

City of Santa Barbara
Airport Department

DATE: March 15, 2017
TO: Airport Commission
FROM: Hazel Johns, Airport Director 
SUBJECT: Lease Agreement – Greeneridge Sciences, Inc.

RECOMMENDATION:

That Commission approve and authorize the Airport Director to execute a one (1) year lease agreement, with one (1) year option, with Greeneridge Sciences, Inc., a California Corporation, for 3,042 square feet of Building 315, units C & D, at 90 Dean Arnold Place, and 2,135 square feet of paved yard, at the Santa Barbara Airport, effective April 1, 2017, for a monthly rental of \$4,262, exclusive of utilities.

DISCUSSION:

Greeneridge Sciences, Inc. has been an Airport tenant since 1989, doing research and development in the field of computers and electronics. They have leased space at their current location since April 1, 2015. The Premises are used for offices and storage of product and equipment. The subject Premises is located in an Airport Facilities (AF) zone. The use conforms to existing zoning.

The proposed monthly rental for Units C & D is based on a rate of \$1.267 per square foot for industrial space, with the yard at \$.191 per square foot, and are comparable to other buildings and land on the Airport for similar use and in similar condition. This represents a 3% increase over the previous rental. Greeneridge Sciences will also pay monthly utility charges of \$23.09 or metered amount, whichever is greater, for water and \$15.39 for sewer service, and \$37.00 for gas. Utilities charges are adjusted annually on July 1st.

The proposed Lease Agreement has been negotiated based upon the criteria set forth in Resolution 93-127, and has been reviewed and determined to be exempt from environmental review.
