PUBLIC HEARING PROCEDURES. The following review steps explain the sequence that all projects must undergo during a public hearing. 1. Introduction by the Chair; 2. Staff Comments (optional); 3. Applicant Presentation; 4. Public Comment (if any); 5. Questions from the Board/Commission; 6. Comments from the Board/Commission; 7. Board/Commission Action; and 8. Board/Commission Discussion.

AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of documents relating to agenda items are available for review in the Community Development Department at 630 Garden Street, and agendas and reports are also posted online at www.SantaBarbaraCA.gov/ABR. If you have any questions or wish to review the plans, please contact Susan Gantz, Architectural Board of Review (ABR) Planning Technician, at (805) 564-5470, extension 3311 or by email at SGantz@SantaBarbaraCA.gov. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under City Calendar to verify closure dates. Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street during normal business hours. Letters received and staff reports that are a public record, relate to an agenda item, and are distributed to the ABR during the meeting are available for public inspection in the David Gebhard Public Meeting Room, 630 Garden Street.

PUBLIC COMMENT. The public has the opportunity to comment on any item on today’s agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the ABR Secretary before the agenda item begins. Each speaker is allocated two minutes for public comment due to time constraints. Public comment submitted prior to the scheduled meeting can be submitted via email to ABRSecretary@SantaBarbaraCA.gov or by mail to City of Santa Barbara, Community Development Department/Planning Division, P.O. Box 1990, Santa Barbara, CA 93102. Written public comment letters and emails received prior to the meeting are typically distributed to the ABR at their meeting.

INTERESTED PARTIES. The City is required to give notice to property owners that may be directly affected by the proposed action (neighbors within 300 feet on certain projects per SBMC Section 22.68.040). This may be the only public notice sent out regarding the development application depending on the future discretionary review or public review process necessary for the project. Other methods to be informed of future scheduled hearings for a particular project or property include:

   a. Submit a request in writing to become an “Interested Party” for future notification purposes related to the development application so the City can mail or e-mail you future ABR agendas when the particular project is scheduled on a future agenda. This type of notification is done as a courtesy and does not require 10-day advance notice.

   b. Join the City’s SantaBarbaraCA.gov/MySB. This system allows you to manage subscriptions to City email lists that cover a wide range of City topics and services, including agendas sent for all Design Review Meetings. Since all agendas would be sent, users of this service would need to check each agenda for their particular project of interest.

Contact City Planning staff at 564-5578 for questions on case status or visit the Planning/Zoning counter located at 630 Garden Street to review the most current plans proposed for the development application.

STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY. State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a “sole practitioner” to make informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

PLEASE BE ADVISED

The following advisories are generally also contained in the City’s Architectural Board of Review General Design Guidelines and Meeting Procedures (ABR Guidelines). The specific ABR Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the ABR Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)

- The applicant’s presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following ABR agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community...
• Development Department) in addition to submitting appropriate plans. (3.2.4)

• Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)

• Concept review comments are generally valid for one year. Per SBMC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An ABR approval does not constitute a Zoning clearance or a Building and Safety Permit.

• All approvals made by the ABR are based on compliance with Municipal Code Chapter 22.68 and with adopted ABR guidelines. Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk’s office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting at which the Board took action or rendered its decision. (3.2.9)

• CEQA Guidelines § 15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) They are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.

• AMERICANS WITH DISABILITIES ACT: If you need auxiliary aids or services or staff assistance to attend or participate in this meeting, please contact the ABR Commission Secretary at (805) 564-5470, extension 7543 or by email at ABRSecretary@SantaBarbaraCA.gov. If possible, notification at least 48 hours prior to the meeting will usually enable the City to make reasonable arrangements. Specialized services, such as sign language interpretation or documents in Braille, may require additional lead time to arrange.

LICENSING ADVISORY:
The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. See ABR Guidelines 2.12 and 3.1.2C for specific information.

**CONCEPT REVIEW - NEW ITEM**

1. **400 BLK OLD COAST HWY 2798 SEG ID**

   (3:15)  
   Assessor’s Parcel Number: ROW-002-798  
   Application Number: MST2016-00325  
   Owner: City of Santa Barbara - Public Works Engineering  
   Applicant: City of Santa Barbara - Public Works Engineering

   (Proposal to extend the southeast corner curb alignment of Old Coast Highway and Park Place and to install rectangular rapid flashing beacons and 350 linear feet of sidewalk in order to provide a high visibility crossing. The project will also include the reconstruction of five driveway approaches to make them ADA-compliant, construction of new sidewalk access ramps, relocation of five existing water meters, and the installation of bio-retention basins for storm water management.)

   (Action may be taken if sufficient information is received. Requires Coastal review.)

**CONCEPT REVIEW - NEW ITEM: PUBLIC HEARING**

2. **208 OCEANO AVE** R-2/SD-3 Zone

   (4:00)  
   Assessor’s Parcel Number: 045-074-007  
   Application Number: MST2016-00023  
   Owner: Tantri LLC  
   Architect: Craig Goodman

   (Proposal for major remodel, partial demolition, and reconfiguration of an existing two-story duplex which will result in a 1,400 square foot duplex at the rear of an 8,700 square foot parcel. The duplex will include a 558 square foot covered porch on the ground floor, a 302 square foot uncovered deck on the second floor, new access stairways, and an approximately 520 square foot uncovered roof deck with fireplace. A portion of the structure will be demolished, including as-built work, as part of the major remodel to alter the structure to a Spanish architectural style. The garage size will be increased and building footprint widened to provide a reduced three foot side yard setback at the ground floor. Four tandem covered parking spaces are proposed in the new parking configuration. Other site work will include the replacement of existing fencing with new site walls, a new planter, new driveway, relocation of trash enclosure, and new landscaping. The existing four unit apartment building at the front of the site also requires approval of as-built window replacements and proposed storage areas. Staff Hearing Officer approval is required for zoning modifications related to building separation and open yard requirements, and coastal review. Three parking design waivers are being requested from the Transportation Division. This proposal will address violations identified in Zoning Information Report ZIR2015-00524.)

   (Comments only; requires Environmental Assessment, Staff Hearing Officer approval of Zoning Modifications and a Coastal Development Permit, and three Parking Waivers from the Transportation Division.)
IN-PROGRESS REVIEW

3. 6100 BECKNELL ROAD  A-I-1/SP-6 Zone

(5:00)  
Assessor’s Parcel Number: 073-080-065  
Application Number: MST2014-00619  
Owner: City of Santa Barbara - Airport Admin.  
Agent: Suzanne Elledge Planning & Permitting  
Applicant: Direct Relief  
Architect: DMHA

(Proposal to construct a new facility for Direct Relief, a nonprofit organization, including a new 127,706 square foot warehouse with an attached two-story 27,294 square foot administrative office building, a secure truck yard loading area, and 162 parking spaces on a 7.99 acre parcel to be purchased from the City of Santa Barbara Airport. The existing eight buildings totaling 12,937 square feet would be demolished. A new public road is proposed to be constructed immediately south of the project site, which is located in Sub-area three of the Airport Specific Plan [SP-6]. The project received a designation as a Community Benefit Project and an allocation of 80,000 square feet [and reservation of 30,000 square feet] of non-residential floor area from the Community Benefit category by the City Council. Development Plan approval by the Planning Commission is required.)

(Requires compliance with Planning Commission resolution No. 011-16. Project was last reviewed on July 18, 2016.)

FINAL REVIEW

4. 3880 STATE ST  C-2/SD-2 Zone

(5:30)  
Assessor’s Parcel Number: 057-240-046  
Application Number: MST2012-00422  
Owner: Sumida Family LTD Partnership  
Architect: LMA Architects

(Proposal to construct 13 new apartment units in a 13,323 square foot two-story building at the rear of the site near Via Lucero. The project consists of the demolition of 2,152 square feet of commercial structures from an existing nursery. The existing two-story commercial building fronting State Street will remain unchanged. The new apartment building will be attached to the existing 5,442 square foot one-story office building at the center of the site. The project includes two attached carports for 13 spaces, and a 262 square foot trash enclosure. Parking on the site will be reconfigured with 117 total spaces with 39 of the spaces provided on an adjacent parcel to the west with an off-site parking agreement. The entire site will be made accessible with a new ramp at State Street, a pedestrian lift at the center of the site, and right-of-way improvements at Via Lucero. Pedestrian sidewalk improvements were required at Via Lucero resulting in the proposed building and private outdoor living space for two units being too close to the right-of-way. Staff Hearing Officer review of zoning modifications is requested for the building to encroach into the SD-2 setback and for the private outdoor living space to be less than 10 feet from the front lot line.)

(Review After Final of change in approved roofing material from two-piece Mission tile to "S" tile.)
CONCEPT REVIEW - NEW ITEM: PUBLIC HEARING

5.  36 HITCHCOCK WAY  R-2/SD-2 Zone

(5:45)  
Assessor’s Parcel Number: 051-040-059  
Application Number: MST2016-00322  
Owner: Channel Islands YMCA  
Applicant: Arcadia Studio  
Business Name: Channel Islands YMCA

(Proposal to replace 50 mature Eucalyptus trees with 24 native trees in three phases. The trees to be removed comprise 48 Blue Gum [Eucalyptus Globulus], one Weeping Red Gum [Eucalyptus Camaldulensis], and one Manna Gum [Eucalyptus Viminalis], ranging in height from 25 feet to 100 feet. The new trees will be planted in three phases.)

(Comments only; requires Environmental Assessment.)
