PLEASE BE ADVISED

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes.
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans.
- All approvals made by the ABR are based on compliance with Municipal Code Chapter 22.69 and with adopted ABR guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.
- The ABR may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Substitution of plans is not allowed, if revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance.
- The Board may refer items to the Consent Calendar for Project Design Approval and Final ABR approval.
- Concept review comments are generally valid for one year. Per SBMC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date.
- Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa St. within ten (10) calendar days of the meeting at which the Board took action or rendered its decision.
- **AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the Planning Division at (805) 564-5470, ext. 4577. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.
- **AGENDAS, MINUTES and REPORTS:** Copies of all documents relating to agenda items are available for review at 630 Garden St. and agendas and minutes are posted online at www.SantaBarbaraCa.gov/abr. **Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden St., during normal business hours.** If you have any questions or wish to review the plans, please contact Tony Boughman, at (805) 564-5470, ext. 4539, or by email at toughman@SantaBarbaraCa.gov. Office hours are 8:30 a.m. to 4:00 p.m., Monday through Thursday, and every other Friday. Please check our website under *City Calendar* to verify closure dates.

(Proposal for the construction of a new, two-story Airline Terminal facility measuring approximately 66,045 square feet. The new facility would be located south of the existing 20,000 square foot main Terminal building, which would remain in operation during construction. The original 5,000 SF 1942 Terminal building would be rehabilitated, with additions constructed in 1967 and 1976 to be removed. The 1942 building would be relocated and incorporated as part of the new facility. The existing rental car/security operations building, airline trailers and baggage claim pavilions, which are currently part of the existing Terminal complex, would also be removed and the uses would be incorporated into the new terminal. The existing short-term parking lot would be reconfigured and the loop road would be revised to incorporate an alternative transportation lane for buses, taxis, and shuttles. Project received Planning Commission Approval on 9/20/2007 (Resolution No. 037-07). The project received Final Approval by the ABR on 5/19/08.)

(Review After Final of emergency generator for terminal building. The generator was last reviewed on December 12, 2011.)
