TO PROPERTY OWNERS WITHIN 300 FEET OF A PROJECT**

This notice has been mailed to you because it has been determined that your property is located within 300 feet of the project listed below. The Architectural Board of Review (ABR) will hold a public hearing to give the public an opportunity to be heard and offer comments early in the review process on architectural design related issues or development plan approval findings regarding the subject property below:

2032 OAK AVE

Application Number: **MST2008-00013**

Assessor Parcel Number **043-091-007** Zone: **R-3**

Owner: **RANGEL KELLY**

Project Description: **Proposal for a new one-bedroom residential unit (unit #4) on a site with three existing residential units. The new 745 square foot one-bedroom unit addition would be above a garage. The project also proposes to relocate an existing uncovered parking space, a new 200 square foot carport, a new detached 200 square foot trellis, and convert 70 square feet of the existing garage to storage space. The parcel is currently developed with two two-bedroom units (957 square feet and 1,025 square feet) and one three-bedroom unit (1,284 square feet) with a total of 6 parking spaces (three covered and three uncovered). The total existing and proposed development would result in four residential units and seven parking spaces. The project requires review by the Staff Hearing Officer for requested modifications.**

Public comments will be allowed during review of the project by the ABR. The Architectural Board of Review is a body appointed by the City Council to focus on neighborhood compatibility, aesthetics, and design issues. Comments on private views and privacy issues are not within the ABR's authority. Due to time constraints, individual comments may be limited to two minutes. Written comments are also welcome up to the time of the hearing, and should be addressed to the City Planning Division, P.O. Box 1990, Santa Barbara, CA 93102-1990.

This hearing is for design review only. The final land use decision will be made at another public hearing. You will receive another notice for that public hearing. The scope of this project may be modified under further review.
