Project Description: Proposal for the conversion of an existing 1,860 square foot commercial building into a single-family residence and the construction of a new accessible covered parking space for the existing 1,451 square foot commercial building. The proposal will result in a 1,451 square foot commercial unit and a 1,860 square foot single-family residential unit on a 10,950 square foot lot. A total of eight parking spaces will be provided, two for the residential unit and six for the commercial unit. Public comments will be allowed during review of the project by the ABR. The ABR is a body appointed by the City Council to focus on neighborhood compatibility, aesthetics, and design issues. Comments on private views and privacy issues are only partially within the ABR's authority. Due to time constraints, individual comments may be limited to two minutes. Written comments are also welcome up to the time of the hearing, and should be addressed to the City Planning Division, P.O. Box 1990, Santa Barbara, CA 93102-1990, or by e-mail to [ABRSecretary@SantaBarbaraCA.gov](mailto:ABRSecretary@SantaBarbaraCA.gov).

This hearing is for design review only. If the project requires approval by the Planning Commission or the Staff Hearing Officer, you will receive a notice for that public hearing.
