PLEASE BE ADVISED

Consent Items are reviewed in the David Gebhard Public Meeting Room at 630 Garden Street. Items are reviewed in a
sequential manner as listed on the Consent Agenda. Applicants are advised to approximate when their item is to be heard
and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is
announced for hearing the item, the item will be moved to the end of the consent agenda.

The applicant's presence is suggested in order to respond to questions and discuss potential conditions of approval, thereby
avoiding project continuances. If an applicant cancels or postpones an item without providing advance notice, the item will be
postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda.

Actions on the Consent Agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion
to ratify or not ratify the Consent actions. The Consent Agenda reviewing member of the ABR may refer items to the Full
Board for review.

Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division
Staff or the City Clerk’s office, City Hall, 735 Anacapa St. Appeals must be in writing and must be filed with the City Clerk
at City Hall within ten (10) calendar days of the date the action is ratified (at the next regular Full Board meeting of the ABR).

CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental
Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new
residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the
General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any
potentially significant project-specific impacts are addressed through existing development standards. Section 15183
exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding
is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the
project.
