Contents

I.	Introduction	1
	Plan Contents	2
	Roots of the Plan: The Circulation Element.....	3
	Public Participation Process	4
	How Citizens Can Use This Plan	4
	How the City Will Use This Plan.....	4
II.	History of the Pedestrian System	5
	First Settlements	5
	Streets, Blocks, and Plans.....	6
	Development	6
	Post-War Period.....	7
III.	The Pedestrian System Today	9
	Inventory of Existing Facilities	9
	Pedestrian Survey Results.....	15
	Pedestrian Activity	19
	Pedestrian Safety Analysis	25
	The Need for Access Planning	28
	Existing Santa Barbara Programs.....	33
	Conclusion	34
IV.	Goals and Policies	35
	Introduction	35
	Relevant Policies from City General Plan, Circulation Element	35
	Pedestrian Master Plan Goals, Policies, and Strategies	36
V.	Goal 1 -Improving the Pedestrian System	43
	Introduction	43
	Policy 1.1 The City shall expand the sidewalk network to increase walking for transportation and recreation	43
	Policy 1.2 The City shall improve pedestrian safety and comfort at intersections	49
	Policy 1.3 The City shall enhance pedestrian corridors	58
	Policy 1.4 The City shall work to eliminate Highway 101 as a barrier to pedestrian travel	79
	Policy 1.5 The City shall assist neighborhoods that desire to improve pedestrian access to, from, and within their neighborhood.....	85

Policy 1.6	The City shall support the establishment and construction of urban trails to enhance circulation and provide recreational opportunities through parks and open spaces	90
Policy 1.7	The City shall maintain, protect, and improve sidewalk facilities on an on-going basis and during public and private construction projects.....	91
Policy 1.8	The City shall work with transit providers to develop high quality and pedestrian accessible transit stops.....	95
Policy 1.9	The City shall work to make the pedestrian environment accessible to those with disabilities, children, and the elderly.....	96
VI.	Goal 2 - Establishing and Enhancing Safe Routes to School	107
	Introduction	107
Policy 2.1	The City shall assist in the development of a Safe Routes to School program.....	107
Policy 2.2	The City shall develop and maintain maps that identify the most appropriate routes for children to walk to school	116
Policy 2.3	The City shall identify and fund programs and improvements that will make it safer and more attractive for students to walk to school.....	153
VII.	Goal 3 - Protecting and Expanding the Paseo System	177
	Introduction	177
Policy 3.1	The City shall protect, preserve, and enhance the paseo network	181
Policy 3.2	The City shall expand the network of paseos.....	187
VIII.	Pedestrian Design Guide	199
Policy 4.1	The City shall establish and maintain pedestrian design guidelines	199
	Principles for Pedestrian Design (Strategy 4.1.1).....	201
	Guidelines for Sidewalk Corridors (Strategy 4.1.2).....	202
	Guidelines for Street Corners (Strategy 4.1.3)	222
	Guidelines for Crosswalks (Strategy 4.1.4)	234
	Guidelines for Transit Stops (Strategy 4.1.5).....	256
	Glossary	261
IX.	Goal 5 - Encouraging People to Walk	265
Policy 5.1	The City shall encourage people to walk through education and awareness efforts	265
Policy 5.2	The City shall work to enforce laws that protect pedestrians.....	274
X.	Goal 6 - An Institutional Foundation That Supports the Pedestrian	277
	Introduction	277
Policy 6.1	The City shall incorporate the Pedestrian Master Plan into the land development process	277
Policy 6.2	The City shall pursue revisions to the Zoning Ordinance that will help implement the Plan.....	278

Policy 6.3	The City shall incorporate pedestrian projects into its Capital Improvement Program (CIP)	285
Policy 6.4	The City shall maximize the amount of financial resources available for pedestrian projects.....	286
XI.	References.....	301

Appendices

(under separate cover)

Appendix A.	Count Data - Totals.....	A-1
Appendix B.	Accessibility Survey	A-3
Appendix C.	Count Data - Intersections	A-5
Appendix D.	Proposed Short- and Long-Term Improvement Maps.....	A-39
Appendix E.	Pedestrian Master Plan Goals, Policies, and Strategies Score Sheet	A-49
Appendix F.	Priority Locations.....	A-53
Appendix G.	Recommended Revisions to Municipal Code Language	A-61
