 Architect: CSA Architects

(Proposal for an additional duplex on a parcel currently developed with two residential units. Project involves the demolition of a detached 770 square foot two-car garage and accessory structure, and the construction of a two story, 3,478 square foot duplex. Unit mix on this 14,625 square foot lot will be four, 2-bedroom units ranging in size from 669 to 1,439 square feet. Also proposed are alterations to the existing landscaping, reconfiguration of the parking arrangement to include eight parking spaces, and 692 cubic yards of grading. A Minor Zoning Exception is requested for the over-height fence and pillars within ten feet of the front property line. The project is also requesting approval for an Alternative Open Yard design.)

(Action may be taken if sufficient information is provided. Project was last reviewed on February 12, 2018.)

Actual time: 3:14 p.m.

Present: Trevor Wellman, Elsa Reader, and Natalie Cope, CSA Architects; and Kevin Small, Planning Design Group

Public comment opened at 3:25 p.m., and as no one wished to speak, it closed.

Motion: Continue indefinitely to Full Board with comments:

1. Provide a larger tree to replace the Star Magnolia tree between Unit D's garage and Unit B.
2. Provide a tree in the planter in front of Unit B.
3. Replace the ground cover between Unit D and Unit D's garage with possibly blue sedge or other species that will thrive in the shade.
4. Study the pedestrian plan, and provide a pedestrian path to each of the units.
5. Restudy the entrance at the driveway to provide the required visibility; it was suggested to remove the two pillars adjacent to the driveway.
6. Provide screening for the existing air conditioning unit that is to remain.
7. Provide the door and window specifications.
8. The Board supports the alternative open yard design.

Action: Tripp/Cunningham, 5/0/0. (Six absent.) Motion carried.

CONCEPT REVIEW - CONTINUED ITEM**2. 500 FOWLER RD****A-F/SD-3 Zone****(3:35)**

(Proposal for seven new photovoltaic solar carports to be located in the City of Santa Barbara Airport's Long-Term parking lot. Project consists of the installation of four 35'x394' carports and three 35'x250' carports to be mounted with a combined total of 1 Megawatt solar photovoltaic panels within the 798-space Long-Term parking lot. The proposal does not reduce the number of parking spaces. The structures will be installed in sections to not displace more than 160 parking spaces at a time to keep the remaining parking lot open and available for long-term parking during construction. Project is within the Coastal Zone and requires Planning Commission review for a Coastal Development Permit.)

(Fourth Concept review. Comments Only. Project requires Planning Commission review. Project was last reviewed on January 16, 2018.)

RECUSAL: To avoid any actual or perceived conflict of interest, Board Member Cunningham recused himself from hearing this item.

Actual time: 4:01 p.m.

Present: Randy Arntson, Applicant

Public comment opened at 4:07 p.m., and as no one wished to speak, it closed.

Straw vote: How many Board Members can feel the gutter system is necessary? 1/3 Failed

Motion: Continue indefinitely to Full Board with comments:

1. The Board is in support of the project.
2. The Historic Landmark Commission Landscape Architect should review the drawings and consider the previous comments regarding additional screening along the road;
3. Provide photographs of the proposed plantings.
4. All existing trees and light poles should be identified on the drawings or renderings.
5. Update the rendering at the transformer equipment to show the proposed palm trees that will remain.
6. Provide a materials board showing all colors proposed, including materials used at the site walls, tile, and wrought iron, etc.
7. Landscape architect to restudy the use and necessity of the mesh in conjunction with the wrought iron.
8. Provide a cut sheet for the light fixtures on the underside of the structures; and provide a warmer light temperature.

Action: Tripp/Watkins, 4/0/0. (Cunningham and Six absent.) Motion carried.
