MEET AT THE DOUGLAS FAMILY PRESERVE **MEDCLIFF ENTRANCE**,
2551 MEDCLIFF ROAD

The City of Santa Barbara Parks and Recreation Department is hosting a community meeting to review and discuss trail options for the Douglas Family Preserve Trails Restoration Project.

The Department is submitting an application for a Recreational Trails Program grant to restore 1.7 miles of the Preserve's three miles of trails.

Trail restoration will include a one-mile accessible route along the Middle Loop Trail, through mature coast live oak woodlands to the Preserve's northwest point. Trail restoration is in compliance with the Douglas Family Preserve Management Plan (2008) and associated Environmental Impact Report (2003) and includes several of the Douglas Family Preserve Trail Inventory (2006) recommendations.

For more information, please contact Kathy Frye, Natural Areas Planner, at (805) 897-1976 or KFrye@SantaBarbaraCA.gov.
