

**City of Santa Barbara**  
Airport Department

Meeting: 07/18/18  
Agenda Item No. 7

**DATE:** July 18, 2018  
**TO:** Airport Commission  
**FROM:** Hazel Johns, Airport Director   
**SUBJECT:** Lease Agreement – Amdal Transport Services, Inc.

---

**RECOMMENDATION:**

That Airport Commission approve and authorize the Airport Director to execute a three (3) year Lease Agreement with Amdal Transport Services, Inc., a California Corporation, for 1,054 square feet of office space in Building 117 located at 705-A Norman Firestone Road at Santa Barbara Airport, effective August 1, 2018 for a monthly rental of \$1,718, exclusive of utilities.

**DISCUSSION:**

The subject Premises is located south of Hollister Avenue in an Airport Facilities (AF) zone.

Amdal Transport Services, Inc. is a company that provides non-emergency medical transportation services for individuals, hospitals, as well as care centers who need transportation to medical appointments. The company was founded in 2014 as a subsidiary of Amdal In-Home Care, which has seen to the needs of homebound elderly and medical patients since 1999. The transportation service was a natural outgrowth of their clients' need for transportation in non-emergency situations.

Amdal Transport Services, Inc. has three other locations in the Central Coast area: Santa Maria, Atascadero and Lompoc. Recently, the company was awarded a contract by Cottage Hospital for patient transportation and are hoping to expand their presence in the greater Santa Barbara/Goleta area. The Premises will be used as office space to manage and coordinate a fleet of five (5) transport vans that will be parked adjacent to the office. The vans are equipped to accommodate wheelchair and gurney bound patients.

The monthly rental is based on \$1.63 per square foot and is comparable to other buildings on Airport property in a similar condition. In addition to rent, Amdal will pay the greater of \$23.09 or the metered amount for water service and \$15.39 for sewer, as well as \$70.89 per month for electrical.

The proposed Lease Agreement has been negotiated based upon the criteria set forth in Resolution 93-127 and has been reviewed and determined to be exempt from environmental review.
