The Santa Barbara Cottage Hospital Foundation Workforce Housing Project will remove the former St. Francis Hospital complex, including the main hospital, convent, central plant, and other ancillary structures and construct 115 residential condominiums that will cover approximately 5.94 acres of the 7.39 acre site. Eighty-one of the units will be sold to Cottage Hospital employees at prices within the City's structure for affordable units and 34 units will be sold at market rates. The project will provide approximately 265 parking spaces, including 254 parking spaces for the 115 condominium units and 11 spaces for the Villa Riviera facility. The project was approved by the Planning Commission on September 21, 2006 (Resolution No. 039-06), and by the City Council on December 19, 2006 (Resolution No. 06-103), and April 29, 2008 (Resolution No. 08-038).
