PLEASE BE ADVISED

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes.
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans.
- All approvals made by the ABR are based on compliance with Municipal Code Chapter 22.68 and with adopted ABR guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.
- The ABR may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Substitution of plans is not allowed, if revised plans differing from the submittal sets are brought to the meeting, motions for preliminary or final approval will be contingent upon staff review for code compliance.
- The Board may refer items to the Consent Calendar for Preliminary and Final ABR approval.
- Concept review comments are valid for one year. A Preliminary approval is valid for one year from the date of the approval unless a time extension has been granted. A Final approval is valid for two years from the date of final action unless a time extension has been granted or a Building Permit has been issued.
- Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa St. within ten (10) calendar days of the meeting at which the Board took action or rendered its decision.
- **AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the Planning Division at 805-564-5470. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.
- **AGENDAS, MINUTES and REPORTS:** Copies of all documents relating to agenda items are available for review at 630 Garden St. and agendas and minutes are posted online at www.SantaBarbaraCa.gov/abr **Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden St., during normal business hours.** If you have any questions or wish to review the plans, please contact Tony Boughman, at (805) 564-5470 extension 4539, or by email at tboughman@santabarbaraca.gov. Office hours are 8:30 a.m. to 4:00 p.m., Monday through Thursday, and every other Friday. Please check our website under City Calendar to verify closure dates.

LICENSING ADVISORY:

The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. REVIEW AFTER FINAL**2. 535 E MONTECITO ST****M-1 Zone**

(3:40) Assessor's Parcel Number: 031-351-010
 Application Number: MST2006-00530
 Owner: City Ventures
 Applicants: Bill McReynolds
 Architect: William Hezmalhalch Architects Inc.
 Landscape Architect: Katie O'Reilly Rogers

(The proposal is a redesign of a project previously approved by the Planning Commission. The proposed project consists of 48 residential condominium units in 4 two- and three-story buildings, on a 1.8-acre vacant lot. The size of the residential units would vary, ranging between 994 and 2,086 square feet. Each of the four buildings would contain twelve residential units and would have individual courtyards. All units would have a two-car garage, with a mix of side by side configuration and tandem configuration. Four guest parking spaces would be provided, resulting in a total of 100 on-site parking spaces. Vehicle access would be provided from both East Montecito Street and Calle Cesar Chavez. Forty of the 48 units would be sold as below-market rate units. A 14-foot wide shared access easement is provided along the western perimeter of the project site. The prior approvals consisted of a Tentative Subdivision Map, a Modification to provide less than the required amount of guest parking and City Council approval of a Specific Plan (SP-10). The redesigned project received a Substantial Conformance Determination at the Planning Commission on November 19, 2009.)

(Review after Final referred from Consent Calendar for addition of solar panels and change of roof material.)

The proposal addresses violations in ENF2009-01437. The project requires Planning Commission review of a Conditional Use Permit.)

(Comments only; project requires Planning Commission review of a Conditional Use Permit.)

Public comment:

Tony Fischer, Attorney for William Pritchett, opposed: concerns about this use in this zone; this use needs environmental assessment; lot size on plans may not be correct; conflict of parking in front of doors; traffic safety of intersection in front of project.

Sylvio Guadagnini, in support: traffic safety is not an issue; the owner has been a good neighbor; lighting will enhance safety.

Suzanne Riegle, Assistant Planner commented that the parking configuration has been reviewed and found acceptable, and that Wick's Boiler Service's use in this zone has been reviewed and found acceptable.

Continued indefinitely to the Planning Commission with comments: 1) Door and architectural changes are acceptable; verify widths of doors. 2) Coordinate the light fixtures with the photometric study. 3) Increase the size of planter at the left front of building and install an appropriate narrow tree with understory landscaping. 4) Add a shrub and vine at middle front planter under existing tree; suggest deciduous trees at the west front near the neighbor's building. 5) The increase of landscaping to 10% of lot area is a positive change. 6) The removal of the landscape finger in rear parking lot is acceptable and there is an appropriate amount of landscaping proposed. 7) No change in the mass is proposed.
