973.)

5.06.050 Form of Application.

A business tax payee applying for reduction of business tax pursuant to this chapter shall do so on a form to be provided by the City Treasurer, which form shall include a certification by the applicant under penalty of perjury that the information provided is true and complete. The said applicant shall also present a State of California conversion certificate, pertaining to the motor vehicle or vehicles on account of which application is made. (Ord. 3588, 1973.)

5.06.070 Criteria of Conversion.

For the purposes of this chapter, a conversion must at least meet the standards set forth in California State Revenue & Taxation Code Section 8657. (Ord. 3588, 1973.)

5.06.080 Automatic Repeal of Chapter.

This chapter shall terminate, and shall have no further force or effect five (5) years from the date of its adoption unless extended prior to the expiration of said period; provided that, reduction in business tax first allowed prior to the expiration of said period shall continue beyond said period until the maximum reduction of fifty dollars (\$50.00) is obtained for any one (1) motor vehicle. (Ord. 3588, 1973.)

5.06.090 Effect of Transfer of Motor Vehicle.

If a converted motor vehicle is transferred from one (1) business tax payee to another, the transferee shall receive, in the manner prescribed above, the balance, if any, of the reduction of business tax up to the maximum of fifty dollars (\$50.00) allowed for one (1) motor vehicle. C. POLICE CHIEF TO RENEW. The Police Chief shall review and approve the renewal of a dance permit if the Chief determines that no circumstances existed during the term of the prior valid dance permit, which circumstances would justify the suspension or revocation of the permit as specified in Section 5.20.150, or which circumstances necessitate revisions to the conditions of approval imposed on the Permit.

D. REFERRAL OF RENEWAL APPLICATION TO BOARD. Notwithstanding the above, the Police Chief may refer a decision on the renewal or non-renewal of a Nightclub Dance Permit to the Board of Fire and Police Commissioners for a hearing and decision on renewal application in the first instance and in a manner consistent with the requirements for an original Nightclub Dance Permit application. If a permittee is a partnership, or a California limited liability company, a transfer of capital interest to a new partner or partners (or members) which computed alone or cumulatively with previous transfers would result or has resulted in the transfer of ownership of a more than twenty-five percent (25%) interest in the capital of the partnership or limited liability company.

2. Corporations. The transfer of more than twenty-five percent of the voting stock in a corporation which is either itself the permittee or is a general partner in a partnership which is the permittee.

5.20.150 Suspension or Revocation of a Dance Permit.

A. SUSPENSION OF PERMIT BY POLICE CHIEF. The Police Chief may act to temporarily suspend any dance permit issued pursuant to this Chapter when, in the Chief’s determination, a person holding a permit has violated any condition imposed on the issuance on the permit, or where the operation of the dance establishment has occurred in a way that constitutes an ongoing public nuisance.

A suspension shall be valid for a period not to exceed sixty (60) days from the date of the suspension unless, in the case of a Nightclub permit, a suspension is appealed by the permittee to the Board of Fire and Police Commissioners pursuant to this section, or the permittee has received a notice of revocation during the sixty (60) day suspension period, in which case the suspension shall be until the Board completes a revocation hearing and issues a written decision on revocation if such a hearing is requested by the permittee in a timely fashion.

B. REVOCATION OF A DANCE PERMIT. The Police Chief may, at the Chief’s discretion, issue a written notice of intent to revoke a dance permit to a dance permittee. Such an intent to revoke shall be based only upon the Chief’s receipt of information that one of the grounds for revocation listed herein has occurred. A notice of revocation shall be effective not less than ten (10) days after the issuance of a notice of intent to revoke.

C. APPEAL OF A SUSPENSION/REVOCATION DETERMINATION. A permittee who has received a notice of intent to suspend or a notice of intent to revoke a dance permit may appeal the proposed suspension or revocation to the Board of Fire and Police Commissioners by filing a written notice of appeal with the Chief of Police within 10 days of the date of the mailing of the notice of revocation or of the notice of suspension.

D. SUSPENSION/REVOCATION APPEAL HEARING. An appeal of the proposed suspension or revocation of a dance permit shall be conducted by the Board in accordance with the requirements of SBMC Chapter 1.30.

E. GROUNDS FOR SUSPENSION OR REVOCATION. The suspension or revocation of a dance permit shall be based on a written finding, supported by adequate evidence, that one or more of the following circumstances has occurred with respect to the operation of the establishment holding the dance permit:

1. That the Permittee has allowed repeated violations of any provision of this Chapter, the Municipal Code, or any statute, ordinance, or regulation relating to his or her permitted business activity to occur; or

6. That the Permittee has substantially altered or changed the approved interior site plan floor configuration or the security plan.

2. Required Participation In Mediation. No such Nightclub Permit appeal shall be heard by the City Council unless, prior to the Council appeal hearing date, the appellant (where the appellant is not the dance permittee) shall have offered to participate in a private mediation process with the permittee in order to determine if the appellant's concerns with the permit application (or its operation) can be appropriately addressed by mutual agreement entered into by mediation, and such mediation has been completed. Such a mediation shall take the form described in Municipal Code Section 22.76.070 of this Code and the regulations adopted pursuant to this Chapter. (Prior Code §6.8.)

5.52.090 Substitution of Articles.

It shall be unlawful for any auctioneer or agent, employee or assistant, to substitute any article in lieu of the article offered to and purchased by the bidder, except with the bidder's knowledge and consent; or to attempt to induce the purchaser of any article to accept, in lieu of the article, any other articles. Renewal of any permit required by this chapter shall be promptly applied for at the expiration date thereof. Should application for a renewal permit be made more than ten (10) days following the expiration date of the permit, then a fifty percent (50%) penalty charge to defray the cost to follow up shall be required for the renewal, in addition to the permit cost. 5.62.020 Cable and Related Service Franchises.

A. **AUTHORITY TO GRANT FRANCHISES.** Pursuant to the authority of City Charter Article XIV, the Grantor may grant a Franchise to provide Cable Service to any Person who offers to provide a System pursuant to this Chapter.

B. **FORM.** A Franchise may, at Grantor's sole option, take the form of an ordinance, license, permit, contract, resolution, or any other form elected by Grantor.

C. **GRANTS NOT REQUIRED.** Consistent with applicable state and federal law, no provision of this Chapter requires the granting of a Franchise when, in the opinion of the Grantor, it is in the public interest not to do so.

D. **PURPOSE.** The purpose of a Franchise is to identify and authorize the operation of a Cable Communications System by a specific Grantee, and to identify and specify those terms, conditions, definitions, itemizations, specifications and other particulars of the agreement between the Grantor and Grantee. In so doing, a Franchise may clarify, extend, and interpret the provisions of this Chapter. Where a Franchise and this Chapter conflict, both shall be liberally interpreted to achieve a common meaning or requirement. In the event this is not possible within reasonable limits, the Franchise (together with the provisions of the authorizing ordinance) shall prevail. Unless otherwise specifically stated, no provision of this Chapter shall be deemed to be contractually incorporated into any Franchise granted hereunder.

E. **COMPLIANCE WITH LAW.** Neither this Chapter nor a Franchise granted under it relieves Grantee of any requirement of Grantor, or of any ordinance, rule, regulation, or specification of Grantor now or hereafter in effect pursuant to Grantor's police power, including, but not limited to, the obtaining of a business license, and the payment of all permit and inspection fees required from time to time by the Grantor.

F. **FRANCHISE NON-EXCLUSIVE.** Grantor may, at its option, grant one or more Franchises to construct, operate, maintain, and reconstruct a System. Said Franchises shall constitute both a privilege and an obligation to provide the System and Services required by this Chapter and the Franchise.

G. **DURATION.** The term of any Franchise, and all rights, privileges, obligations and restrictions pertaining thereto, shall be specified in the Franchise. The effective date of any Franchise shall be as specified in the Franchise.

H. **USE OF PUBLIC STREETS AND RIGHTS-OF-WAY.** For the purposes of operating and maintaining a System in the franchised Service Area, a Grantee may place and maintain within the public rights-of-way such property and equipment as are necessary and appurtenant to the operation of the Cable Communications System. Prior to construction or alteration of the Plant in public rights of way, the Grantee shall apply for, pay all applicable fees, and receive all necessary permits.

I. **USE OF OTHER UTILITIES.** Any Person who provides a System or Services as defined herein shall be deemed a Grantee and must obtain a Franchise. If such Grantee uses distribution channels furnished by any telephone company, other public utility, or any other entity which are functionally equivalent to those used by a Cable Operator, said Grantee shall be required to comply with all of the provisions of this Chapter.

J. **ASSIGNMENT, TRANSFER OR SALE OF FRANCHISE.** There shall be no assignment of a Franchise, in whole or in part, or any change in Control of the Grantee without the prior express written approval of the Grantor. Any assignment or transfer, or any change in Control, without the Grantor's prior written consent shall constitute a default which will cause a Franchise to terminate.

1. **Prior Written Request.** At least one hundred twenty (120) days before a proposed assignment or change in Control of the Franchise is scheduled to become effective, the Grantee shall request in writing the Grantor's written consent. The Grantee shall submit to the Grantor a written application in a form specified by relevant federal or state law, or, in the absence of such specification, in a format specified by the Grantor together with:

- a. any other information or documentation required by the State or Federal government (including the FCC);
- b. the declaration required by subsection J(5) below;
- c. unedited and unredacted copies of the sale or transfer documents with all schedules and exhibits thereto; and

d. information regarding the financial ability and stability of the proposed assignee with respect to being able to perform all obligations of the existing Franchise.

2. **Standard of Reasonableness.** The Grantor shall not unreasonably withhold its consent to such an assignment or change in control. However, in evaluating the request for assignment, transfer, sale, or change in Control, the Grantor may, in its sole discretion and among other things, undertake a technical inspection and audit of the System to determine whether the System complies with all applicable technical and safety codes, and with this Chapter and the Franchise.

3. **Lack of Compliance.** If the Grantor determines (as a result of the technical inspection and audit) that the System does not comply with federal, state, or local standards, then the Grantee shall be provided with an opportunity to correct or cure the non-compliance. In the alternative, the Grantor may work with both the current and proposed Grantee to cure the non-compliance.

4. **Review of Operational Reports.** If the Grantee has not previously supplied the Grantor with certain operational reports and data, then the Grantee shall submit to the Grantor the following reports at the time it submits the report required pursuant to subsection 5.62.020(J)(1) above:
- a. FCC Form 395-A relating to equal employment opportunity and fair contracting policies or a form specified by relevant federal or state law or, in the absence of such specification, in a format specified by the Grantor;
 - b. Periodic revenue statements in the format referenced in this Chapter; and
 - c. Subscriber logs in the format referenced in Section 5.62.040(E) of this Chapter.
5. **Written Acknowledgment of Franchise.** Before an assignment or change in Control is approved by the Grantor, the proposed assignee, transferee, or buyer shall execute a declaration acknowledging that it has read, understood, and will abide by both this Chapter and the applicable Franchise.
6. **Assumption of Franchise Obligations.** In the event of any approved assignment or change in Control, the assignee or transferee shall assume all obligations and liabilities of the former Grantee relating to the Franchise unless specifically relieved by the Grantor at the time the assignment or change in Control is approved.
7. **Disapproval.** If the Grantor disapproves a request for consent, then the Grantee may submit another request or an amended request for consent. In such a situation, the one hundred twenty (120) day time-frame begins to run anew.
8. **Reimbursement of Processing and Review Costs for Transfers and Renewals.** To the extent not prohibited by applicable law, Grantee shall reimburse Grantor for Grantor's reasonable processing and review expenses in connection with a transfer of the Franchise or a change in Control of the Franchise, including without limitation, costs of administrative review, financial, legal and technical evaluation of the proposed transferee, costs of consultants (including technical and legal experts), notice and publication costs, and document preparation expenses. In addition, prior to any transfer or change in Control, Grantee shall reimburse Grantor for all of Grantor's expenses in connection with evaluating or negotiating a renewal of Grantee's franchise, whether or not said renewal was ever finalized or granted. Grantor may send Grantee an itemized description of all such charges, and Grantee shall pay such amount within twenty (20) days after the receipt of such description. Any such reimbursement shall not be charged against any franchise fee due to the Grantor during the term of the franchise.
9. **Violation.** If the Grantee violates any provision of subsection J of this Section 5.62.020, the Franchise shall automatically terminate. The procedures contained in Section 5.62.100 shall not apply to an unlawful transfer or change in Control, and the Franchise shall automatically terminate upon the occurrence of such a violation. (Ord. 5004, 1997.)

5.62.030 Rights Reserved to the Grantor.

- A. **RESERVATION OF RIGHTS.** Grantor reserves every right it may have in relation to its power of eminent domain over Grantee's Franchise and property.
- B. **NON-WAIVER.** Neither the granting of any Franchise, nor any provisions of this Chapter, shall constitute or be construed as a waiver or bar to the exercise of any governmental right or power by Grantor.
- C. **DELEGATION OF POWERS.** Any right or power in, or duty retained by or imposed upon Grantor, or any commission, officer, employee, department, or board of Grantor, may be delegated by Grantor to any officer, employee, department or board of Grantor, or to such other person or entity as Grantor may designate to act on its behalf.
- D. **RIGHT TO INSPECT CONSTRUCTION.** The Grantor shall have the right to inspect all construction, installation, or other physical work performed by Grantee in connection with the Franchise, and to make such tests as may be necessary to ensure compliance with the terms of this Chapter and the Franchise, so long as said inspection and testing does not unreasonably interfere with Grantee's operations.
- E. **RIGHT TO REQUIRE REMOVAL OF PROPERTY.** Consistent with applicable law, at the expiration of the term or any renewal term or extension for which the Franchise is granted, or upon its lawful revocation, expiration, or termination, the Grantor shall have the right to require the Grantee to remove, at Grantee's expense, all portions of its System and any other property from all streets and public rights-of-way within the Franchise service area within a reasonable period of time.
- F. **RIGHT OF INTERVENTION.** The Grantor shall have the right of intervention in any suit, proceeding or other judicial or administrative proceeding in which the Grantor has any material interest, and to which the Grantee is party.
- G. **PLACE OF INSPECTION.** The Grantor shall have the right to inspect Grantee's local premises, and to request copies of all relevant information that is reasonably necessary for the exercise of Grantor's regulatory authority, upon reasonable notice at any time during normal business hours. Any Grantee records kept at another place shall, within ten (10) days of Grantor's request, be made available at Grantee's local premises within the County of Santa Barbara for Grantor's inspection and copying. All reports and records required pursuant to this Chapter shall be furnished at the sole expense of Grantee, except as otherwise provided in this Chapter or the Franchise. (Ord. 5004, 1997.)

5.62.040 Rights of Subscribers.

A. **DISCRIMINATORY PRACTICES PROHIBITED.** The Grantee shall not deny Cable Service or otherwise discriminate against Subscribers or others on the basis of race, color, religion, national origin, sex, age, handicap, or other protected classes. The Grantee shall strictly adhere to the equal employment opportunity requirements of federal, state, or local governments and shall comply with all applicable laws and executive and administrative orders relating to non-discrimination.

B. **TAPPING AND MONITORING.** The Grantee shall not tap or monitor, or permit any other person controlled by Grantee to tap or monitor, any cable, line, signal input device or subscriber outlet or receiver, for any purpose whatsoever without the express written consent of the Subscriber or a court order therefor; provided, however, that the Grantee may monitor customer service calls for quality control purposes and may conduct system-wide or individually addressed "sweeps" for the purpose of verifying system integrity, controlling return path transmission, or checking for unauthorized connections to the Cable Television System, service levels, or billing-for-pay services.

C. DATA COLLECTION.

1. **Confidentiality of Customer Preferences.** Except for its own use, or in connection with the provision of Cable Services or for release of data to the Grantor, the Grantee shall not permit its system to be used for data collection purposes, nor shall it otherwise collect data which would reveal the commercial product or other preferences or opinions of an individual Subscriber, members of their families, or their guests, licensees or employees, unless the Grantee shall have received the prior written consent of such Subscriber.

2. **Release of Aggregate Data Only.** In any event, the Grantee shall not disclose or permit the release or sale of data on individual Subscribers or groups thereof, but may disclose or permit the release or sale of aggregate data only.

D. DISCLOSURE OF SUBSCRIBER PREFERENCES.

1. Grantee shall not disclose individual Sub-scriber preferences, viewing habits, beliefs, philosophy, creeds, or religious beliefs to any third person, firm, agency, governmental unit, or investigating agency without court authority or the prior written consent of the Subscriber.

2. Such written consent, if given, shall be limited to a period of time not to exceed one year, or a term agreed upon by the Grantee and the Subscriber.

3. The Grantee shall not condition the delivery or receipt of Cable Services to any Subscriber on any such consent.

4. A Subscriber may revoke, without penalty or cost, any consent previously given by delivering to the Grantee in writing a statement of the Subscriber's intent to so revoke.

E. **DISCLOSURE OF SUBSCRIBER LISTS.** The Grantee shall not disclose, or sell, or permit the disclosure or sale of its sub-scriber list without the prior written consent of each Subscriber on such list; however, Grantee may use its subscriber list as necessary for the construction, marketing, and maintenance of the Grantee's services and facilities authorized by a Franchise, and the billing of Subscribers for Cable Services and Grantor may use Grantee's subscriber list for the purpose of communication with Subscribers in connection with matters relating to the operation, management, and maintenance of the Cable System.

F. **OTHER PERSONS AFFECTED.** The prohibitions contained in paragraphs A through E, inclusive, of this Section apply to Grantee, as well as to all of the following:

1. Officers, directors, employees, agents and General and Limited Partners of the Grantee;

2. Any person or combination of persons owning, holding, or controlling twenty percent (20%) or more of any corporate stock or other ownership interests in the Grantee;

3. Any affiliated or subsidiary entity owned or controlled by Grantee, or in which any officer, director, stockholder, general, or limited partner, or person or group of persons owning, holding or controlling any ownership interest in the Grantee, shall own, hold or control twenty percent (20%) or more of any corporate stock or other ownership interests; and

4. Any person, firm, or corporation acting or serving in the capacity of a holding or controlling company of the Grantee.

G. **SUBSCRIBER NOTICE OF RIGHTS.** Grantee shall provide to all Subscribers, at the time of initial connection and annually thereafter, a notice describing, in understandable language, the Subscriber's rights and obligations that are generally provided under the Franchise and federal law, including a description of how to contact the Grantee and, if necessary, the Grantor, in the event of an unresolved Subscriber complaint.

H. **NOTICE TO NEW SUBSCRIBERS.** Before providing Cable Service to any Subscriber, Grantee shall provide a written notice to the Subscriber containing substantially the following information:

"Subscriber understands that Company uses public rights-of-way and other facilities of the City of Santa Barbara in providing service and that this continued use cannot be guaranteed. Subscriber agrees not to make any claims against the City of Santa Barbara or its officers or employees in the event that such use is denied for any reason, and Company is unable, in its discretion, to provide service over alternate routes."

I. **COMPLAINT ADVICE.** Grantor may require Grantee to advise its Subscribers that complaints of poor service should be made to Grantor's representative if such complaints are not resolved by Grantee to the satisfaction of a Subscriber. (Ord. 5004, 1997.)

5.62.050 Finance.

A. PAYMENTS TO THE GRANTOR.

1. **Franchise Fee.** As compensation for any Franchise to be granted, and in consideration of permission to use the Grantor's streets and public rights-of-way for the construction, operation, maintenance, and reconstruction of a System, the Grantee shall pay to the Grantor the amounts specified in the Franchise.

2. **Monthly Payments and Reports.** Payments due the Grantor shall be computed on a monthly basis and shall be paid to Grantor within fifteen (15) days after the close of each month. The payment shall be accompanied by a report showing the basis for the computation and such other relevant facts as may be required by the Grantor to determine the accuracy of the payment. A final annual reconciliation, and payment if any, shall be delivered to Grantor by Grantee within ninety (90) days after the end of each calendar year.

3. **Late Payments and Reports.** If any franchise payment or recomputed amount is not made on or before the dates specified above in subsection 2, Grantee shall pay as additional compensation the greater of the following:

a. An interest charge, computed from the applicable due date, at an annual rate equal to the prevailing commercial prime interest rate in effect upon the due date, plus one percent (1%).

b. A sum of money equal to ten percent (10%) of the overdue amount for each month, or part thereof, of delay, which sum shall also bear interest from the due date at an annual rate equal to the prevailing commercial prime interest rate in effect upon the due date, plus one percent (1%).

4. **Late Penalty.** In addition to any late payment made pursuant to subsection 3 above, if a payment is late by sixty days or more, Grantee shall pay a sum of money equal to five percent (5%) of the amount due in order to defray additional expenses and costs incurred by Grantor as a result of such delinquent payment.

5. **No Release.** No acceptance of any payment shall be construed as a release of, or an accord, or satisfaction of, any claim that the Grantor might have for further or additional sums payable under the terms of this Chapter, or for any other performance by Grantee of an obligation hereunder.

6. **Not Taxes, Fees, or Assessments.** Payments of compensation made by a Grantee to the Grantor pursuant to the provisions of this Chapter are in addition to, and exclusive of, any and all authorized taxes, business license fees, and other fees, levies, or assessments now in effect, or subsequently adopted.

B. SECURITY FUND.

1. **Cash Security.** Within thirty (30) days after the effective date of the Franchise, the Grantee shall deposit into a bank account established by the Grantee, for the benefit of Grantor, and shall maintain on deposit through the term of the Franchise, a sum specified in the Franchise as security for the faithful performance by Grantee of all of the provisions of the Franchise, and compliance with this Chapter and with all orders, permits and directions of the Grantor, or any designated representative of the Grantor having jurisdiction over Grantee's acts or defaults under the Franchise or this Chapter, and as security for the payment by the Grantee of any claims, fees, liens, or taxes due the Grantor which arise by reason of the construction, operation or maintenance of the System pursuant to the Franchise or this Chapter, and to satisfy any actual or liquidated damages arising out of a Franchise breach.

2. **Use of Security Deposit.** Except as otherwise provided in the Franchise, if the Grantee fails, after twenty (20) days written notice, to pay to the Grantor any fees that are due and unpaid, or fails to repay within such twenty (20) days, any damages, costs or expenses which the Grantor is compelled to pay by reason of any act or default of the Grantee in connection with its Franchise; or if Grantee fails to comply with any provision of the Franchise or this Chapter and the Grantor determines that such failure was without just cause and, in a manner consistent with the procedures specified in Section 5.62.130 of this Chapter, Grantor reasonably determines it can be remedied by a withdrawal from the security fund or is nevertheless subject to liquidated damages, then, in any such event, the Grantor may immediately withdraw the amount thereof from the security fund, with interest and any liquidated damages. Upon such withdrawal, the Grantor shall notify the Grantee of the amount and the date of withdrawal.

3. **Restoration of Security.** Within thirty (30) days after notice to Grantee that any amount has been withdrawn by Grantor from the security fund, the Grantee shall deposit a sum of money sufficient to restore such security fund to the original amount.

4. **Release of Security.** Grantee shall be entitled to the return of the security fund, or portion thereof, with interest, that remains on deposit at the expiration or termination of the Franchise, once all amounts due to the Grantor have been paid. Grantee shall also retain its right to challenge any withdrawal from such security fund.

5. **Rights not Exclusive.** The rights reserved to the Grantor with respect to the security fund are in addition to all other rights of the Grantor, and no action, proceeding or exercise of a right with respect to such security fund shall affect any other right the Grantor may have.

C. **FAITHFUL PERFORMANCE BOND.** Within thirty (30) days after the effective date of the Franchise, the Grantee shall furnish proof of the posting of a faithful performance bond in favor of the Grantor, with corporate surety approved by the Grantor (which approval shall not be unreasonably withheld) in the sum specified in the Franchise and conditioned that the Grantee shall well and truly observe, fulfill, and perform each term and condition of the Franchise; provided, however, that such bond shall not be required after certification by Grantor of the completion of construction of Grantee's Cable System. The corporate surety must be authorized to issue such bonds in the State of California, and the bond must be obtained and secured through an authorized agent within the state of California only. During the course of construction, the amount of the bond may from time to time be reduced, as provided in the Franchise. Written evidence of payment of premiums shall be filed with the Grantor.

D. LETTER OF CREDIT.

1. **Bank Letter of Credit.** At the option of the Grantor, the Grantee may be authorized, in lieu of creating a Security Fund or obtaining a Faithful Performance Bond, to post an irrevocable letter of credit, issued by a bank approved by the Grantor, in the amount specified in the Franchise. Said letter of credit shall incorporate wording approved by the Grantor enabling it to draw from time to time such funds as the Grantor may determine to be necessary to satisfy any material defaults of Grantee or to make any payments due Grantor under or in connection with this Chapter or Grantee's Franchise, upon ten (10) days written notice to the issuer of the letter of credit. Said letter of credit shall further provide for sixty (60) days written notice by certified mail from its issuer to Grantor of any pending expiration or cancellation, and said notice shall without further cause constitute reason for the Grantor to draw the full sum to be held in its own accounts until such letter of credit is re-established in a form satisfactory to Grantor.

2. **Letter of Credit Fees.** If Grantor requires such a letter of credit, Grantee shall pay all fees or other charges required to keep it in force and shall, within thirty (30) days of any draw by Grantor, restore its face value to the original amount.

3. **Applicability of Prior Security Provisions.** All provisions herein applicable to bonds or security funds shall also apply to letters of credit. (Ord. 5004, 1997.)

5.62.060 Services.

A. **SERVICES TO BE PROVIDED.** A Cable System shall provide, as a minimum, the broad programming categories specified in the Franchise.

B. **CHANGES IN SERVICES.** Grantee shall inform Grantor and its Subscribers at least thirty (30) days in advance of making any change in a Cable Service, or in the rates charged therefor, unless Grantor agrees to waive this requirement in writing.

C. **NON-DISCRIMINATION.** Grantee shall not discriminate between or among Subscribers within one type or class in the availability of services, at either standard or differential rates according to published rate schedules, except as otherwise authorized by law. No charges may be made for services except as listed in published schedules which are available for inspection by anyone at Grantee's office, quoted by Grantee on the telephone, or displayed or communicated to all potential Subscribers.

D. **PREPAYMENT.** Grantee may not charge Subscribers for services more than one (1) month in advance unless an individual Subscriber requests a longer period. Bills may be due and payable upon mailing but shall not be delinquent, and no late charge penalties shall be assessed, until the later of: (i) twenty-two (22) days from postmark; or (ii) service has actually been provided for the billed period. All bills and billing statements shall clearly indicate the billing period, the actual due date, and the delinquent or late payment or assessment.

E. **DISCONNECT FOR CAUSE.** Grantee may disconnect a Subscriber only for cause, which shall include, without limitation, the following:

1. Payment delinquency in excess of forty-five (45) days after the delinquent bill was mailed to the Subscriber.

2. Willful or negligent damage to or misappropriation of Grantee's property.

3. Monitoring, tapping, or tampering with Grantee's system, signals, or service.

4. Threats of violence to Grantee's employees or property.

F. **RECONNECTION.** Grantee shall, upon Subscriber's written request, reconnect service which has been disconnected for payment delinquency when payment has removed the delinquency. If authorized by applicable law, a published standard charge may be made for reconnection. Grantee shall not be required to make more than three (3) reconnections for the same subscriber if the disconnections involved were caused by payment delinquency within any previous twenty-four (24) month period. Reconnection for disconnects covered by subsection E(2), E(3), or E(4) above shall be at Grantee's sole discretion.

G. INSTALLATIONS.

1. **Service within Franchise Service Area.** Grantee shall promptly provide and maintain service to the residential, commercial, and industrial structures as specified in the Franchise Service Area, as defined in the Franchise, upon request of the lawful occupant or owner.

2. **New Drops.** In the case of a new drop, Grantee shall advise each Subscriber that the Subscriber has the right to require that installation be done over any route on the Subscriber's property, and in any manner the Subscriber may elect which is technically feasible and consistent with proper construction practices. If the Subscriber requests installation other than a standard installation, then the Subscriber may be required to pay a reasonable fee for the time and materials occasioned by that installation.

3. **Standard Installation.** For purposes of this paragraph, a standard installation shall include installation of drop cable with fittings up to one hundred and fifty feet (150) feet from the CATV distribution system measured along the cable from the center line of the street or utility easement through the house wall or, at the Subscriber's option, through the floor from a house vent or crawl space directly to the Subscriber's television set with eight feet of cable from the wall or floor entry to the TV set. Also included as part of a standard installation is the grounding cable, fine tuning of the television set, and the provision by the Grantee of the appropriate literature and information.

4. **Time for Delivery of Service.** After Cable Service has been established by activating trunk or distribution cables for any area, Grantee shall provide Service to any person requesting Service in that area within seven days from the date of request, provided that the Grantee is able to secure all rights-of-way necessary to extend service to that potential Subscriber within that seven (7) day period on reasonable terms and conditions.

H. **NON-STANDARD INSTALLATIONS.** For each non standard drop installed, the Grantee may charge the subscriber for the cost of material and labor in excess of that for a standard drop. Grantee shall provide to each Subscriber a written estimate of all charges prior to installation and obtain Subscriber's written authorization in advance for all non-standard drop charges.

I. **CONVERTER/TERMINALS.** At such time as a converter or terminal is required for Subscribers to have access to all services on its System, Grantee shall make them available to Subscribers. Grantee may require each Sub-scriber who elects to install a converter or terminal to furnish a security deposit therefor.

1. **Property of Grantee.** Each converter or terminal device shall be and remain the property of the Grantee unless Grantor approves or requires its sale to the Subscriber. Grantee shall be responsible for maintenance and repair of all equipment owned by Grantee and may replace it as Grantee may from time-to-time elect, except that Subscriber shall be responsible for loss of or damage to any such device while in the Subscriber's possession.

2. **Return of Converter/Terminal.** Upon termination or cancellation of Sub-scriber's service, Subscriber shall promptly return Grantee's property to Grantee in the same condition as received, reasonable wear and tear excepted.

3. **Use of Security Deposit.** Grantee may apply the security deposit against any sum due from Subscriber for loss of or damage to such converter or terminal exceeding reasonable wear and tear. In the event that no security deposit has been required, the Grantee may charge the Subscriber for any such damage exceeding reasonable wear and tear.

4. **Return of Security Deposit.** If Grantee has no claim against the Subscriber's security deposit, Grantee shall return it, or the balance, to the Subscriber within twenty (20) days of return of the converter or terminal. (Ord. 5004, 1997.)

5.62.070 Design and Construction.

A. **SYSTEM CONSTRUCTION.** The System shall be constructed in accordance with the provisions of the Franchise.

B. **CONSTRUCTION COMPONENTS AND TECHNIQUES.** Construction components and techniques shall be in accordance with the Franchise and all applicable law.

C. **TECHNICAL AND PERFORMANCE STANDARDS.** Grantee shall construct, install, operate and maintain its System in a manner consistent with all applicable federal and state laws, and all applicable local ordinances, construction standards, construction specifications, governmental requirements, FCC technical standards, and any standards set forth in the Franchise.

D. **CONSTRUCTION CODES.** The Grantee shall strictly adhere to all building and zoning codes currently or here-after in force and shall obtain all necessary permits. The Grantee shall arrange its lines, cables, and other appurtenances, on both public and private property, in such a manner as to cause no unreasonable interference with the use of said property by any person. In the event of such interference, the Grantor may require the removal of the Grantee's lines, cables, and appurtenances from the property in question. Grantee shall give at least forty-eight (48) hours advance notice to all property owners and to the Grantor prior to installing any above-ground or underground structures upon easements located on private property. Grantee shall be a member of Underground Service Alert. Grantor shall not modify its construction requirements subsequent to the completion of construction so as to require reconstruction or retrofit unless the public health and safety so requires.

E. **SYSTEM CONSTRUCTION SCHEDULE.**

1. The Grantee shall begin to offer Cable Service and any other service authorized by the Franchise no later than the date specified in the Franchise.

2. The Grantee shall provide a detailed construction plan indicating progress schedule, area construction or reconstruction maps, test plan, and projected dates for offering service.

F. **GEOGRAPHICAL COVERAGE.** The Grantee shall construct the Cable System to service every Residential Dwelling Unit and other structures specified in the Franchise within the Franchise Service Area and any future annexations thereto (as defined and provided by the Franchise), with any exceptions requiring specific Grantor approval. Service shall be provided to Subscribers in accordance with the schedules specified in the Franchise. The route of separate cables serving institutional subscribers shall be as approved by Grantor and specified in the Franchise.

G. **CONSTRUCTION DEFAULT.** Upon the failure, refusal or neglect of Grantee to cause any construction, repair, or the terms of any building permit, or other necessary work to comply with the terms of the Franchise, thereby creating an adverse impact upon public safety, Grantor may (but shall not be required to) cause such work to be completed in whole or in part, and upon so doing shall submit to Grantee an itemized statement of costs. Grantee shall be given reasonable advance notice of Grantor's intent to exercise this power, and fifteen (15) days to cure the default. Grantee shall, within thirty (30) days of billing, pay to Grantor the actual costs incurred.

H. VACATION OR ABANDONMENT. In the event any street, alley, public highway, or portion thereof used by the Grantee shall be vacated by the Grantor, or the use thereof discontinued by the Grantee, upon reasonable notice the Grantee shall forthwith remove its facilities therefrom unless specifically permitted to continue the same. On the removal thereof Grantee shall restore, repair or reconstruct the area where such removal has occurred, to such condition as may be required by the Grantor, but not in excess of the original condition. In the event of any failure, neglect or refusal of the Grantee, after thirty (30) days' notice by the Grantor, to do such work, Grantor may cause it to be done, and Grantee shall, within thirty (30) days of billing, pay to Grantor the actual costs incurred.

I. ABANDONMENT IN PLACE. Grantor may, upon written application by Grantee, approve the abandonment of any property in place by Grantee, under such terms and conditions as Grantor may approve. Upon Grantor-approved abandonment of any property in place, Grantee shall cause to be executed, acknowledged, and delivered to Grantor such instruments as Grantor shall prescribe and approve, transferring and conveying the ownership of such property to Grantor.

J. REMOVAL OF SYSTEM FACILITIES. In the event that Grantee's plant is deactivated for a continuous period of thirty (30) days (except for reasons outside Grantee's control), without prior written notice to and approval by Grantor, then Grantee shall, at Grantor's option and demand, and at the sole expense of Grantee, promptly remove from any streets or other areas all property of Grantee. Grantee shall promptly restore the streets or other areas from which such property has been removed to its condition existing prior to Grantee's use thereof; provided that Grantee shall not be required to remove conduit from underground, where Grantor has determined no damage to the surface of any structures will result from such non--removal.

K. MOVEMENT OF FACILITIES. In the event it is necessary at Grantor's discretion, to temporarily move or remove any of the Grantee's property to accommodate construction activity or a project of the Grantor, Grantee, upon reasonable notice, shall move, at the expense of Grantee, its property as may be required to facilitate such public purpose. No such movement shall be deemed a taking of Grantee's property. Nothing herein shall limit the right of Grantee to seek reimbursement from any party other than Grantor.

L. UNDERGROUNDING OF CABLE. Cables shall be in--installed underground at Grantee's cost where either electricity or telephone utilities are already underground pursuant to the Grantor's adopted undergrounding policy. Previously installed aerial cable shall be installed underground at Grantee's pro rata cost in concert with other utilities only when such other utilities convert from aerial to underground construction.

M. FACILITY AGREEMENTS. No Franchise shall relieve Grantee of any obligations involved in obtaining pole or conduit space from any department of Grantor, any utility company, or from others maintaining utilities in Grantor's streets.

N. EXTENSION OF FRANCHISE SERVICE AREA. If Grantor elects to grant one or more Franchises hereunder, and if thereafter one or more of the Franchises expires or is otherwise terminated, Grantor may, if it so elects, require a remaining Grantee, or more than one, to extend its System to provide service to the Franchise Service Area previously served under the terminated Franchise, unless Grantee demonstrates to Grantor's reasonable satisfaction that it is not commercially practicable to do so; provided, however, that Grantee shall not be required to over--build any existing system. The terms and requirements of such extension shall not exceed those contained in this Chapter or in Grantee's Franchise.

O. REPAIR OF STREETS AND PUBLIC WAYS. Any and all streets and public ways, and improvements located within such streets and public ways, disturbed or damaged by the Grantee or its contractors during the construction, operation, maintenance, or reconstruction of the System, shall be restored at Grantee's expense, and within the time frame and limits specified by Grantor, to their original condition unless otherwise authorized in writing by Grantor.

P. ERECTION OF POLES PROHIBITED. The Grantee shall not erect any pole on or along any street or public way where there is an existing aerial utility system. If additional poles in an existing aerial route are required, Grantee shall negotiate with the public utility for their installation. Any such installation shall require the advance written approval of the Grantor. Subject to applicable federal and state law, the Grantee shall negotiate the lease of pole space and facilities from the existing pole owners for all aerial construction, under mutually acceptable terms and conditions.

Q. RESERVATION OF STREET RIGHTS. Nothing in a Franchise shall prevent the Grantor from constructing, repairing, or altering any public work. All such work shall be done, insofar as practicable, in such manner as not to unnecessarily obstruct, injure or prevent the free use and operation of any property of Grantee. However, if any property of Grantee shall interfere with the construction, maintenance, or repair of any public improvement, that property shall be removed or replaced in such manner as directed by Grantor so that the same shall not interfere with the public work, and such removal or replacement shall be at the expense of the Grantee. (Ord. 5004, 1997.)

5.62.080 Operations and Maintenance.

A. MAINTENANCE AND COMPLAINTS.

1. **Service Area Office.** The Grantee shall maintain an office in the Franchise Service Area, or at such other location as is approved by the Grantor in writing, or as described in the Franchise. That office must be open during all usual business hours, but in no case less than forty eight (48) hours per week, including at least one weekend day per week. Grantor shall have a publicly listed, non-toll-charge telephone number that is in operation to receive Subscriber complaints and requests on a 24-hour basis. Current information shall be maintained of all complaints and their disposition, and a summary thereof shall be submitted to Grantor upon request, but no more often than monthly.

2. **Response to Service Concerns.** The Grantee shall respond to requests as follows: (i) within eight (8) hours after receipt of a request for repairs relating to a Service Interruption affecting at least ten (10) percent of the Subscribers of the System; (ii) within twenty-four (24) hours after receipt of requests for service related to all other Service Interruptions; (iii) and within forty-eight (48) hours for all other complaints and requests for repair. All Cable System related problems shall be resolved within five (5) business days unless technically infeasible. No charge shall be made to a Subscriber for such service or repairs, except that Grantee may charge for service calls not related to its Cable System, or that are caused by the Subscriber or members of its household, or the Subscriber's agents or guests.

3. **Customer Service Telephone System.** The Grantee shall provide a telephone service system to receive all construction and service complaints. A sufficient number of customer service representatives shall be provided so that callers are not required to wait more than thirty (30) seconds before being connected to a customer service representative ninety percent (90%) of the time, measured quarterly, or to receive busy signals more than three (3) percent of the time, measured quarterly. The telephone number of the local office shall be listed in the telephone directory serving the City of Santa Barbara. The telephone service system shall accept complaints twenty-four (24) hours a day, seven (7) days a week. The telephone service system shall be capable of generating reports relating to answer times, response times, hold times, and abandoned calls.

4. **Identification.** Customer service personnel shall identify themselves immediately.

5. **Supervisors.** Customers shall have the right to speak with a supervisor, and if none is available, a supervisor shall return the customer's call within one working day.

6. **Grantee Identification.** All officers, agents, or employees of the Grantee, including its contractors or subcontractors, who come into regular contact with members of the public shall wear on their outer clothing a photo-identification card in a form reasonably acceptable to Grantor during those periods of time they are dealing with members of the public. Grantee shall account for all identification cards at all times. Every vehicle of Grantee, or its major subcontractors, shall be clearly identifiable as working for Grantee.

7. **Scheduling of Service Appointments.** Grantee shall provide Subscribers with the option of scheduling a four (4) hour period, either in the morning or afternoon, in which a service call will be made.

8. **Rescheduling of Late Appointments.** If a Grantee representative is running late for an appointment with a customer, or will not be able to keep the appointment as scheduled, the customer will be contacted and the appointment will be rescheduled, as necessary, at a time which is convenient for the customer. The customer has the option of rescheduling the appointment within a specified two (2) hour period.

B. **REMEDIES FOR INADEQUATE PERFORMANCE.** Except for rebuild or planned Service Interruptions for which Grantee receives prior approval from the Grantor or except for system-wide outages in excess of six (6) consecutive hours or twelve (12) nonconsecutive hours within any thirty (30) day period (for which fee rebates shall be paid to Subscribers by Grantee without a request thereof), in the event that one-third or more of its service to any Subscriber is interrupted for six (6) consecutive hours, or for a total of twelve (12) nonconsecutive hours within any thirty (30) day period, and Subscriber notifies Grantee of said Service Interruption within twenty-four (24) hours of Subscriber discovery thereof and requests a rebate of fees as a result thereof, Grantee shall provide a ten percent (10%) rebate of the monthly fees to affected Subscribers for each such consecutive six-hour and/or nonconsecutive twelve-hour Service Interruption period. Grantor shall provide a fifty percent (50%) rebate of the monthly fees to all affected Subscribers for failure to make a service call within the specified four (4) hour period. In no case shall such rebate exceed the monthly fee charged to the Subscriber.

C. TRIENNIAL AUDIT OF PERFORMANCE.

1. **Performance Audits.** Grantor may require, at its option, that performance audits of the System be conducted every three (3) years by an independent technical consultant selected and employed by Grantor to verify that the System complies with all technical standards and other specifications of the Franchise.

2. **Review of Audit.** Upon completion of a performance audit, the Grantor and Grantee shall meet to review the performance of the Cable System. The reports required by this Chapter regarding Subscriber complaints, the records of performance audits and tests, and the opinion survey report shall be utilized as the basis for review. In addition, any Subscriber may submit complaints prior to or during the review meetings, either orally or in writing, and these shall also be considered.

3. **Findings Regarding Compliance.** Within thirty (30) days after the conclusion of the System performance review meetings, Grantor shall issue findings with respect to the compliance of the System and quality of service. If non-compliance is found, Grantor may direct Grantee to correct the inadequacies within such period of time as Grantor determines is reasonable.

4. **Non-Waiver of Rights.** Participation by the Grantor and the Grantee in this process shall not waive any rights they may possess under applicable federal or state law.

5. **Other Audits.** In addition to the triennial Audit described above, Grantor may conduct an annual audit of the same or lesser magnitude, at its sole expense, when and if determined necessary or appropriate by Grantor.

D. **SYSTEM EQUIPMENT LOCATION.** Grantee shall provide Grantor with a computer disk or other data storage device requested by Grantor, in format approved by Grantor, which details and documents all of Grantee's equipment and facilities and their geographic location in the City. Such computer disk or other device shall be updated annually and whenever there have been significant changes in the location of Grantee's equipment and facilities. In addition, Grantee shall maintain in its local office, a complete and up-to-date set of as-built system maps and drawings upon completion of construction or reconstruction, equipment specification and maintenance publications, and signal level diagrams for each active piece of electronic equipment in the system. As-built drawings shall show all lines and installed equipment, and tap valves and spigots. The scale of maps and drawings shall be sufficient to show the required details in easily readable form and size. Technical data at the local office shall also include approved pole applications, details and documentation of satellite and microwave equipment, mobile radio units, heavy construction vehicles and equipment, and video and audio equipment normally used in the operation of the system. If Grantor requires use of technical data in its own office, it may make copies of any items at Grantor's expense. To the extent Grantee designates the provided information as proprietary or confidential, Grantor will, to the extent allowed by applicable law, utilize reasonable efforts to protect the confidentiality or proprietary nature of such information provided, however, that in so doing, Grantor makes no representations or warranties to Grantee regarding its ability to maintain the confidentiality of such information.

E. **AVAILABILITY OF TECHNICAL DATA.** All technical data shall be available for Grantor's inspection during normal business hours and, upon reasonable notice. In the event of System failure or other operating emergency, the technical data will be made available at any time, so long as the provision of said data does not unreasonably interfere with Grantee's operations.

F. **EMERGENCY REPAIR CAPABILITY.** It shall be Grantee's responsibility to assure that its personnel, qualified to make repairs, are available at all reasonable times and that they are supplied with keys, equipment location instructions, and technical information necessary to begin repairs upon notification of the need to maintain or restore continuous service to the System.

G. **CUSTOMER SERVICE STANDARDS AND PROCEDURES.**

1. **Information to Customers.** The Grantee shall, at the time service is initiated, provide each new Subscriber with written information covering:

- a. The time allowed to pay outstanding bills.
- b. Grounds for termination of service.
- c. The steps the Grantee must take before terminating service.
- d. How the customer can resolve billing disputes.
- e. The steps necessary to have service reconnected after involuntary termination.
- f. The fact that customer service personnel must identify themselves immediately.
- g. The fact that Subscribers have the right to speak with a supervisor, and if none is available, a supervisor shall return the Subscriber's call within one (1) working day.
- h. The appropriate regulatory authority with which to register a complaint and how to contact that authority.

In addition, at least once each calendar year, Grantee shall notify each Subscriber that information is available upon request concerning items (a) through (h) above.

2. **Written Notices.** Written notice of all terms of the customer agreement, the name, address and telephone number of the Cable Operator, all equipment and fee options, the availability of "A/B" switches, the availability of parental control devices, any reduced rates for seniors or other Subscribers, company billing and credit practices, company practices with respect to privacy of Subscribers, the telephone numbers for customer complaints, the telephone number of the Grantor, and other relevant information, shall be made by Grantee to Subscribers before service is commenced, at least once each calendar year, at any time upon the request of the Subscriber, and whenever changes to such policies are made.

3. **Advance Notice of Changes.** Except as otherwise provided by applicable law, advance notice of increases in fees or charges, and changes in channel lineup of stations or services, shall be sent to Grantor and to Subscribers at least thirty (30) days before the changes are made, except for changes not known sufficiently in advance by Grantee and not under Grantee's control, or where Grantor's waiver is obtained. Notices must be clearly identified and in print large enough to be easily readable.

4. **Billing.**

a. **Billing Frequency and Format.** Bills for service shall be rendered monthly, unless otherwise authorized by the Subscriber and the Grantee or unless service is rendered for a period less than one (1) month. All bills shall contain a telephone number and a mailing address for billing inquiries or disputes and shall clearly delineate all charges and the basis for those charges.

b. **Disputed Bills.** In the event of a dispute between a Subscriber and the Grantee regarding the bill, the Grantee shall promptly make such investigation as is required by the particular case and report the results to the Subscriber. If the dispute is not resolved to the satisfaction of both parties, the Grantee shall inform the Subscriber of the Grantee's complaint procedures. If the Subscriber wishes to obtain the benefits of this subparagraph, notification of the disputed bill must be given by the Subscriber to the Grantee in writing within thirty (30) days after the bill date.

The Subscriber shall not be required to pay the disputed portion of the bill until the earlier of the following:

- (i) Resolution of the dispute; or
- (ii) Expiration of the forty-five (45) day period beginning on the date of the Subscriber's written notification.

Pending resolution of the bill dispute, Grantee shall exercise reasonable care to ensure that no termination notices are issued for the disputed portions of the bill, and that no other collection procedures are initiated for the disputed amount. Any such activity may be interpreted as an attempt to avoid the provisions of these rules and may constitute a violation of these rules.

c. **Referral of Accounts to Collection Agencies.** Uncollected accounts may be referred to private collection agencies for appropriate action if the bill has not been paid by the earlier of (i) thirty (30) days following date of involuntary termination; or (ii) the sixty--first (61st) day following the mailing date of the original uncollected amount, provided that no notification of a billing dispute has been made.

If the account was voluntarily terminated by Subscriber, for any reason, the account may not be referred to a private collection agency until at least thirty (30) days following mailing of the final bill. If notification of a billing dispute is made, all collection procedures shall be delayed as required in subsection 4(b) entitled "Disputed Bills." Referral to collection agent shall then occur no sooner than the ninety-first (91st) day following the billing date of the original uncollected amount.

d. **Termination for Non-Payment.** Bills shall not be delinquent earlier than twenty-seven (27) days from the date of the bill, which must be mailed to Subscribers within five (5) working days prior to the stated due date. Subscribers must be notified in writing of a proposed disconnection for non-payment at least fifteen (15) days prior to disconnection.

5. **Refund.** When a Subscriber voluntarily discontinues service, Grantee shall refund, within 20 days of the discontinuance of service, the unused portion of any advance payments after deducting any charges currently due through the date of such discontinuance. Unused payment portions shall be the percentage of time for which Subscriber has paid for service and will not receive it because of the Subscriber's discontinuation of service. (Ord. 5004, 1997.)

5.62.090 Violations.

A. **USE OF PUBLIC STREETS.** From and after the effective date of this Chapter, it shall be unlawful for any person to construct, install, or maintain in any public place within Grantor's territory, or upon any easement owned or controlled by a public utility, or within any other public property of Grantor, or within any privately-owned area within Grantor's jurisdiction which is not yet, but is designated as, a proposed public place on a tentative subdivision map approved by Grantor, any equipment, facilities, or System for distributing signals or services through a Cable Television System, unless a Franchise has first been obtained hereunder, and is in full force and effect.

B. **UNAUTHORIZED CONNECTIONS.** It shall be unlawful for any person to make or use any unauthorized connection to, or to monitor, tap, receive or send any signal or service via a franchised System, or to enable anyone to receive or use any service, television or radio signal, picture, program, or sound, or any other signal without payment to the owner of said System.

C. **TAMPERING WITH FACILITIES.** It shall be unlawful, without the consent of the owner, to willfully attach to, tamper with, modify, remove or injure any physical part of or signals on a franchised Cable Television System. (Ord. 5004, 1997.)

5.62.100 Termination and Forfeiture.

A. **REVOCATION.** Consistent with applicable law, and in addition to any rights set out elsewhere in this Chapter, the Grantor reserves the right to revoke a Franchise, subject to the procedural guidelines set forth in Section 5.62.130 hereof in the event that:

1. The Grantee willfully or negligently violates any material provision of its Franchise.
2. The Grantee's construction schedule as set forth in this Franchise, is materially delayed, and such delay is within the control of Grantee.

B. **FORFEITURE.** Upon failure of the Grantee to comply with any material term of its Franchise, the Grantor may, subject to the procedural guidelines set forth in Section 5.62.130 hereof, declare a forfeiture. The Grantee may be required to remove its structures or property from the Grantor's streets and to restore those streets to their prior condition within a reasonable period of time. Upon failure to do so, the Grantor may perform the work and collect all costs, including direct and indirect costs, from the Grantee. At Grantor's discretion, the cost thereof may be placed as a lien upon all plant, property, or other assets of the Grantee. (Ord. 5004, 1997.)

5.62.110 Franchise Applications.

Applicants for a Franchise may submit to the Grantor, or to designated representative, written application in a format provided by the Grantor, at the time and place specified by the Grantor for accepting applications (including applications to renew a franchise) and accompanied by the designated application fee. A non-refundable application fee, in an amount established by resolution of the Grantor, shall accompany the application or re-application to cover all costs associated with processing the application, including without limitation, costs of administrative review, financial, legal and technical evaluation of the applicant, the costs of consultants (including technical and legal experts), notice and publication requirements, and document preparation expenses.

In the event such costs exceed the application fee, the applicant shall pay the difference to Grantor within twenty (20) days following receipt of an itemized statement of such costs. In the event such costs are less than the applicable fee, the Grantor shall pay the difference to the applicant within twenty (20) days of the determination of costs. This provision is procedural and shall not constitute the grant of any right to the Grantee. (Ord. 5004, 1997.)

5.62.120 Records, Reports; Right to Inspect and Audit.

A. **GRANTEE TO PROVIDE RECORDS.** All reports and records required under this Section shall be furnished at the sole expense of Grantee.

B. **RECORDS.** Grantor must maintain in its local offices, and make available for inspection during normal business hours, a separate and complete set of business records for the Franchise. The Grantee shall provide that information in such form as may be required by the Grantor, as well as copies of any records of Grantee upon Grantor's request, so long as said information is reasonably related to the scope of Grantor's rights under this Chapter, the Franchise, or Grantor's regulatory functions.

C. **MAINTENANCE AND INSPECTION OF RECORDS.** Grantee shall keep true and accurate books and records in conformity with generally accepted accounting principles, consistently applied, showing all income, expenses, borrowing, payments, investments of capital, and all other transactions relating to the System. Grantor shall, upon reasonable notice, have the right to inspect said records and receive copies thereof to the extent said information is reasonably related to the scope of the Grantor's rights under this Chapter, the Franchise, or the Grantor's regulatory functions. Any Grantee records kept at another place shall, within ten (10) days of Grantor's request, be made available at Grantee's local premises within the County of Santa Barbara.

D. **REPORTS OF FINANCIAL AND OPERATING ACTIVITY.**

1. **Annual Reports.** No later than ninety (90) days after the close of Grantee's fiscal year, Grantee shall submit an audited written report to the Grantor which shall include:

a. **Financial Report.** A financial report, audited and certified by a financial officer of Grantee, for all Cable System activity during the previous fiscal year, including Gross Receipts from all sources and gross subscriber revenues from each Service. The report must set out separately all Gross Receipts from all sources in the City and Gross Subscriber Revenues from each Service in the City, and all payments, deductions, and computations of franchise fees.

b. **Previous Year's Activity.** A summary of the previous year's activities, including, but not limited to, subscriber totals and new services.

c. **List of Officers and Directors.** A current list of Grantee's officers, directors, and other principals which reflects any change in the previous year's list.

d. **Shareholders List.** A list of stockholders or other equity investors holding twenty percent (20%) or more of the voting interests in Grantee which reflects any change from the previous year's list.

e. **Complaint Summary.** A summary of complaints received and remedial actions taken.

f. **Rate Schedule.** A current rate schedule for the various services offered by Grantee.

2. **Performance Tests and Compliance Reports.** No later than April 15 of each year, the Grantee shall provide a written report of any FCC or other performance tests required or conducted. In addition, the Grantee shall provide reports of the test and compliance procedures required by its Franchise, or by this Chapter, no later than thirty (30) days after the completion of those tests and compliance procedures.

3. **Additional Reports.** The Grantee shall prepare and furnish to the Grantor in writing, at the times and in the form reasonably prescribed by Grantor, such additional reports as may reasonably be required with respect to Grantee's compliance with the provisions of its Franchise and this Chapter.

E. **COMMUNICATIONS WITH REGULATORY AGENCIES.** Copies of all non-routine or material communications between the Grantee and the Federal Communications Commission, or any other agency having jurisdiction in respect to any matters affecting cable communications operations authorized pursuant to the Franchise, shall be submitted promptly to the Grantor upon receipt or mailing by Grantee.

F. **EXAMINATION OF FACILITIES.** Upon reasonable notice, and during normal business hours, Grantee shall permit examination, by any duly authorized representative of Grantor, of all Franchise property and facilities, together with any appurtenant property and facilities of Grantee situated within the City.

G. RIGHT TO AUDIT.

1. **Frequency of Audits.** In addition to any other inspection rights under this Chapter or the Franchise, upon ten (10) days prior written notice, during the term of a franchise and for a period of five (5) years thereafter, Grantor shall have the right to inspect, examine, or audit, during normal business hours, all documents pertaining to the Grantee or any Affiliated Person which are reasonably necessary to the Grantor's enforcement of its rights under the terms of this Chapter or the Franchise. All such documents shall be made available at the local office of the Grantee. All such documents pertaining to financial matters which may be the subject of an audit by the Grantor as set forth herein shall be retained by the Grantee for a minimum of five (5) years following the termination of the Franchise. Access by the Grantor to any of the documents covered by this paragraph G shall not be denied by the Grantee on grounds that such documents are alleged by the Grantee to contain proprietary information.

2. **Written Certifications.** Grantor may require written certification by the Grantee's directors, officers, or other employees with respect to all documents referred to in this subsection G.

3. **Costs of Audit.** Any audit conducted by the Grantor pursuant to this subsection G shall be conducted at the sole expense of the Grantor, and the Grantor shall prepare a written report containing its findings, a copy of which shall be mailed to the Grantee; provided, however, that the Grantee shall reimburse the Grantor for the expense of any such audit if, as the result of said audit, it is determined that there is a shortfall of more than two percent (2%) in the amount of franchise fees or other payments which have been made or will be made by the Grantee to the Grantor pursuant to the terms of the Franchise. Such reimbursement shall occur within thirty (30) days of Grantee's receipt of a written notice of a determination that a shortfall of greater than two percent (2%) exists.

H. **RETENTION OF EXPERTS.** In the exercise of its rights under this Chapter, the Grantor shall have the further right to retain technical experts and other consultants on a periodic basis for the purpose of monitoring, testing, and inspecting any construction, operation, or maintenance of the System, and all parts thereof, or to ensure compliance with and enforcement of the provisions of this Chapter and the Franchise. The Grantor shall bear the cost of retaining such experts, provided that the Grantee shall reimburse the Grantor for all expenses related to the retention of said experts where this Chapter or the Franchise so provide, or under either of the following circumstances:

1. The Grantee has initiated proceedings which would normally require the Grantor to retain such experts, such as the filing of a request for approval of a transfer or change in control, renewal to the extent allowed by law, expansion of the Franchise or Service Area, or the modification or amendment of the Franchise;

2. The reports of such experts submitted to the Grantor reveal that the Grantee has failed to substantially comply with the terms and conditions of this Chapter or of the Franchise.

If Grantee is required to reimburse Grantor pursuant to this subsection H, Grantor shall send Grantee an itemized description of such charges, and Grantee shall pay such amount within twenty (20) days after the receipt of such description. (Ord. 5004, 1997.)

5.62.130 Enforcement Mechanisms.

A. NOTICE AND HEARING FOR FRANCHISE DEFAULT.

1. **Written Demand for Corrections.** Except as otherwise provided in this Chapter or in the Franchise, prior to formal consideration by Grantor of termination, revocation, or forfeiture of Grantee's Franchise, or any other penalty or administrative remedy available to the Grantor, including liquidated damages, attributable to Grantee's failure, willful, negligent, or otherwise, to adhere to the terms and conditions of the Franchise or this Chapter, Grantor shall make written demand on Grantee to correct the alleged default. Grantor and Grantee shall expeditiously meet to discuss the alleged default, at which time Grantee shall indicate, in writing, the amount of time necessary to resolve the alleged problem. Giving due consideration to Grantee's request, Grantor shall, in writing, state the amount of time Grantor will allow Grantee to resolve the problem. During this time period, but in no event less than ten (10) days before the final date for correction, Grantee may request additional time to correct the problem, and Grantor shall grant said request if Grantor determines, in the exercise of its discretion, that such time is necessary due to delays beyond Grantee's control. If the default continues for a period of ten (10) days following the deadline for corrections, plus any extension thereof, a hearing shall be scheduled by Grantor on such Franchise termination, revocation, forfeiture, or any other penalty or administrative remedy.

2. **Notice of Correction Hearing.** The Administrative Officer shall provide written notice of such hearing, including the grounds for the proposed action, to the Grantee no less than thirty (30) days before the hearing on the matter. In addition, the Administrative Officer, as part of said written notification, shall state the procedures to be followed by the Grantor to determine whether cause for termination, revocation, forfeiture, or other penalty exists. At a minimum, said procedures shall afford the Grantee adequate notice and a fair opportunity for full participation, including the right to introduce evidence, to require the production of evidence, to question witnesses, and to obtain a transcript of the proceeding at Grantee's expense. Within ten (10) days after the receipt of said notice, Grantee shall file any written objections to said procedures. The Administrative Officer shall notify Grantee of any modification to the procedures and provide another ten (10) day objection period. Any objections not raised within said ten (10) day periods shall be deemed waived. At the hearing, Grantor (or an appropriate hearing board or commission designated for that purpose by Grantor) shall hear Grantee, and any person interested in the matter, and shall determine, at that or subsequent meetings, an appropriate course of action for enforcement or termination of Grantee's Franchise.

B. DELEGATION OF ENFORCEMENT MECHANISMS. Such liquidated damages as Grantor may assess against Grantee which do not include loss of the Franchise may, at Grantor's option, be determined by an officer or agency of the Grantor to which it may delegate such administrative decisions, subject to due process and the criteria contained in this Chapter and the Franchise, and subject to appeal to the City Council. (Ord. 5004, 1997.)

5.62.140 Areawide Interconnection of CATV Systems.

The Grantee shall endeavor to interconnect access channels of the cable system with any or all other CATV systems in contiguous areas, upon the request of the City. Interconnection of systems may be done by direct cable connection, microwave link, satellite, or other appropriate method. Upon receiving the request of the City to interconnect, the Grantee shall immediately initiate negotiations with the other affected system or systems in order that all costs may be shared equally among cable operators for both construction and the operation of the interconnection link. The Grantee may be granted reasonable extensions of time to interconnect or the City may rescind its order to interconnect upon petition by the Grantee to the City. The City shall grant said request if it finds that the Grantee has negotiated in good faith and has failed to obtain an approval from the system or systems involved with the proposed interconnection, or that the cost of the interconnection would cause an unreasonable or unacceptable increase in subscriber rates. (Ord. 5004, 1997.)

5.62.150 Miscellaneous Provisions.

A. CAPTIONS. The section, subsection, paragraph, and subparagraph numbers and letters, and the captions throughout this Chapter, are intended to facilitate reading and reference. Such numbers, letters, and captions shall not affect the meaning or interpretation of any part of this Chapter.

B. FRANCHISE REFERENCES. A Franchise which cites, refers to, or otherwise incorporates this Chapter, or portions thereof, shall be deemed to be a Franchise issued under and subject to this Chapter.

C. FILINGS. When not otherwise specified in this Chapter, all documents required to be filed with Grantor shall be filed with the Grantor's representative as designated by Grantor.

D. NON-ENFORCEMENT BY THE GRANTOR. A Grantee shall not be relieved of its obligation to comply with all provisions of this Chapter, and of its Franchise, and all laws and regulations, by reason of any failure of the Grantor to demand prompt compliance.

E. CONTINUITY OF SERVICE. It is the right of all Subscribers to receive all available services authorized by the Franchise so long as their financial and other obligations to the Grantee are honored. In the event that the Grantee elects to rebuild, modify, or sell the System, the Grantee shall use due diligence and reasonable care to ensure that all Subscribers receive continuous, uninterrupted service. In the event of purchase by the Grantor, or a change of Grantee, the current Grantee shall cooperate with the Grantor or new Grantee to operate the System for a temporary period, in order to maintain continuity of service to all Subscribers. In the event that Grantee, through its own fault, discontinues system-wide service for seventy-two (72) continuous hours, and Grantee is in material default of its Franchise, or if the Franchise is revoked by Grantor (but not if Grantor fails to renew the Franchise), Grantor may, by resolution, when it deems reasonable cause to exist, assume operation of the System for the purpose of maintaining continuity of service. Grantor's operation of the System may continue until the circumstances which, in the judgment of the Grantor, threaten the continuity of service are resolved to Grantor's satisfaction. Grantor shall be entitled to the revenues for any period during which it operates the System.

F. OPERATION BY GRANTOR. During any period when the System is being operated by Grantor pursuant to paragraph E above, Grantor shall attempt to cause as little disruption of operations as is consistent with the maintenance of continuing service to Subscribers. Notwithstanding the foregoing, Grantor shall, as it may deem necessary, make any changes in any aspect of operations that, in Grantor's sole judgment, are required for the preservation of quality of service and its continuity.

G. MANAGEMENT BY GRANTOR. Grantor may, upon assuming operation of a System franchised hereunder, appoint a manager to act for it in conducting the System's affairs. Such manager shall have such authority as may be delegated by Grantor and shall be solely responsible to Grantor for management of the System. Grantee shall reimburse Grantor for all its reasonable costs, in excess of System revenues, incurred during Grantor's operation if the Franchise is in full force and effect during the period of Grantor's operation.

H. NOTICES. All notices and other communications to Grantee shall be addressed to it at the local address at which Grantee conducts its business. All notices and other communications to Grantor shall be addressed to Santa Barbara City Hall, or such other address as may be designated by Grantor.

I. FORCE MAJEURE; GRANTEE'S INABILITY TO PERFORM. In the event Grantee's performance of any of the terms, conditions, obligations, or requirements of this Chapter, or any Franchise granted hereunder, is prevented or impaired due to any cause beyond its reasonable control and not reasonably foreseeable, such inability to perform shall be deemed to be excused, and no penalties or sanctions shall be imposed as a result thereof. Such causes beyond Grantee's reasonable control and not reasonably foreseeable shall include, but not be limited to, any acts of God, civil emergencies, labor unrest, strikes, utility interruptions, inability to obtain gratis access to an individual's property, and any inability of the Grantee to secure all required authorizations or permits to utilize necessary poles or conduits, so long as Grantee uses due diligence to timely obtain said authorization or permits.

J. **APPLICATION.** All of the provisions of this Chapter shall be applicable to all Cable Operators and Cable Systems to the greatest extent permissible under applicable law.

K. **SEVERABILITY.** If any provision of this Chapter is determined to be void or invalid by any administrative or judicial tribunal, said provision shall be deemed severable and such invalidation shall not invalidate the entirety of this Chapter or any other provision thereof. (Ord. 5004, 1997.)

A. Purpose. The purpose of this Chapter is to promote the public health, safety, and welfare by establishing objective standards for locating news racks through the regulation of location, appearance, size, and maintenance of news racks on City rights-of-way in order to:

1. Protect the right to distribute information, protected by the United States and California Constitutions, through the use of news racks.
2. Provide for pedestrian and vehicular safety and convenience.
3. Minimize interference with the flow of pedestrian or vehicular traffic, including, but not limited to, ingress into or egress from any place of business or residence, from the street to the sidewalk or from parked vehicles to the sidewalk, by establishing objective standards for locating news racks.
4. Provide reasonable access for the use and maintenance of sidewalks, poles, posts, traffic signs and signals, hydrants, mailboxes, and similar appurtenances, and access to locations used for public transportation purposes.
5. Reduce visual blight on City streets, promote tourism, encourage well-designed and aesthetically compatible news racks, and protect the aesthetics and value of surrounding properties.

B. Legislative Findings. The City Council finds that, with the exception of those regulations governing the display of harmful matter, the time, place and manner restrictions established by this chapter are content-neutral, narrowly tailored to serve significant government interests, and leave open ample alternative channels of communication in that:

1. The news rack location, appearance, size, and maintenance regulations established in this chapter apply regardless of the content of the publication.
2. The news rack location, appearance, size, and maintenance regulations established in this chapter serve a substantial government interest by protecting the aesthetic appearance of the City, avoiding visual clutter, assuring safe and convenient pedestrian circulation, helping to promote tourism and economic vitality, and preventing dangerous installations of news racks.
3. The number, size, construction, placement and appearance of news racks can have a significantly adverse visual impact in designated a Landmarks District like El Pueblo Viejo and other aesthetically sensitive areas.
4. The Downtown Plaza has become very congested, with street furniture and other sidewalk encroachments, automobiles, and other means of travel competing with pedestrians for the public space; and that special standards for the design and location of news racks, in conjunction with a program for the furnishing and installation of uniform street furniture, and the enforcement of existing regulations for other encroachments in the downtown commercial area, will help to create a sense of order and provide a friendly environment for those who come to the area. The Downtown Plaza is both crucial and unique for the City because it is the congregating point for most tourism and establishes the basic character of the City.
5. The news rack location, appearance, size, and maintenance regulations established in this chapter for the Downtown Plaza leaves open ample alternative channels of communication in that only a small fraction of the City is subject to the required use of City-owned and maintained modular news rack cabinets, and hundreds, if not thousands, of locations remain available in the City for the installation of privately owned and maintained news racks.
6. With respect to the display of harmful matter, there is a compelling government interest in protecting the welfare of minors by preventing access to materials deemed obscene as to minors, as defined in Section 313 of the Penal Code, and that the use of blinder racks is a narrowly tailored solution to serve this interest.
7. Annual permit renewal fees for news racks located in City-owned modular cabinets within the Downtown Plaza will be higher than registration fees for independently owned and maintained news racks due to depreciation and maintenance during the useful life of the modular cabinets. (Ord. 5718, 2015; Ord. 4536, 1988; Ord. 4513, 1988; Ord. 4077, 1980; Ord. 3381 § 1, 1969).

5.66.020 Organization of This Chapter.

This Chapter establishes the sole regulations governing the placement and maintenance of news racks within the City on public property. This Chapter establishes application and permit requirements, including location, appearance, size, and maintenance standards for all news racks in the City. In addition, this Chapter establishes special time, place, and manner regulations for the Downtown Plaza where City-owned and maintained modular news rack cabinets have been installed. In the Downtown Plaza, freestanding private news racks are not permitted. This Chapter also establishes regulations governing the display of harmful matter in news racks. 5.66.050 Application, Registration and Standards for Permit Issuance.

A. Submittal of Applications. Applications for news rack permits shall be made to the Public Works Director on forms established by the City with payment of an annual permit application fee. Applications that are on file with the City that have current information may be used for subsequent annual permits.

1. Proposed New Installation or Relocation of News Rack. An application shall be approved and permit granted if the application proposes a new installation or relocation of a news rack in conformance with all requirements of this chapter. An application that proposes new installation of a news rack not in conformance with all requirements of this chapter shall be denied and no permit issued.

2. Existing News Rack With Current Permit. Existing news racks with evidence of an existing permit are subject to submittal of application and annual permit fee.

3. Existing News Rack Without Current Permit. News racks located within the City prior to enactment of this Ordinance, which have been verified by the current City Inventory, without evidence of a current permit will be required to submit an application and obtain an annual permit pursuant to subparagraph B below. Existing news racks that are affixed to a shared pedestal as of the effective date of this ordinance but are relocated to an adjacent area on a stand-alone mount during the initial application process set forth in subparagraph B below, shall be considered existing news racks for the purpose of this section.

4. Existing New Racks in City Modular Cabinets in the Downtown Plaza. News racks in the City modular cabinets in the Downtown Plaza prior to enactment of this Ordinance, which have been verified by the City Inventory upon the effective date of this Ordinance, may continue to remain in use in the same location by the same Owner and publication if an application is submitted and approved.

5. Existing City Modular Cabinets That Become Available in the Downtown Plaza After the Effective Date of the Ordinance. With respect to permits for news racks located in City-owned modular cabinets that become available due to abandonment, applications submitted shall be approved for that specific location on a first-come first-served basis.

6. New City Modular Cabinet Spaces for News Racks Located Within the City Downtown Plaza. With respect to permits for news racks that are newly installed by the City in the Downtown Plaza, an initial implementation period shall take place, at which time the City shall accept permit applications for the new spaces for a period of sixty (60) calendar days from the rack becoming installed. Permits shall be issued within twenty (20) days of the last day of the initial implementation period in accordance with subparagraphs a. and b. of this section.

a. Initial Implementation Period for Permit Applications Fewer Than the Number of Available Cabinets. Where fewer permit applications are received during the initial implementation period than the number of available cabinets, applications will be approved on a first-come first-served basis. If there is more than one application for a specific geographic location pending, then the priority for granting the applications shall be set forth in subparagraph b of this section.

b. Initial Implementation Period for Permit Applications Greater Than the Number of Available Cabinets. If permit applications exceed the number of potential locations that are then available, priority shall be given based on frequency of publication, with the higher priority given to publications for which new editions or issues were published on a daily or weekly basis in the full calendar month preceding the date of application. If no applications are submitted by publications issued on a daily or weekly basis, then priority shall next be given based on frequency of publication, based on the number of new editions or issues published most frequently in the full calendar month preceding the date of application. Within groups of applicants with the same priority, permits shall be granted to the maximum allowable in a block by the drawing of lots in a process established by the Public Works Director. It shall be a condition of any permit granted according to a priority set forth in this section to maintain editions in the news rack according to the frequency for which the priority was given.

B. Registration and Application for Existing News Rack. Any Owner of existing news racks, including existing news racks located within City modular cabinets in the Downtown Plaza, shall within thirty (30) days of the effective date of this Chapter, provide the City with Owner's news rack registration numbers and location consistent with the City Inventory. The registration of the existing news rack shall be the basis for accepting applications for the initial annual permit of existing news racks. Any Owner of an existing news rack shall then within ninety (90) days of registration, submit an application for an annual permit and pay fees to obtain a City annual permit pursuant to Section 5.66.050.C, and shall from the date of permitting be subject to the provisions of this Chapter. The Public Works Director may approve alternative compliance and permitting schedules, which shall not extend beyond the fiscal year of the effective date of this Ordinance for Owners of thirty (30) or more registered existing news racks. Failure to obtain an approved annual permit within ninety (90) days or the date specified by the Public Works Director in the approved alternate schedule shall subject the existing news rack to enforcement and removal pursuant to Section 5.66.100. The initial permit is valid for the remainder of the fiscal year and shall be renewed pursuant to Section 5.66.060. Permit fees shall not be reduced or prorated based on the remaining months in the fiscal year for which the permit was issued.

D. Review of Application. A permit shall be granted or denied within twenty (20) business days after a completed application is filed in conformance with this ordinance. The Public Works Director shall issue a permit if an application complies with the provisions of this chapter. If a permit is denied, the City shall, within ten (10) business days, mail to the Owner a notice of denial that identifies the reasons for denial. If an annual permit is obtained after the beginning of a fiscal year, the permit shall expire at the end of the fiscal year without a reduction in fees. The Public Works Permit shall be signed by the applicant as the agreement to conform to the requirements of this ordinance. Permits shall be renewed per Section 5.66.060. Upon issuance of a permit for a new or replaced news rack, the City will provide a registration sticker and update the City Inventory. Each registration sticker provided shall be affixed to the top front metal door frame of each corresponding permitted news rack. (Ord. 5718, 2015; Ord. 4662, 1990; Ord. 4536, 1988.)

5.66.060 Renewal Term.

A news rack permit shall be valid for a period of one fiscal year or the remainder of the fiscal year during which the permit is obtained and shall be renewed each successive fiscal year period by timely payment of a renewal fee established by resolution of the City Council. (Ord. 5718, 2015.)

1. Each news rack shall be routinely maintained and serviced so that it is reasonably free of:

a. Dirt and grease;

b. Chipped, faded, peeling, and cracked paint, or graffiti on any visible painted areas;

c. Rust and corrosion on any visible unpainted metal areas;

d. Cracks, dents, blemishes, and discoloration in the clear plastic and glass parts, if any, through which publications are viewed;

6. No news rack may contain a publication other than the ones for which the permit was issued.

7. Each news rack shall have the name, address, and telephone number of the Owner, as described in subsection A.3.b above, as well as the City registration number, affixed to the front of the news rack in a place where it may be easily seen by anyone viewing the news rack.

8. Shared pedestals shall be registered to a single Owner of a permitted news rack which is affixed to the shared pedestal. Any shared pedestal that has not been permitted to a single news rack Owner within one hundred twenty (120) days of the effective date of this Ordinance will be deemed abandoned and will result in the City posting and removing the shared pedestal and news racks in accordance with Section 5.66.100.

9. Shared pedestals shall be fully occupied by the maximum number of news racks designed to be affixed to the shared pedestal. The Owner shall notify the City in writing prior to removing units from a shared pedestal. Failure to maintain the shared pedestal with the maximum number of new racks for fourteen (14) consecutive days will result in its removal pursuant to Section 5.66.100. Shared pedestals may be modified to fit remaining news racks with City approval and revisions to the annual permit. Where a shared pedestal is not maintained in a fully occupied condition, it shall be removed and the location restored to its previous condition by the Owner of the shared pedestal, including, but not limited to, repair of any portion of the sidewalk or parkway damaged by the pedestal or its removal, and according to specifications provided by the Public Works Director. An acceptable repair is typically filling in the holes required for securing the news rack to the concrete. Failure to remove the shared pedestal will result in the City posting and removing the shared pedestal and affixed news racks in accordance with Section 5.66.100.

10. When use of a news rack is discontinued for a period of fourteen (14) consecutive days or longer, it shall be removed, along with its shared pedestal if applicable, and the location restored to its previous condition by the news rack Owner, including, but not limited to, repair of any portion of the sidewalk or parkway damaged by the news rack or its removal, and according to specifications provided by the Director. Failure to remove the news rack will result in the City posting and removing the news rack in accordance with Section 5.66.100.

11. Existing news racks that require painting shall be painted Malaga Green unless otherwise approved by the Public Works Director. When painting is required, the pedestal and base shall be painted black, except that pedestals and bases in the Landmarks District shall be painted Malaga Green.

The Owner shall notify City Public Works of the in-kind substitution in writing prior to the substitution.

C. Costs. The costs of installation, maintenance, replacement, removal and relocation of news racks or shared pedestals shall be at the sole expense of the news rack Owner. Upon removal of a news rack, the Owner shall, at his or her sole expense, cause the public right-of-way and any improvements thereon to be promptly restored to the satisfaction of the Public Works Director in a condition which would have existed had the news rack not been placed at that location. If those repairs are not made within seven (7) days of removal of the news rack, the City may undertake that repair work and collect from the Owner the costs thereof, including reasonable attorneys' fees and related costs of collection. (Ord. 5718, 2015; Ord. 4662, 1990; Ord. 4536, 1988; Ord. 4513, 1988; Ord. 3381 § 1, 1969.)

5.66.080 Downtown Plaza Requirements.

A. Finding of Special Circumstances. The City Council hereby finds that special circumstances require special design, placement and other standards for news racks located in the Downtown Plaza and any other area which may be designated by City Council upon findings that the special circumstances of the area require special design, placement and other standards for news racks.

B. Special Standards and Placement. Notwithstanding any contrary provisions in this chapter, no news rack shall be located in the Downtown Plaza except within a City modular news rack cabinet (hereinafter referred to as a "City news rack cabinet") owned and provided by the City. All news racks to be inserted into a City news rack cabinet shall be provided by the applicant at its sole expense. (Ord. 5718, 2015; Ord. 4536, 1988; Ord. 4513, 1988; Ord. 3381 § 1, 1969.)

5.66.090 Prohibition on the Display of Harmful Matter.

No material which is harmful to minors, as defined in Section 313 of the Penal Code of the State, shall be displayed in a public place, other than a public place from which minors are excluded, unless blinder racks are placed in front of the material so that the lower two-thirds (2/3) of the material is not exposed to view. (Ord. 5718, 2015; Ord. 4838, 1993).

5.66.100 Removal of News Racks; Required Hearing.

A. Removal by the City. Any news rack or shared pedestal, installed or maintained in violation of this chapter may be removed by the City for violation of the ordinance, subject to the notice and hearing procedures set forth in this section.

B. Notice of Violation. Before removal of any news rack, the City shall notify the Owner or distributor of the violation by written notification via first class mail to the address or addresses shown on the offending news rack and the permit, which shall constitute adequate notice. If available, the City will also send the written notice of violation by email. Before removal of any shared pedestal, written notification will be sent via first class mail to all Owners of the news racks affixed to the offending pedestal. The City may, but need not, affix an additional notice tag onto the offending news rack or shared pedestal. If no identification is shown on the news rack, posting of the notice on the news rack alone shall be sufficient. The written notice shall state the nature of the violation and the location, shall specify actions necessary to correct the violation, and shall give the Owner or distributor ten (10) business days from the date appearing on the notice to either remedy the violation or to request a meeting before the Public Works Director. The date on the notice shall be no earlier than the date on which the notice is mailed or affixed to the news rack, as the case may be.

C. Meeting and Decision. Any Owner or distributor notified under Subsection B may request a meeting with the Public Works Director by making a written request within ten (10) business days from the date appearing on the notice. The meeting shall be informal, but oral and written evidence may be given by both sides. The Public Works Director shall give his or her written decision within ten (10) business days after the date of the meeting. Any action by the City to remove the news rack shall be stayed pending the written decision of the Public Works Director following the meeting. If the Public Works Director is unable to conduct the hearing due to bias or legal disability, the City Administrator or mutually agreed upon third party shall conduct the hearing.

D. Removal and Impoundment. The City may remove and impound a news rack or shared pedestal in accordance with this section following the written decision of the Public Works Director upholding the determination of a violation, or if the Owner or distributor has neither requested a meeting nor remedied the violation within ten (10) business days from the date on the notice. An impounded news rack shall be retained by the City for a period of at least thirty (30) calendar days following the removal, and may be recovered by the Owner upon payment of a fee as may be established by resolution. An impounded news rack and its contents may be disposed of by the City after thirty (30) calendar days.

E. Summary Abatement. Notwithstanding the provisions of Subsections B and C, prior notice and an opportunity to be heard shall not be required before removal of any news rack or shared pedestal that is installed or maintained in such a place or manner as to pose an immediate or clear and present danger to persons, vehicles or property, or any news rack that is placed in any location without a permit. In such case, the City shall proceed in the following manner:

1. Within one (1) working day following removal, the City shall notify the Owner by telephone of the removal. In the case of an unpermitted news rack or shared pedestal, where possible, the City shall notify the Owner of the news rack, or a person whose name is shown on the news rack, by telephone of the removal. Within three (3) business days, the Public Works Director or designee shall send written confirmation of the telephoned notice. The written confirmation shall contain the reasons for the removal and information supporting the removal, and shall inform the recipient of the right to request, in writing or in person, a post-removal meeting within four (4) business days of the date of such written notice.

2. Upon timely request, the Public Works Director shall provide a meeting within two (2) working days of the request, unless the requesting party agrees to a later date. The proceeding shall be informal, but oral and written evidence may be given by both sides.
