

Isaac Garrett

Hi. I'm Isaac Garrett, a candidate for Mayor for the City of Santa Barbara.

The November 3, 2009, election will be one of the most critical elections for Santa Barbara voters in recent years. We will have the opportunity to elect 3 new council members and the mayor. We must elect a mayor and council members who will acknowledge the real issues and problems, and engage the community in real meaningful dialogue to address these issues in a way to get positive results.

Some of these issues are: Campaign financing reform, affordable housing for our workforce, district elections, a clean and safe environment, eliminate gang activity, re-gain control of our elected leaders, and demand they represent all of the people, instead of representing special interest groups.

I pledge to limit financial contributions to a maximum of \$500.00 from any one source. I will assure the voters of Santa Barbara, if you honor me with your vote on November 3, I will be a mayor for all of the people.

I have been an un-paid servant in numerous positions in this beautiful city for over 40 years. With a common sense approach, and my experience, I am confident, that if we use our resources wisely, we can provide needed services without tax increases or fees.

Thank you for listening and I would appreciate your vote on November 3.
