Consent items are reviewed in a sequential manner as listed on the agenda. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced, the item will be moved to the end of the agenda.

The applicant's presence is suggested in order to respond to questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without advance notice, the item will be postponed indefinitely and will not be placed on the following Architectural Board of Review (ABR) agenda.

Actions on the Consent agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent agenda reviewing member of the ABR may refer items to the Full Board for review.

**PUBLIC COMMENT:** The public is invited to comment on any item on the agenda. Speaker slips are available by the door and should be handed to staff before the agenda item begins. Due to time constraints, individual comments are typically limited to two minutes. Written comments are also welcome. Mail to ABR Secretary, P.O. Box 1990, Santa Barbara, CA 93102-1990 or email to [ABRSecretary@SantaBarbaraCA.gov](mailto:ABRSecretary@SantaBarbaraCA.gov). Please note that the ABR may not have time to consider written comments received after 10 a.m. on the day of the meeting.

Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department at 630 Garden Street during normal business hours. Letters received and reports that are a public record and relate to an agenda item are also available for public inspection at the meeting.

### **PLEASE BE ADVISED**

CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.
