PUBLIC HEARING PROCEDURES. The following review steps explain the sequence that all projects must undergo during a public hearing. 1. Introduction by the Chair; 2. Staff Comments (optional); 3. Applicant Presentation; 4. Public Comment (if any); 5. Questions from the Board/Commission; 6. Comments from the Board/Commission; 7. Board/Commission Action; and 8. Board/Commission Discussion.

AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of documents relating to agenda items are available for review in the Community Development Department at 630 Garden Street, and agendas and reports are also posted online at www.SantaBarbaraCA.gov/ABR. If you have any questions or wish to review the plans, please contact Susan Gantz, Architectural Board of Review (ABR) Planning Technician, at (805) 564-5470, extension 3311 or by email at SGantz@SantaBarbaraCA.gov. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under City Calendar to verify closure dates. Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street during normal business hours. Letters received and staff reports that are a public record, relate to an agenda item, and are distributed to the ABR during the meeting are available for public inspection in the David Gebhard Public Meeting Room, 630 Garden Street.

PUBLIC COMMENT. The public has the opportunity to comment on any item on today’s agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the ABR Secretary before the agenda item begins. Each speaker is allocated two minutes for public comment due to time constraints. Public comment submitted prior to the scheduled meeting can be submitted via email to ABRSecretary@SantaBarbaraCA.gov or by mail to City of Santa Barbara, Community Development Department/Planning Division, P.O. Box 1990, Santa Barbara, CA 93102. Written public comment letters and emails received prior to the meeting are typically distributed to the ABR at their meeting.

INTERESTED PARTIES. The City is required to give notice to property owners that may be directly affected by the proposed action (neighbors within 300 feet on certain projects per SBMC Section 22.68.040). This may be the only public notice sent out regarding the development application depending on the future discretionary review or public review process necessary for the project. Other methods to be informed of future scheduled hearings for a particular project or property include:

a. Submit a request in writing to become an “Interested Party” for future notification purposes related to the development application so the City can mail or e-mail you future ABR agendas when the particular project is scheduled on a future agenda. This type of notification is done as a courtesy and does not require 10-day advance notice.

b. Join the City’s SantaBarbaraCA.gov/MySB. This system allows you to manage subscriptions to City email lists that cover a wide range of City topics and services, including agendas sent for all Design Review Meetings. Since all agendas would be sent, users of this service would need to check each agenda for their particular project of interest.

Contact City Planning staff at 564-5578 for questions on case status or visit the Planning/Zoning counter located at 630 Garden Street to review the most current plans proposed for the development application.

STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY. State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a "sole practitioner" to make informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

PLEASE BE ADVISED

The following advisories are generally also contained in the City’s Architectural Board of Review General Design Guidelines and Meeting Procedures (ABR Guidelines). The specific ABR Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the ABR Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)

- The applicant’s presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following ABR agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans. (3.2.4)
• Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)

• Concept review comments are generally valid for one year. Per SBMC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An ABR approval does not constitute a Zoning clearance or a Building and Safety Permit.

• All approvals made by the ABR are based on compliance with Municipal Code Chapter 22.68 and with adopted ABR guidelines. Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk’s office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting at which the Board took action or rendered its decision. (3.2.9)

• CEQA Guidelines § 15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) They are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.

• AMERICANS WITH DISABILITIES ACT: If you need auxiliary aids or services or staff assistance to attend or participate in this meeting, please contact the ABR Commission Secretary at (805) 564-5470, extension 7543 or by email at ABRSecretary@SantaBarbaraCA.gov. If possible, notification at least 48 hours prior to the meeting will usually enable the City to make reasonable arrangements. Specialized services, such as sign language interpretation or documents in Braille, may require additional lead time to arrange.

LICENSING ADVISORY:
The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. See ABR Guidelines 2.12 and 3.1.2C for specific information.

   (Proposal for the Cacique and Soledad Street Pedestrian and Bicycle Bridges and Corridor Improvements Project which will consist of street improvements on Cacique Street from Salinas to Alisos Streets and along Soledad Street from Cacique to Montecito Streets. Improvements will include the removal of the existing dilapidated wood pedestrian bridge along Cacique Street, construction of two pedestrian bicycle bridges along Cacique and Soledad Streets over Sycamore Creek, construction of sidewalks on Soledad and Cacique Streets, adjustment of intersection controls at certain corridor intersections to favor bicycle boulevard movements along Cacique Street, installation of pedestrian and bicycle-oriented lighting throughout the corridor and bridges, and riparian habitat enhancement.)

   (Action may be taken if sufficient information is provided. Project was last reviewed on January 19, 2016.)
IN-PROGRESS REVIEW

3. **1236 SAN ANDRES ST**  
   (4:25) Assessor’s Parcel Number: 039-151-001  
   Application Number: MST2006-00364  
   Owner: Byers Family Trust  
   Architect: Kirk Gradin  
   (Proposal to construct four, two-story residential condominium units. Three of the units would be approximately 1,000 square feet and one unit would be approximately 1,100 square feet. Each unit would have an attached two-car garage for a total of eight parking spaces on the 10,048 square foot parcel. The proposal includes demolition of all existing structures and 140 cubic yards of grading outside the building footprints. The project received Planning Commission approval (Resolution No. 01-08) on January 10, 2008.)  

   (Comments only. Requires compliance with Planning Commission Resolution No. 01-08. Project was last reviewed on April 21, 2008.)

CONCEPT REVIEW - NEW ITEM

4. **217 S VOLUNTARIO ST**

   (Proposal for a pre-application consultation design review hearing with limited plans to be presented. This proposal is for a new multi-family development using the Average Unit Density Incentive Program (AUD). It will include the demolition of an existing 691 square foot one-story dwelling unit, 421 square foot detached garage, and 85 square foot shed, and the construction of a 2,204 square foot two-story duplex and a 2,869 square foot two-story triplex. An existing 1,072 square foot dwelling unit at the front of the site is proposed to remain unchanged. The unit mix will include four, 2-bedroom units and one, 1-bedroom unit. The project will result in six dwelling units totaling 6,145 square feet, with an average unit size of 1,024 square feet. The proposed density on this 12,500 square foot parcel will be 21 dwelling units per acre on a parcel with a General Plan land use designation of Medium-High Density Residential, 15-27 dwelling units per acre. There will be a total of six parking spaces provided in attached garages totaling 1,088 square feet, and one uncovered space. Two fruit trees will be removed. Grading will be balanced on site. This project will address violations identified in Zoning Information Report ZIR2015-00485.)  

   (Comments only; no action shall be taken on this pre-application consultation.)
