Consent Items are reviewed in the David Gebhard Public Meeting Room at 630 Garden Street. Items are reviewed in a sequential manner as listed on the Consent Agenda. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced for hearing the item, the item will be moved to the end of the consent agenda.

The applicant's presence is suggested in order to respond to questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda.

Actions on the Consent Agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent Agenda reviewing member of the ABR may refer items to the Full Board for review.

Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk’s office, City Hall, 735 Anacapa St. Appeals must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the date the action is ratified (at the next regular Full Board meeting of the ABR).

CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.

AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of documents relating to agenda items are available for review in the Community Development Department at 630 Garden Street, and agendas and reports are also posted online at www.SantaBarbaraCA.gov/ABR. (This is a revised project description. Proposal for a new mixed-use building using the Average Unit Density Incentive Program (AUD). The project includes the demolition of an existing 8,368 square foot non-residential building and construction of 41,187 square feet of development, including a 45-foot tall four-story mixed-use building with an underground parking garage and one detached two-story residential unit, all on a 33,910 square foot lot. The project consists of 631 net square feet of commercial floor area and 46 residential units (comprising 13 studio units, 30 one-bedroom units, and 3 two-bedroom units) totaling 36,502 square feet plus ancillary space (lobby, office, storage, community room). Parking would consist of 11 spaces at-grade and 40 spaces underground for a total of 51 parking spaces; 48 bicycle parking spaces are also proposed. Vehicular access would be provided from Hope Avenue, and a four-foot sidewalk dedication would be granted. Approximately 6,900 cubic yards of grading excavation is anticipated for the underground garage. The project proposes a 45-foot setback from the top-of-bank of Arroyo Burro Creek to the first floor of the development, with the second, third and fourth floors cantilevering out up to 13 feet beyond that (closer to the creek). The project also includes creek restoration and more than 13,000 square feet of open space. The proposed density will be 60 du/ac with an average unit size of 794 square feet.)
